## Primary Colours

Observe the colour wheel.

The primary colours are  
**RED**, **YELLOW** and **BLUE**

Colour Blue

Colour Yellow

Colour Red

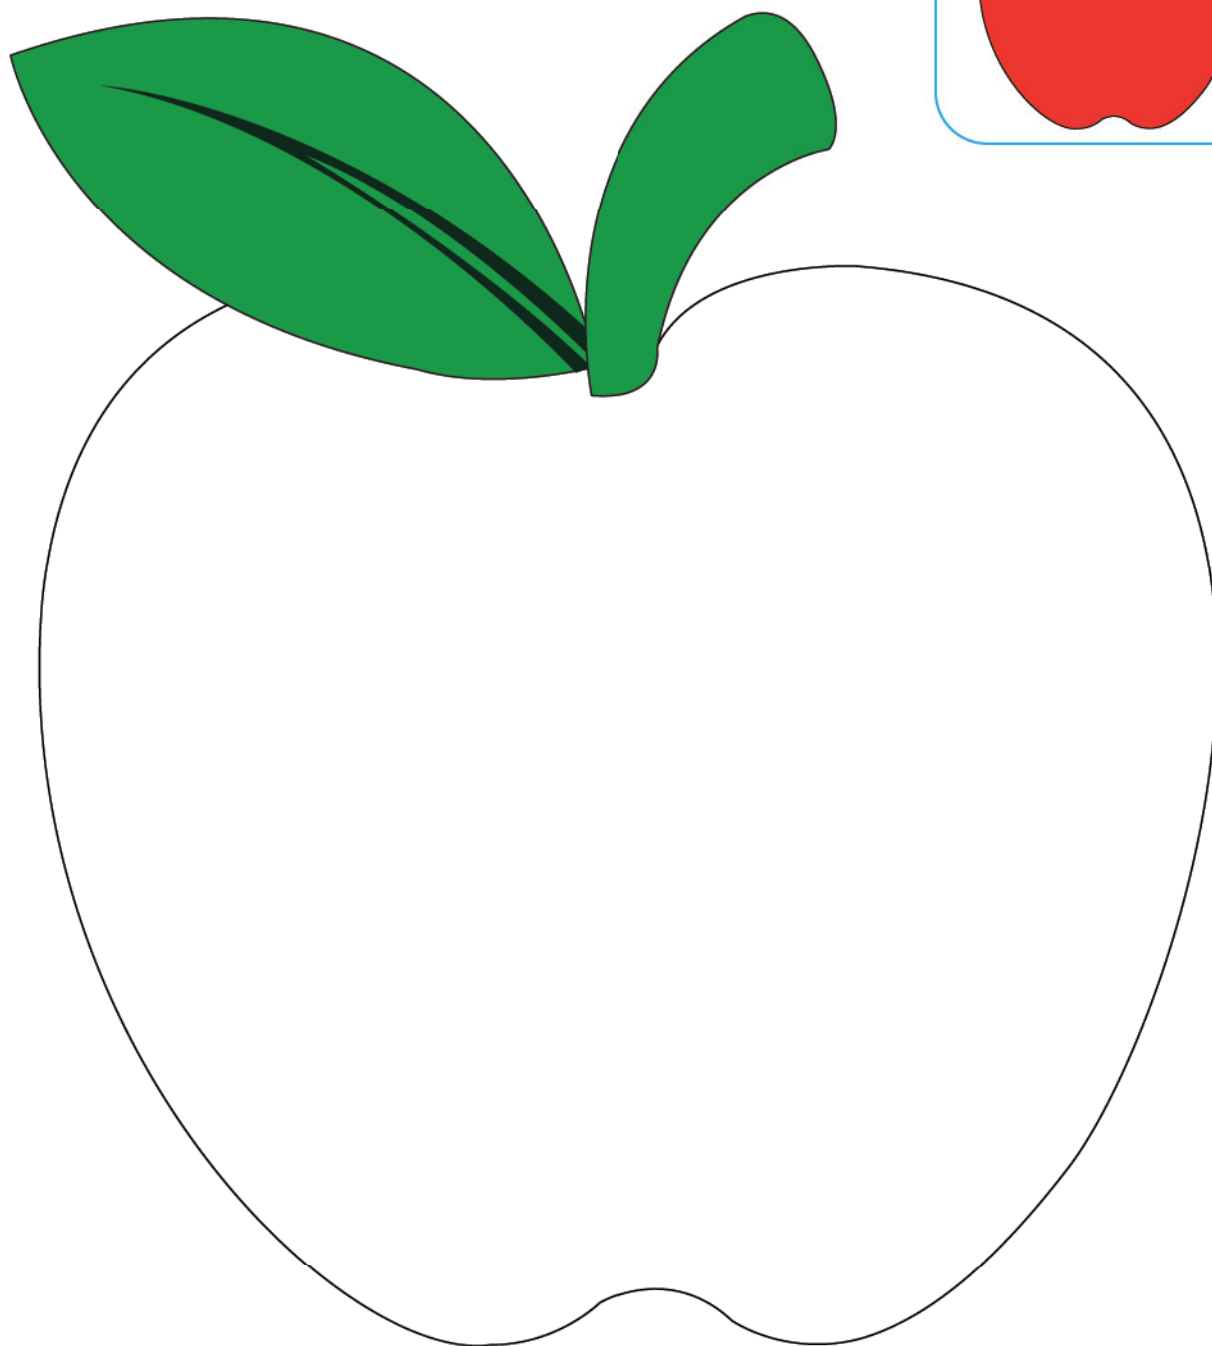

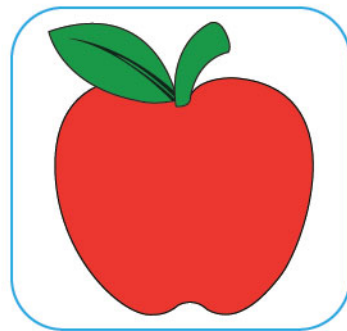

## Handprint Art

Paint your hand red and make a palm print.

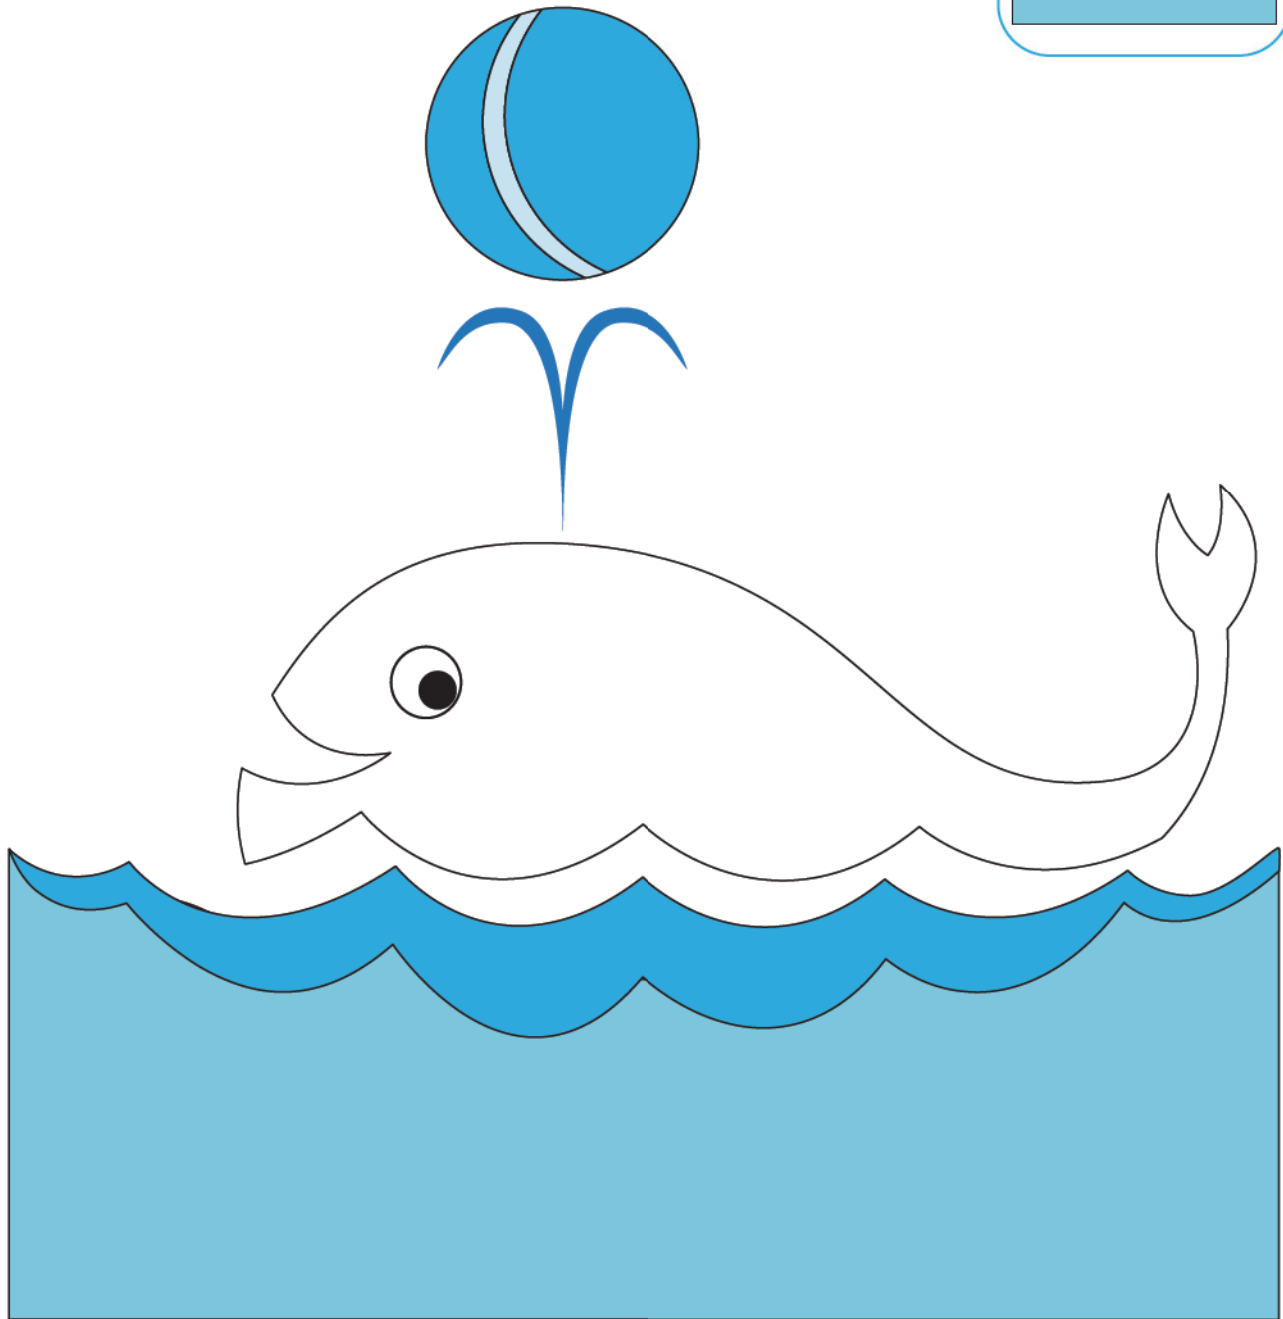

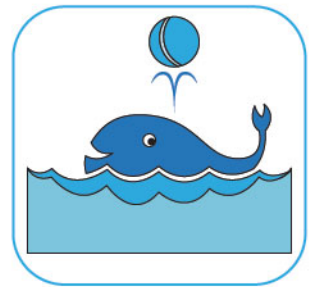

## Colouring Time

Colour the apple.

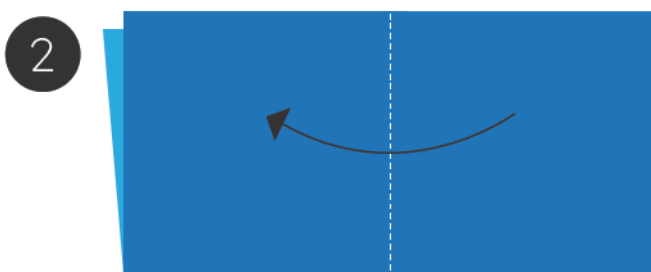

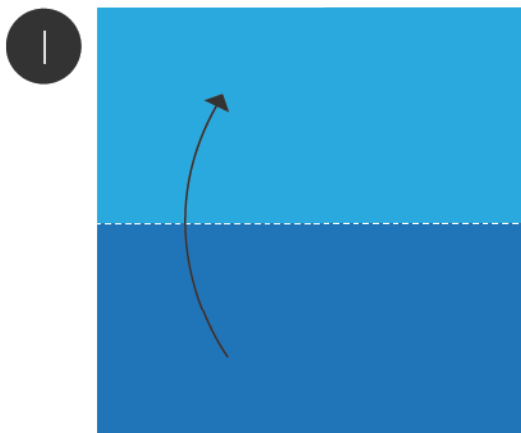

# Colouring Time

Colour the whale.

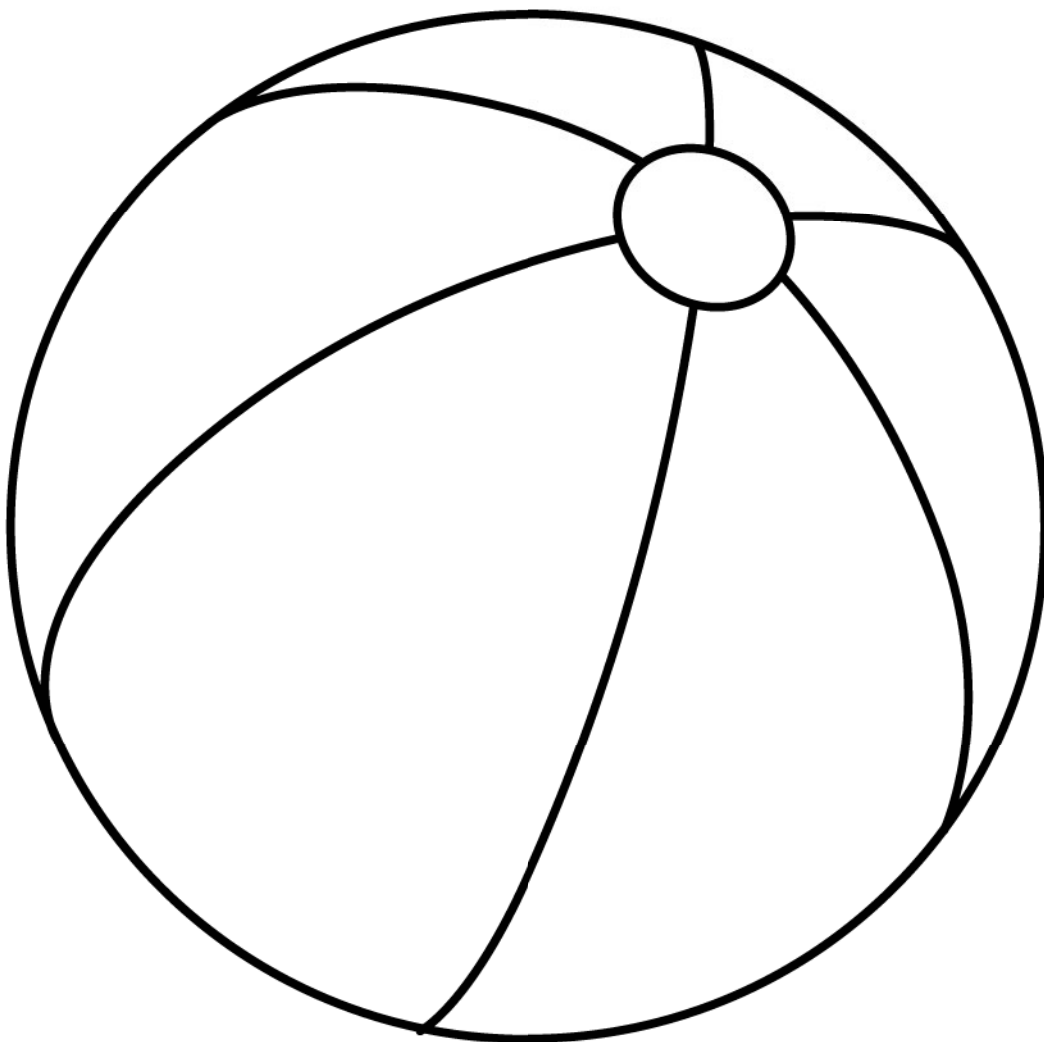

## Paper Folding Fun

Fold the paper in half, then fold it again to create neat shapes!

## Paper Sticking

Tear coloured paper, glue it on the ball, and make a collage.

## Leaf Printing

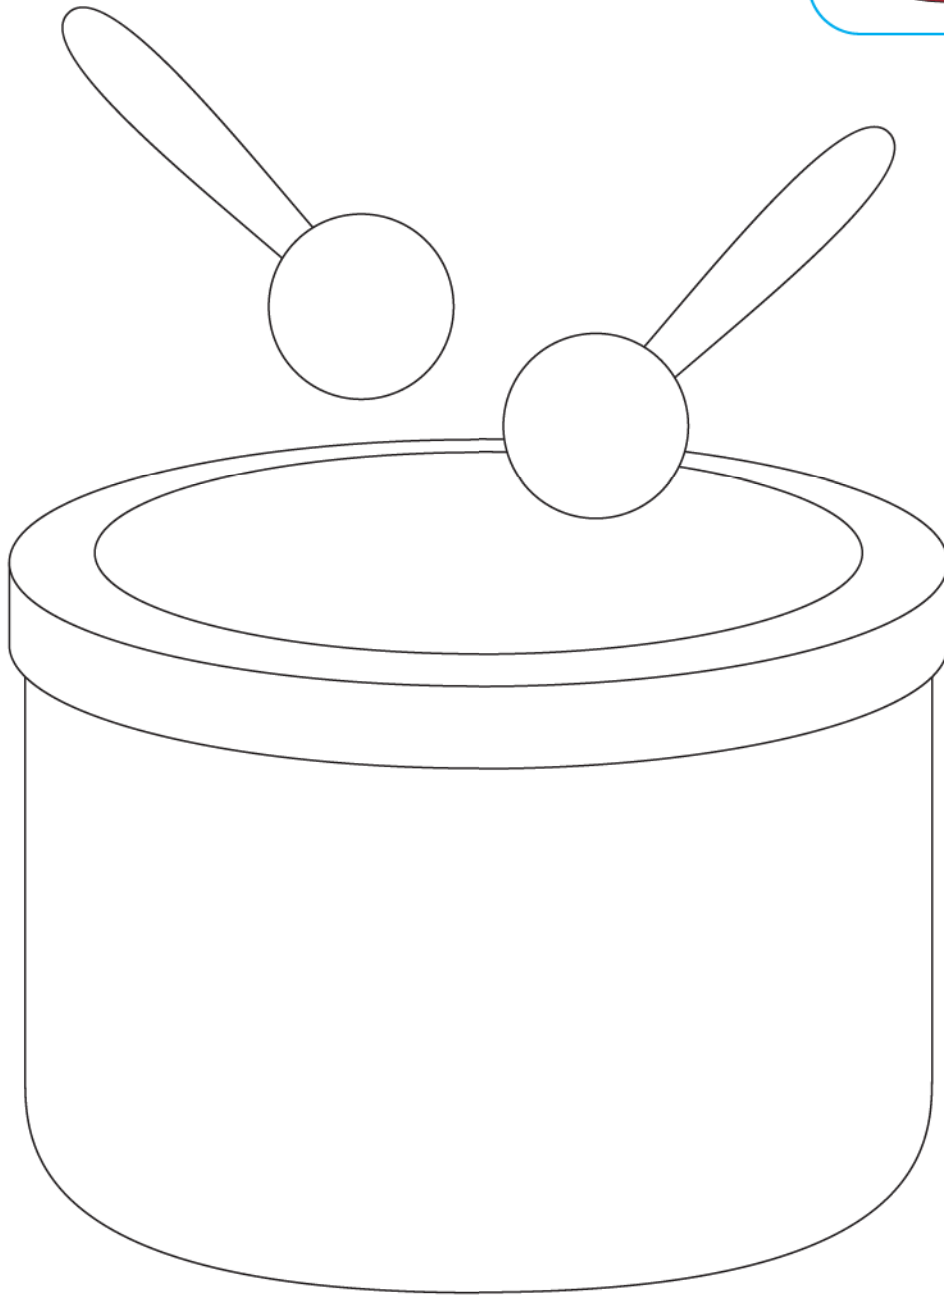

Paint a leaf blue and print it below.

## Colouring Time

Colour the drum.

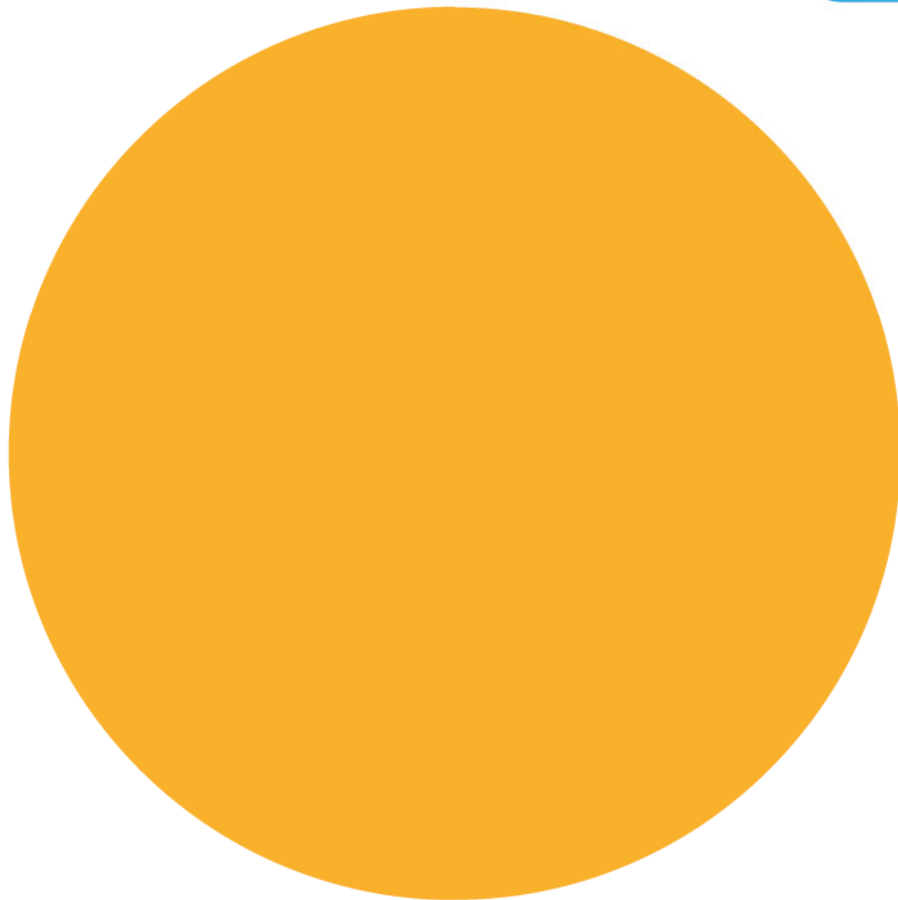

## Colouring Time

Colour the ladybird.

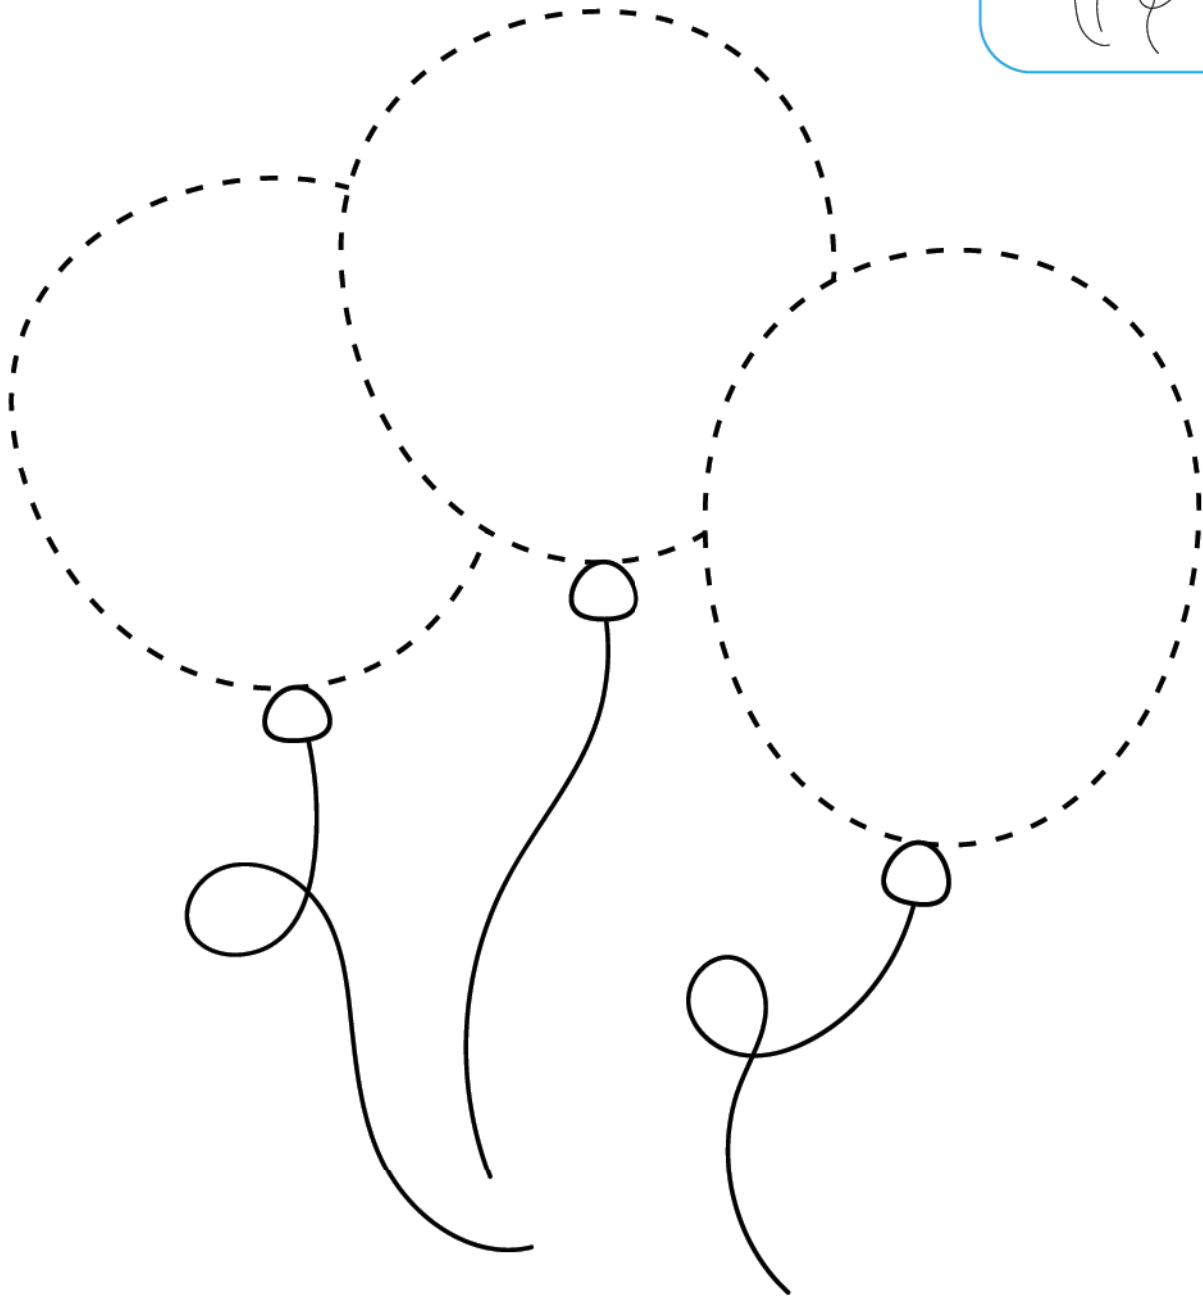

## Fork Painting

Dip a fork in paint. Drag it outward to make sun rays.

# Colouring Time

Trace and colour the balloons.

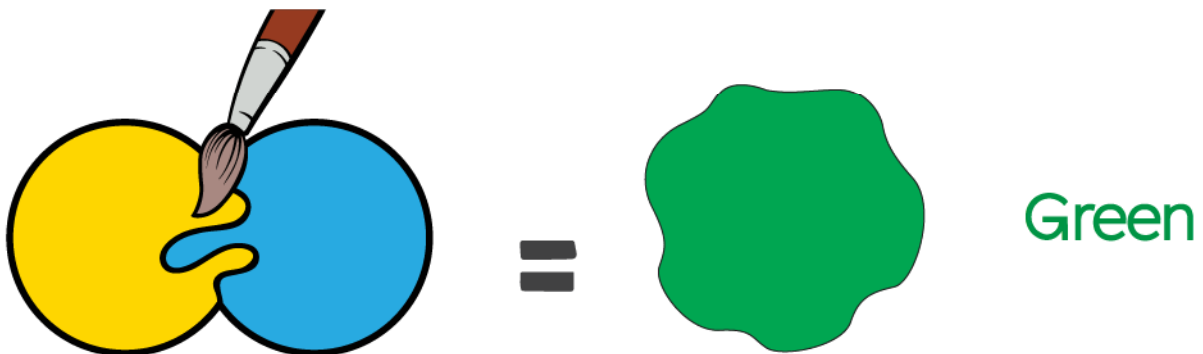

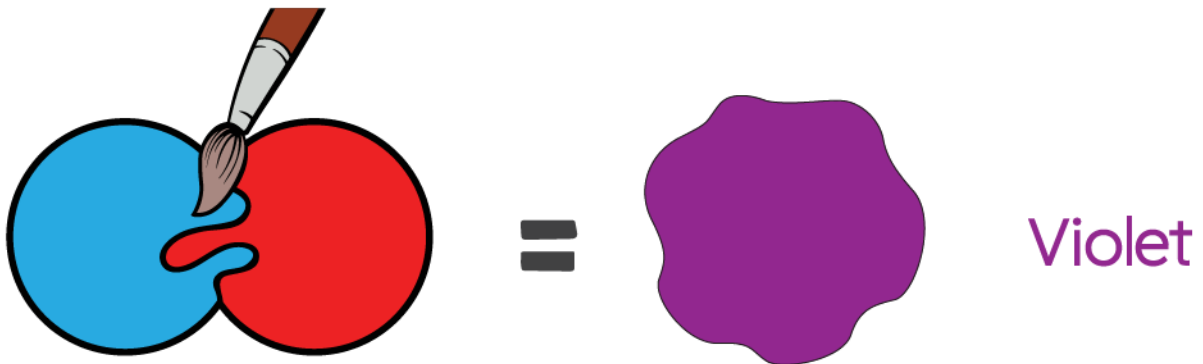

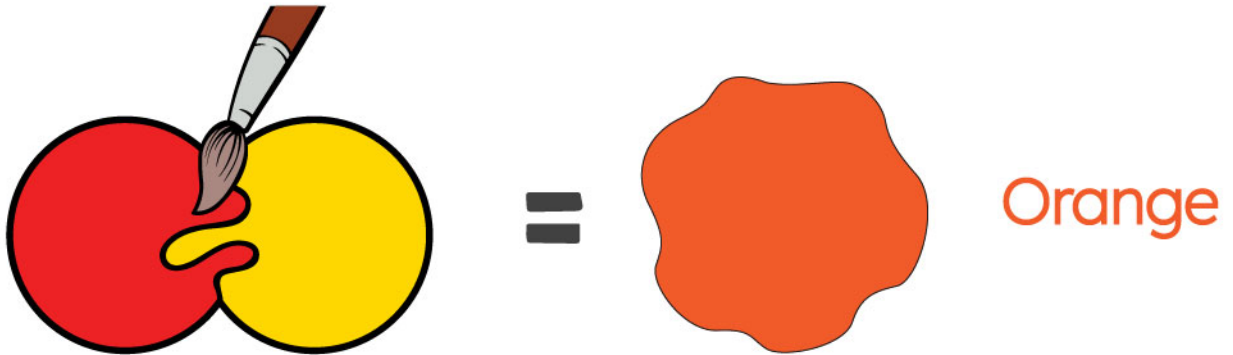

## Secondary Colours

Red, yellow and blue are primary colours.

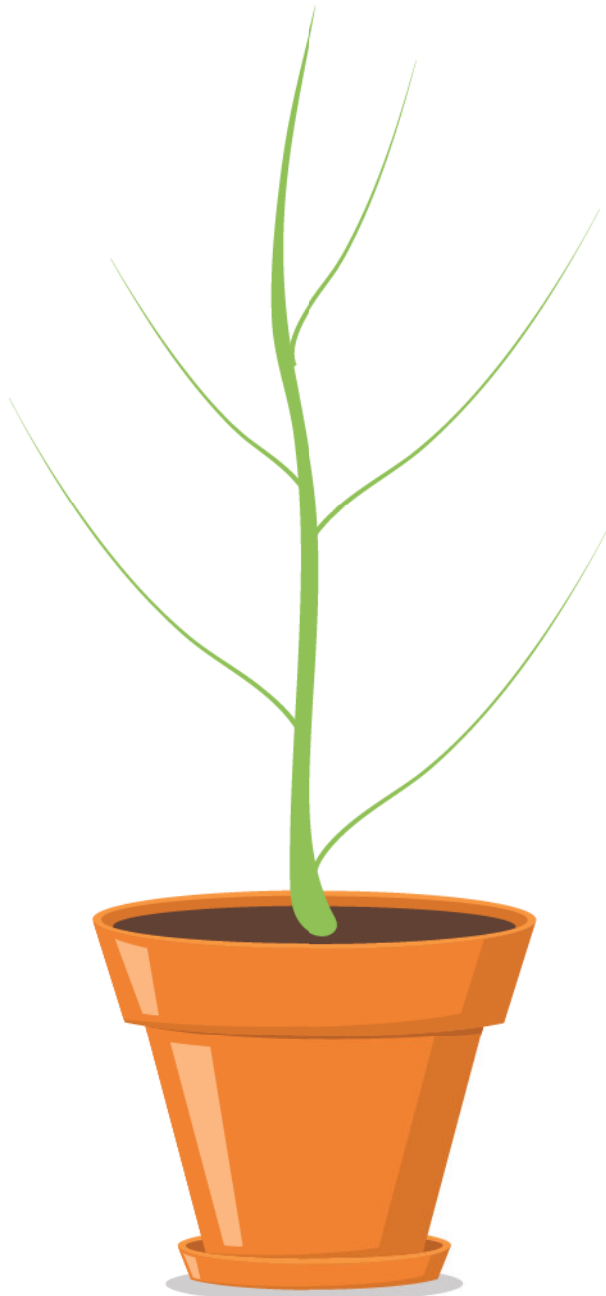

Mixing two primary colours makes secondary colours.

Orange, Green, and violet are secondary colours.

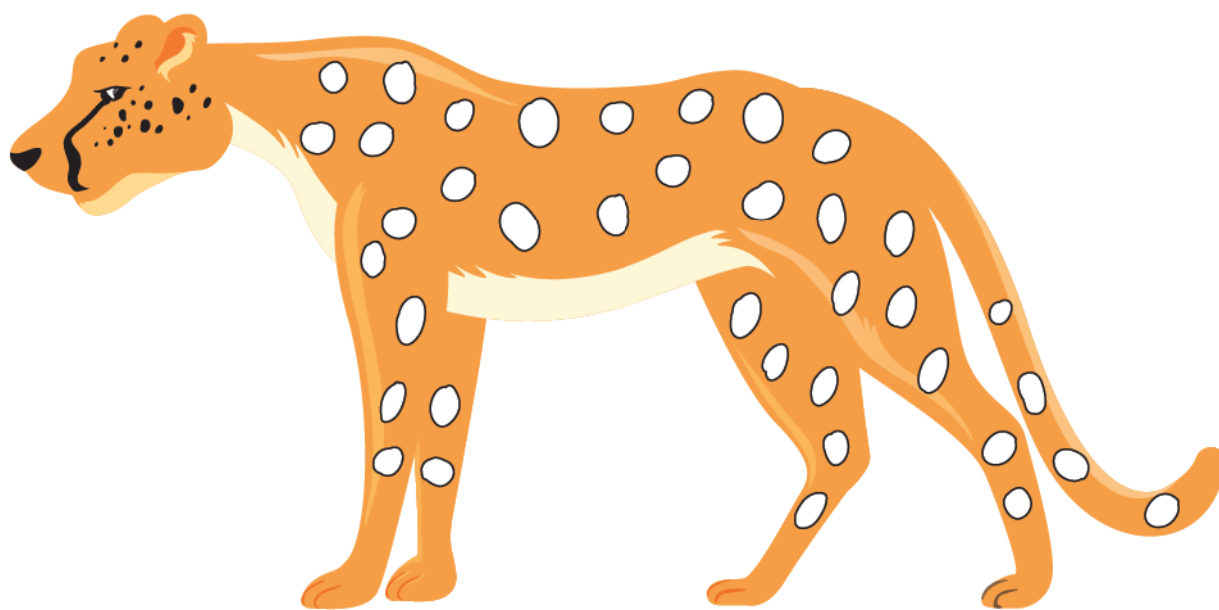

## Finger Printing

Dip your finger in green paint and stamp the leaves for the plant.

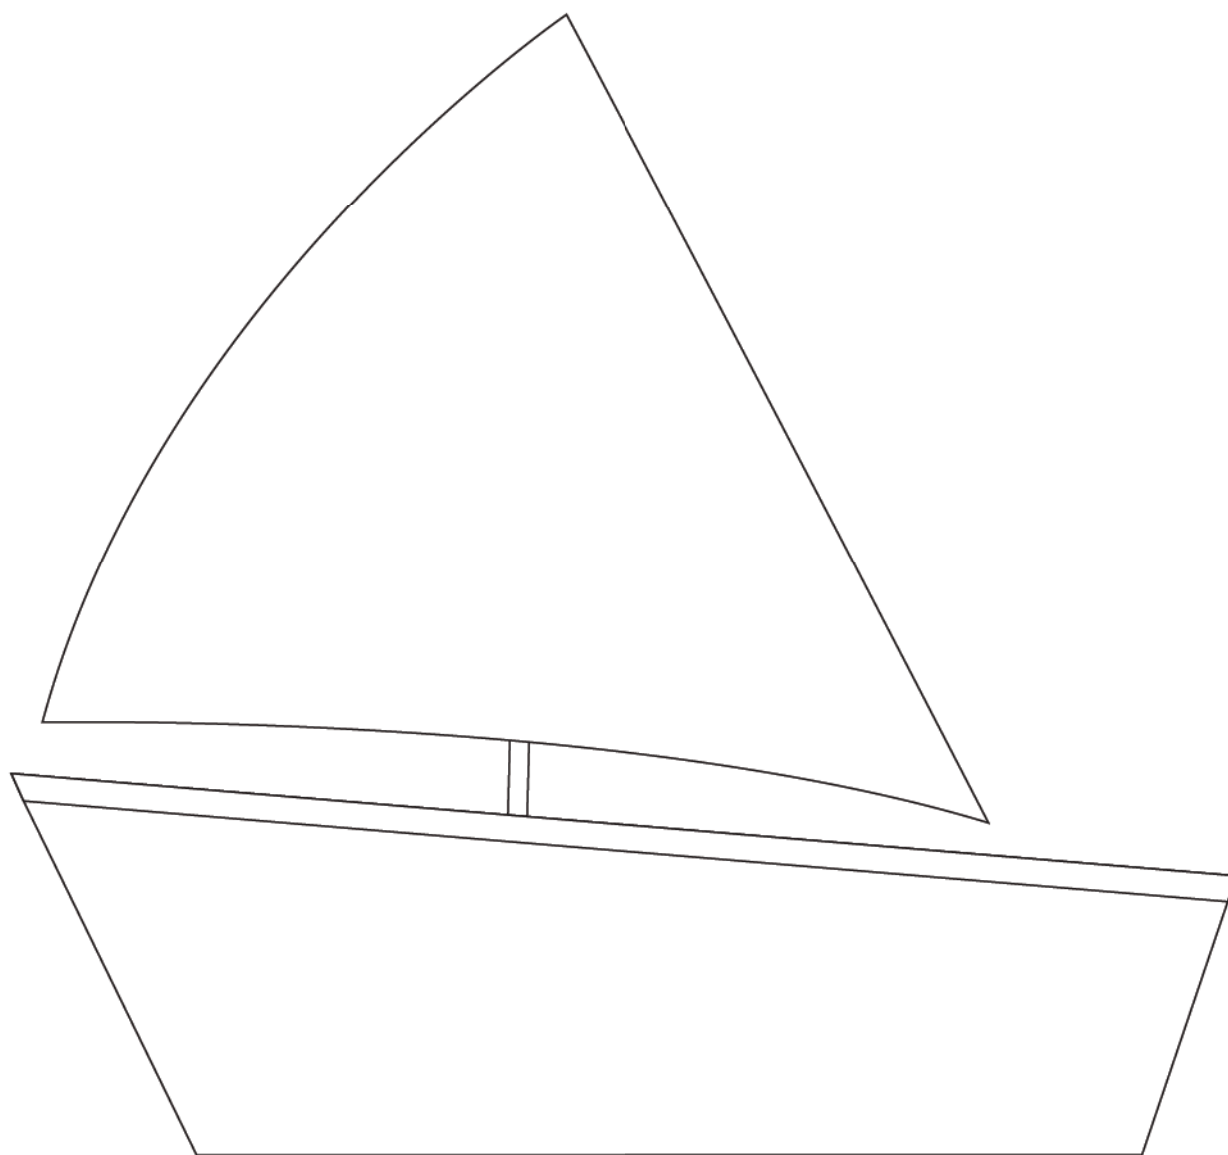

## Earbuds Painting

Dab black paint on the leopard's spots using an earbud.

## Paper Sticking

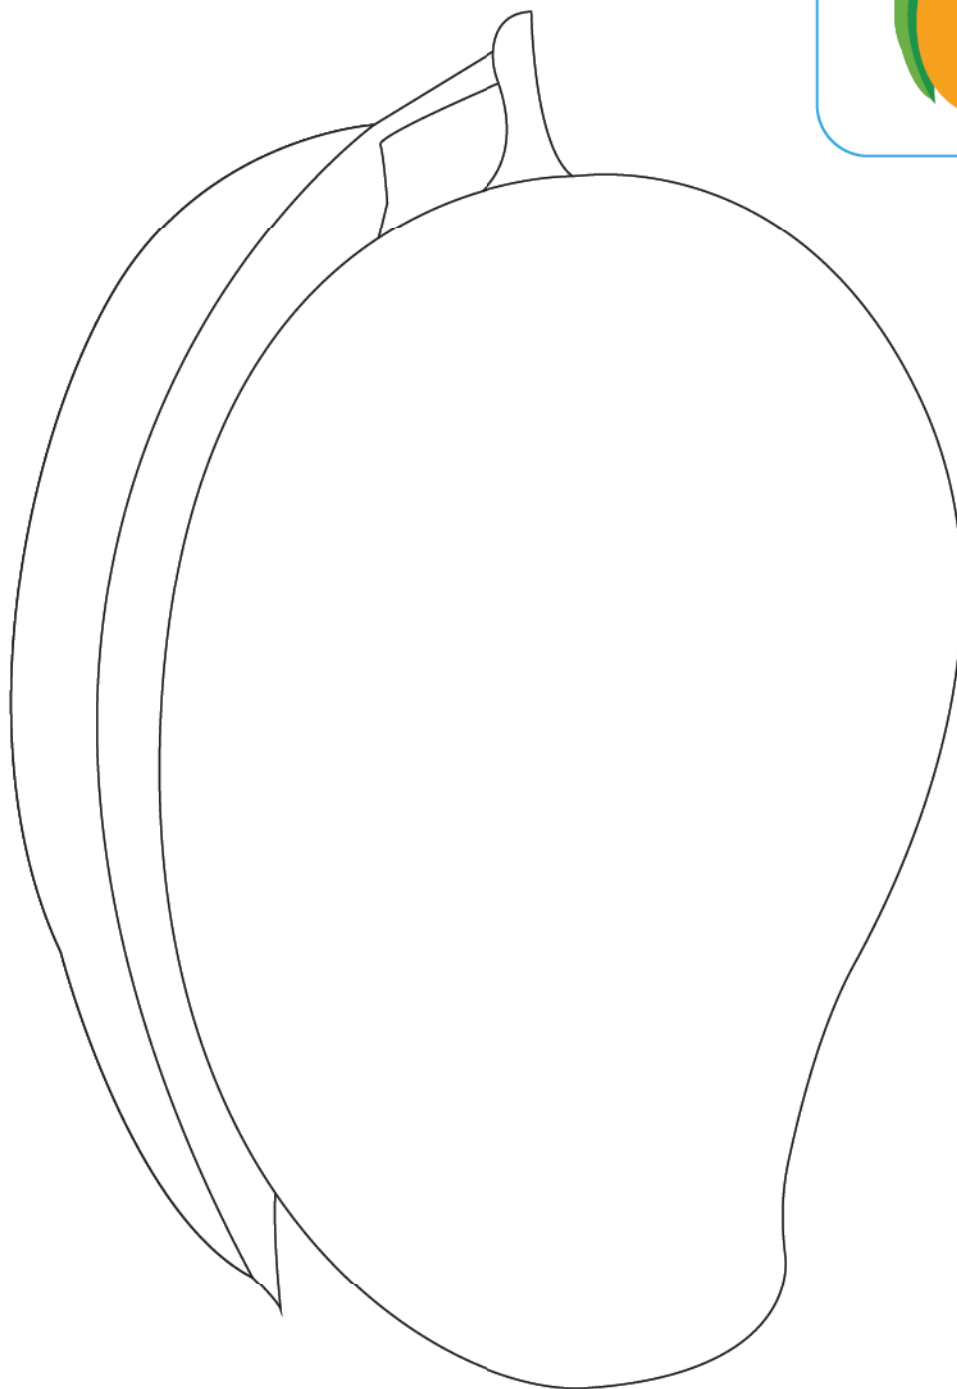

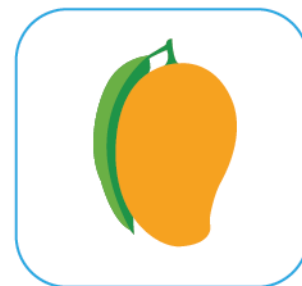

Tear colourful crepe paper and glue the pieces on the boat.

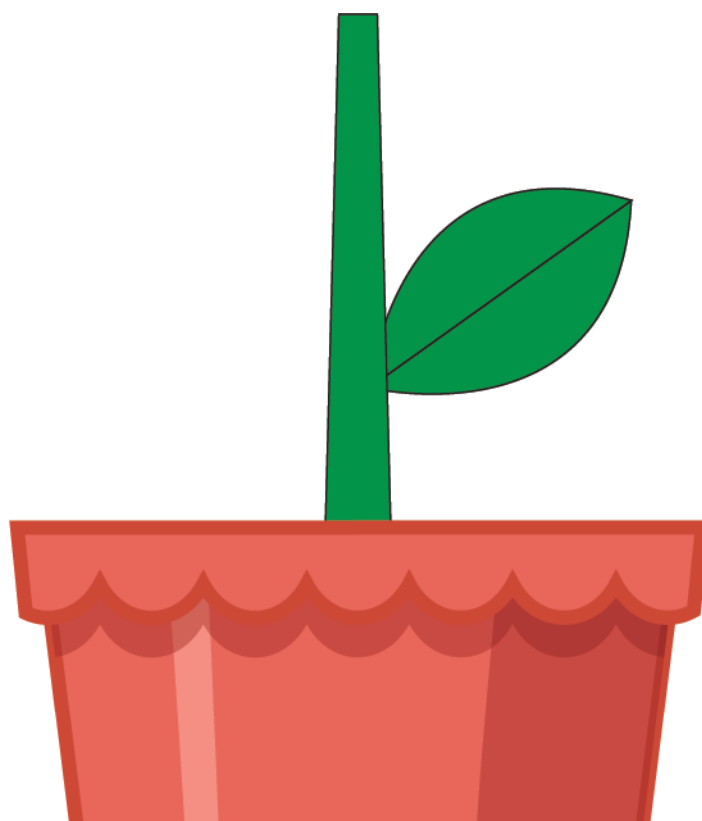

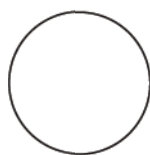

## Colouring Time

Colour the mango.

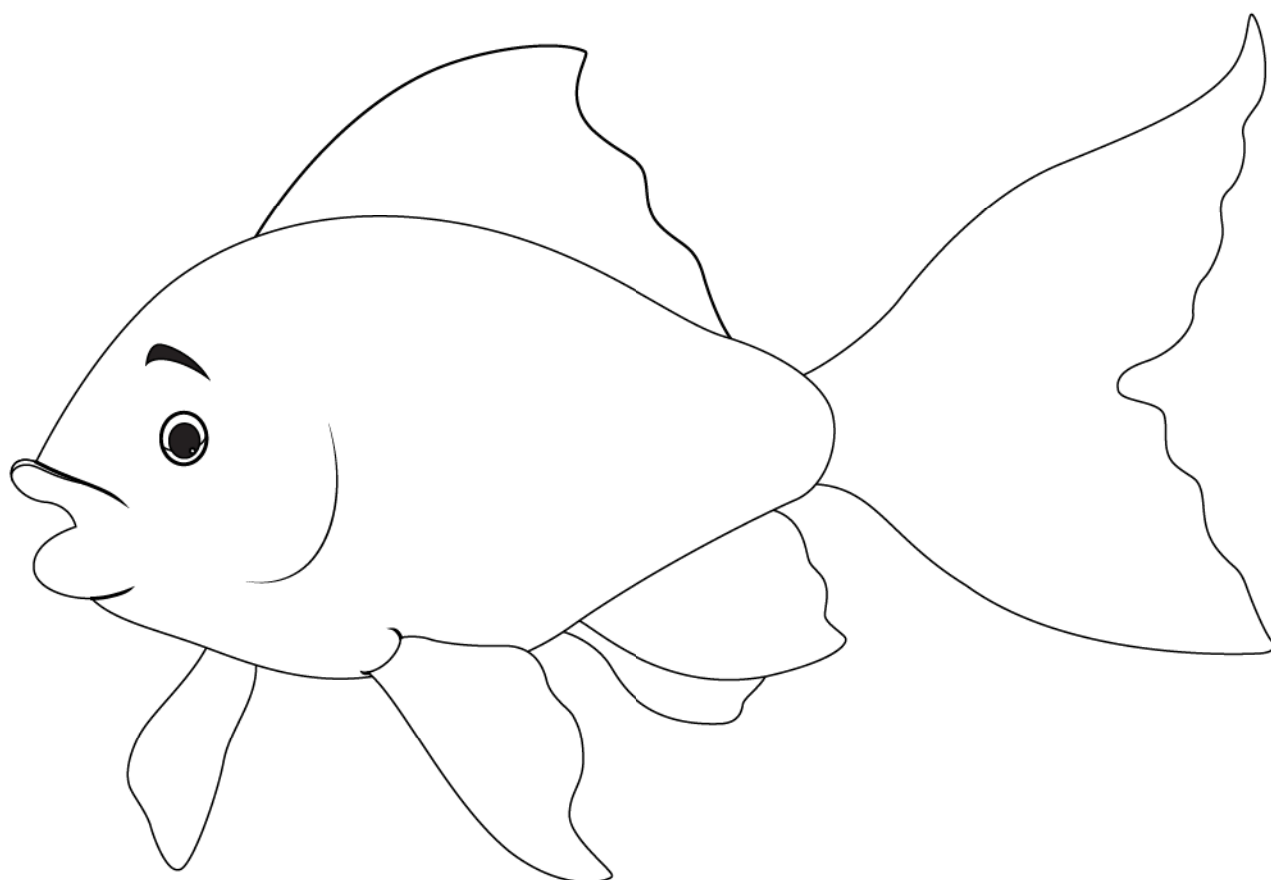

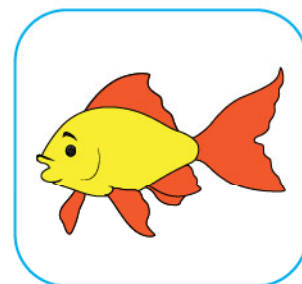

## Nature Collage

Paste flower petals around the circle.

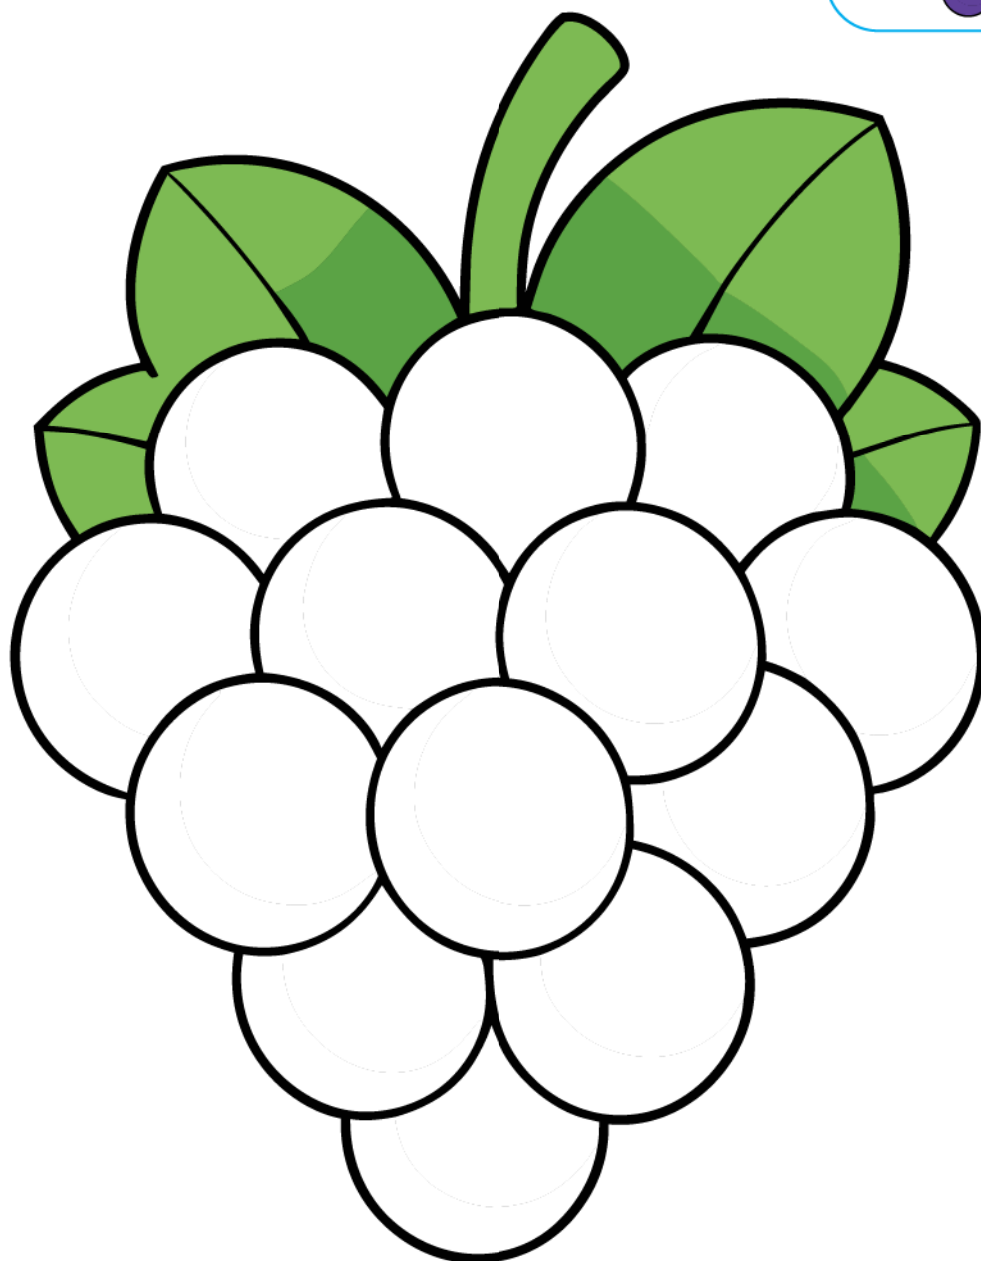

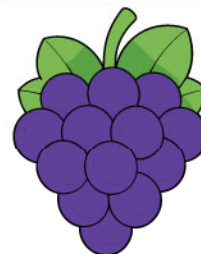

## Colouring Time

Colour the fish.

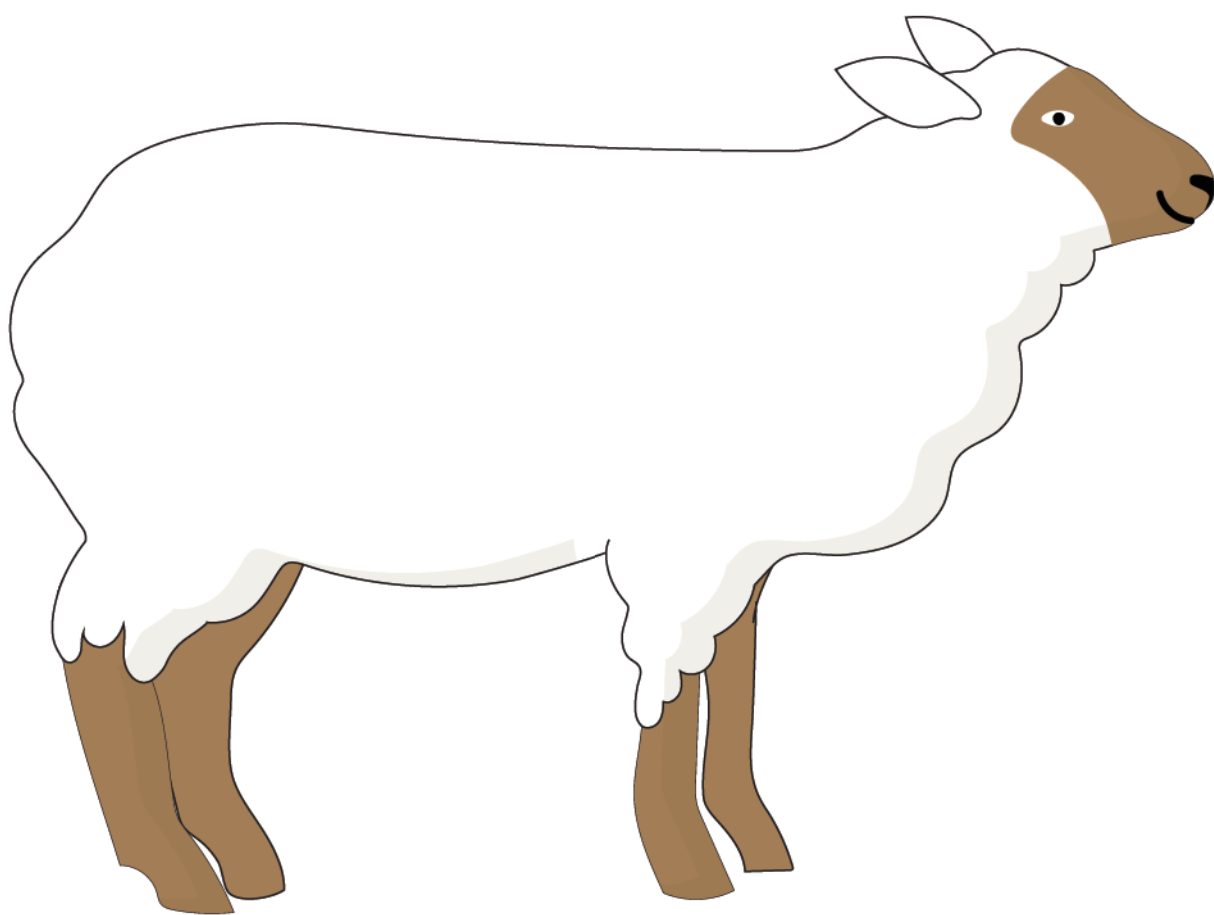

## Sponge Dabbing

Dip the sponge in violet paint and dab it on the grapes.

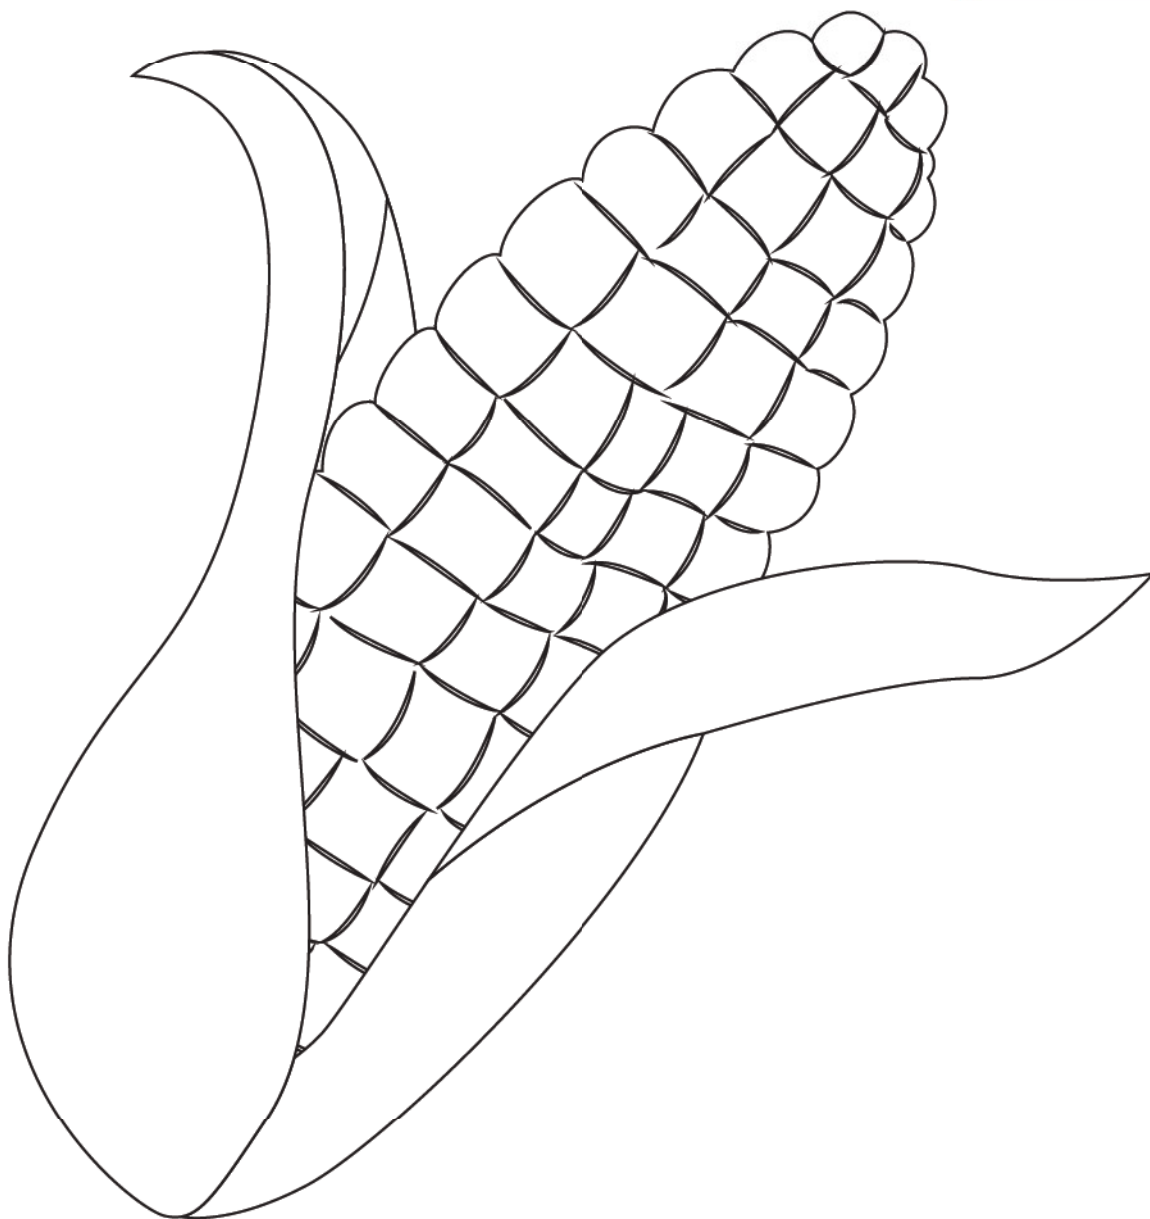

## Cotton Pasting

Paste cotton on the sheep.

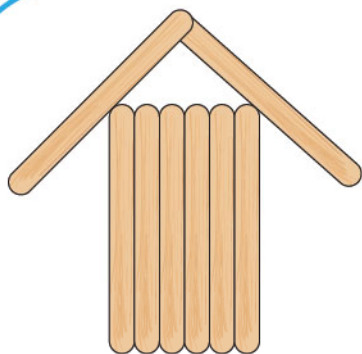

## Colouring Time

Colour the corn.

## Ice Cream Popsicle House

Create the house by pasting ice cream sticks.

# Paper Fan

Fold a sheet of paper back and forth in a zigzag pattern, then secure one end to form a handle.

1

Decorate your paper. Draw a design with a pencil, then colour it in with crayons or coloured pencils.

2

Fold the paper. Fold it back and forth like a zigzag until the whole paper is folded.

3

Pinch one end. Hold one end tightly together. The other end should stay open like a fan.

4

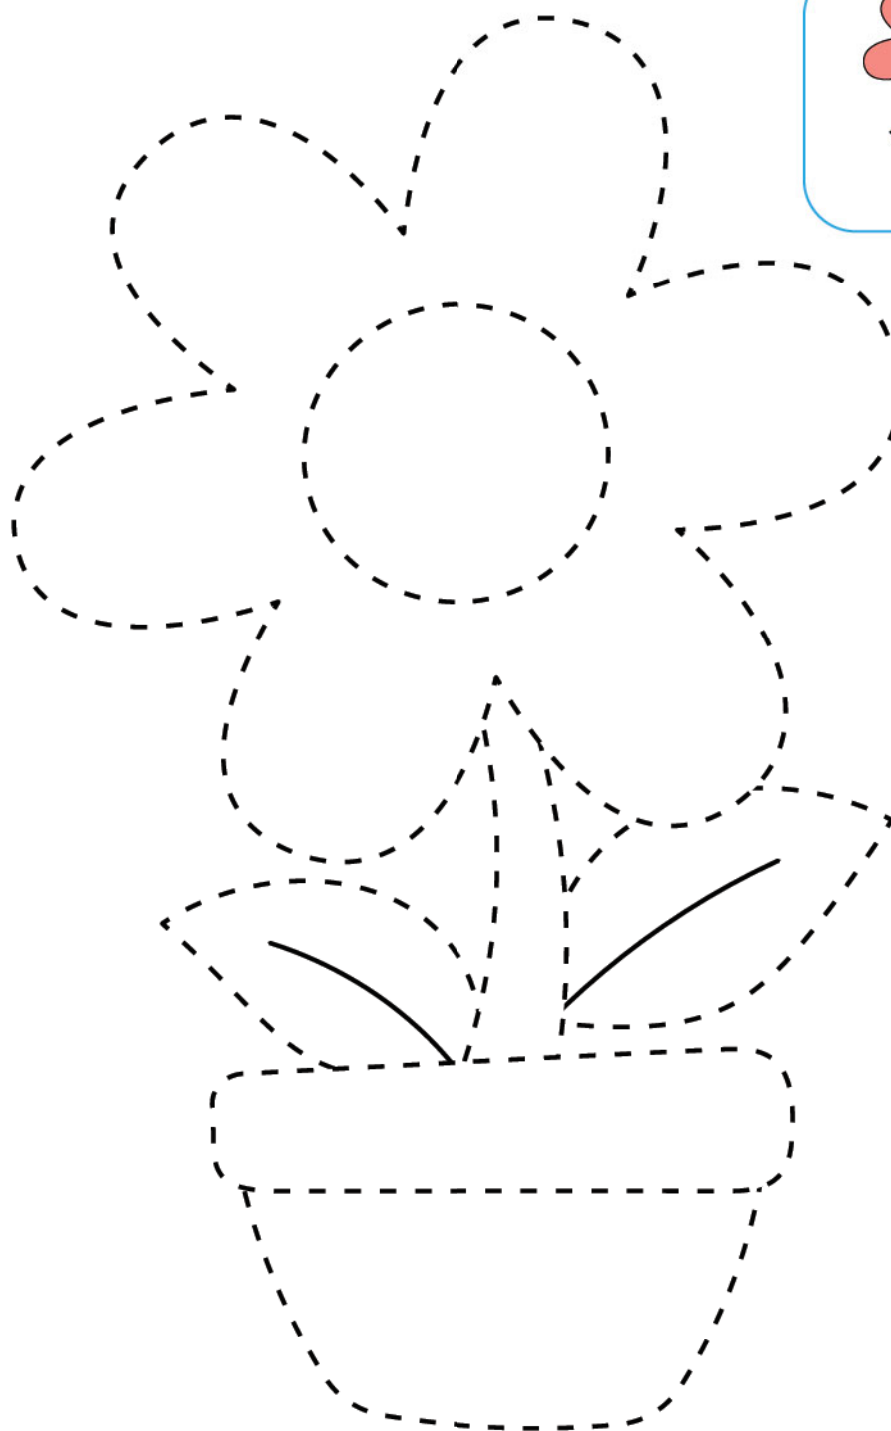

Keep it in place. Use tape, a staple, or a string to hold the pinched end.

## Colouring Time

Trace and colour the flower pot.

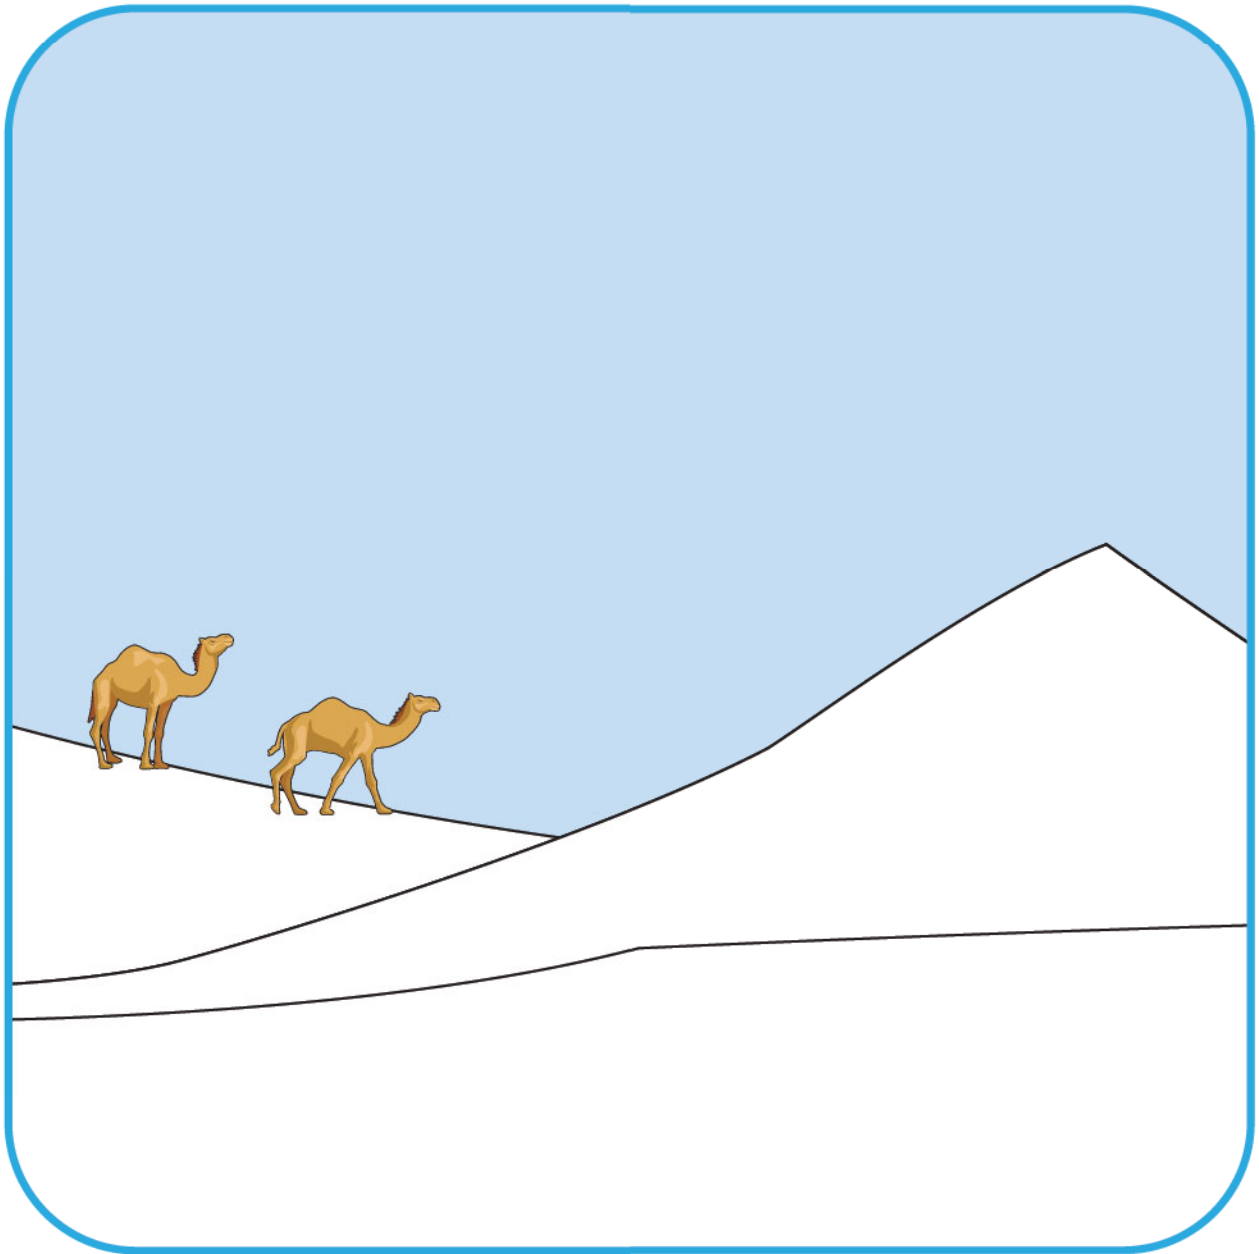

# Colouring Time

Colour the traffic lights.

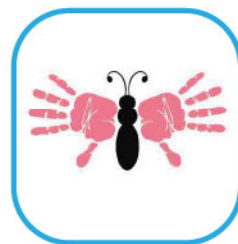

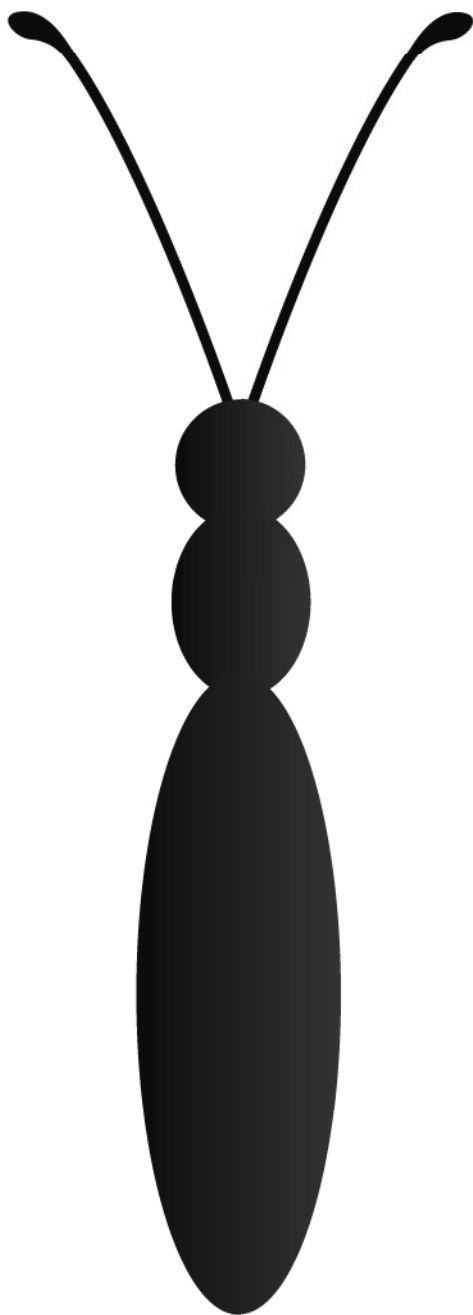

## Sand Work

Use glue to paste sand on the desert.

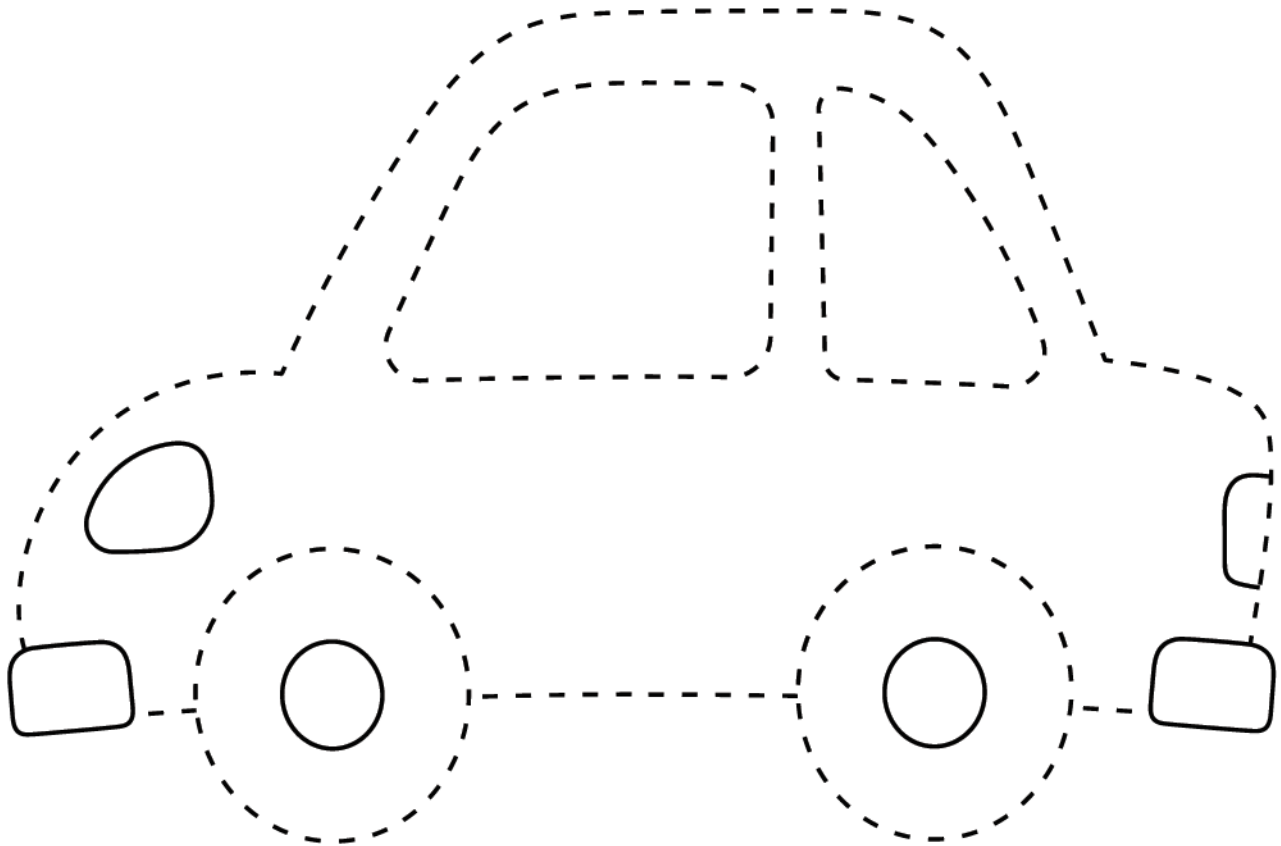

## Hand Printing

Dip your hand in paint and imprint it to create the butterfly wings.

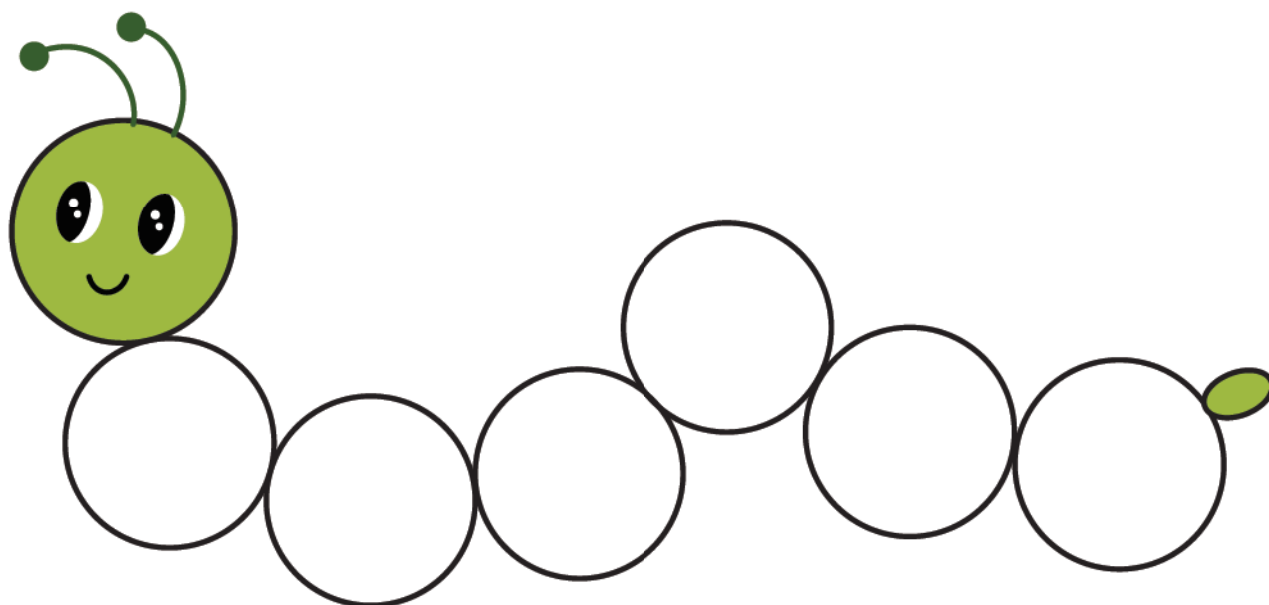

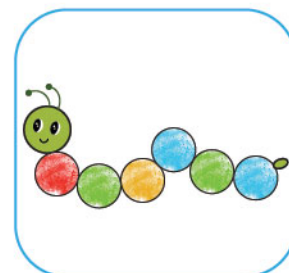

## Colouring Time

Trace and colour the car.

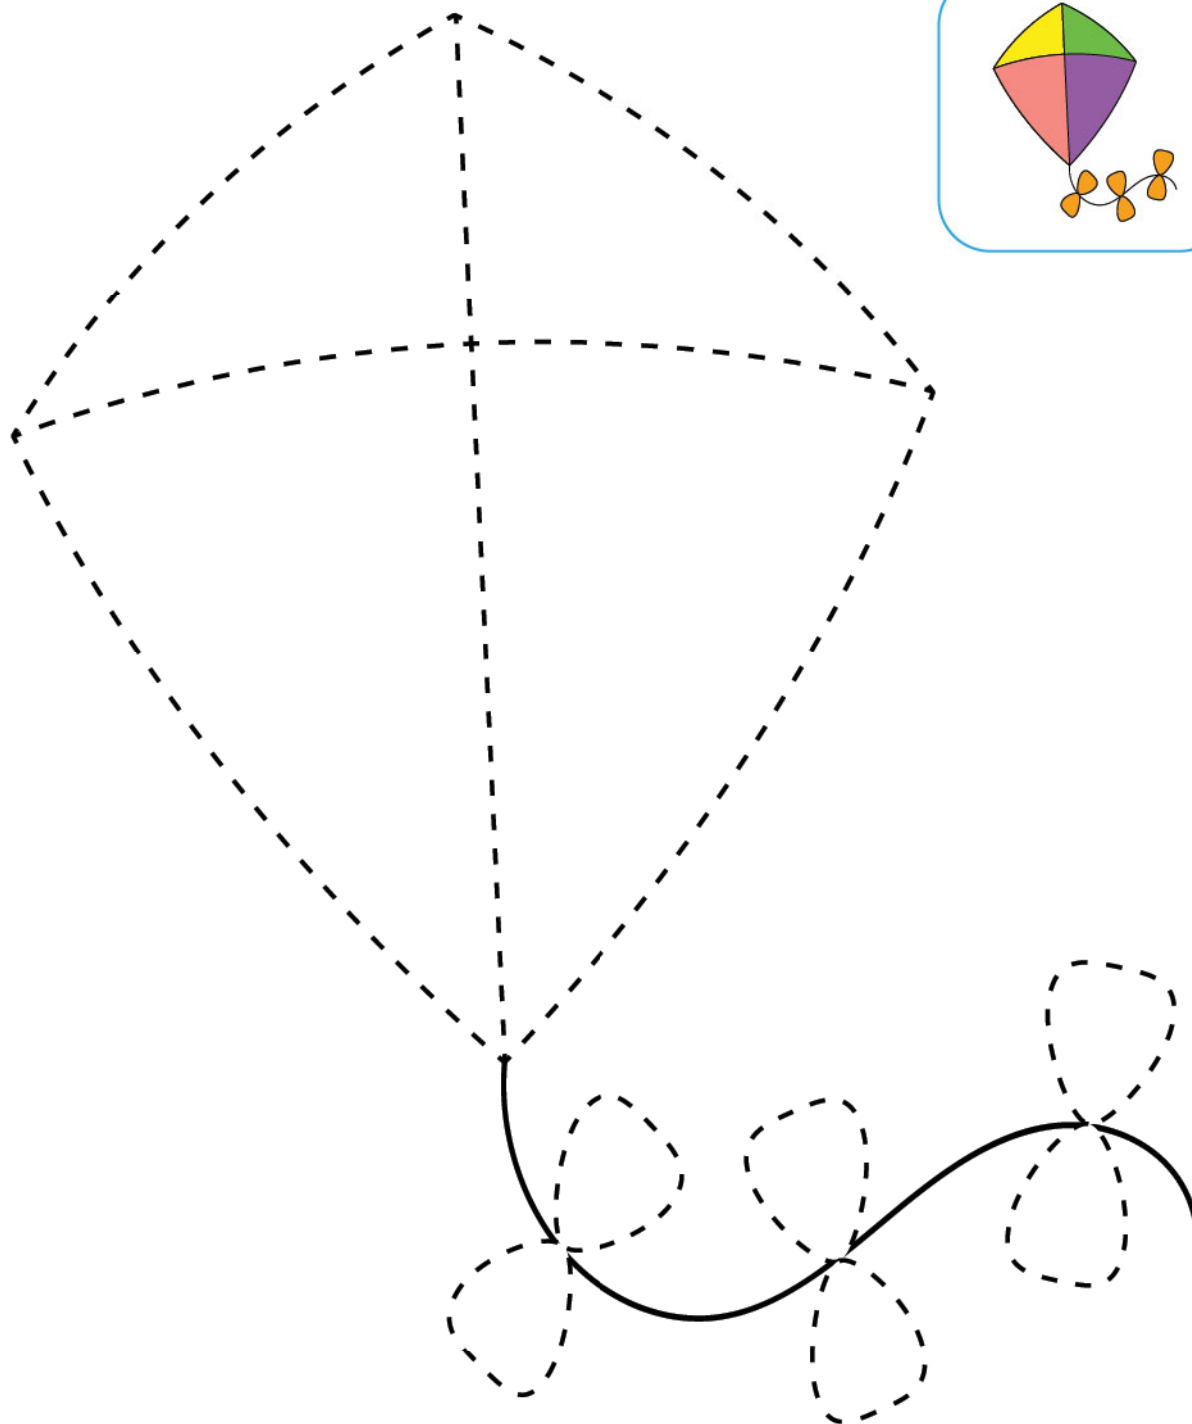

## Sponge Dabbing

Dip the sponge in paint and dab it on the caterpillar.

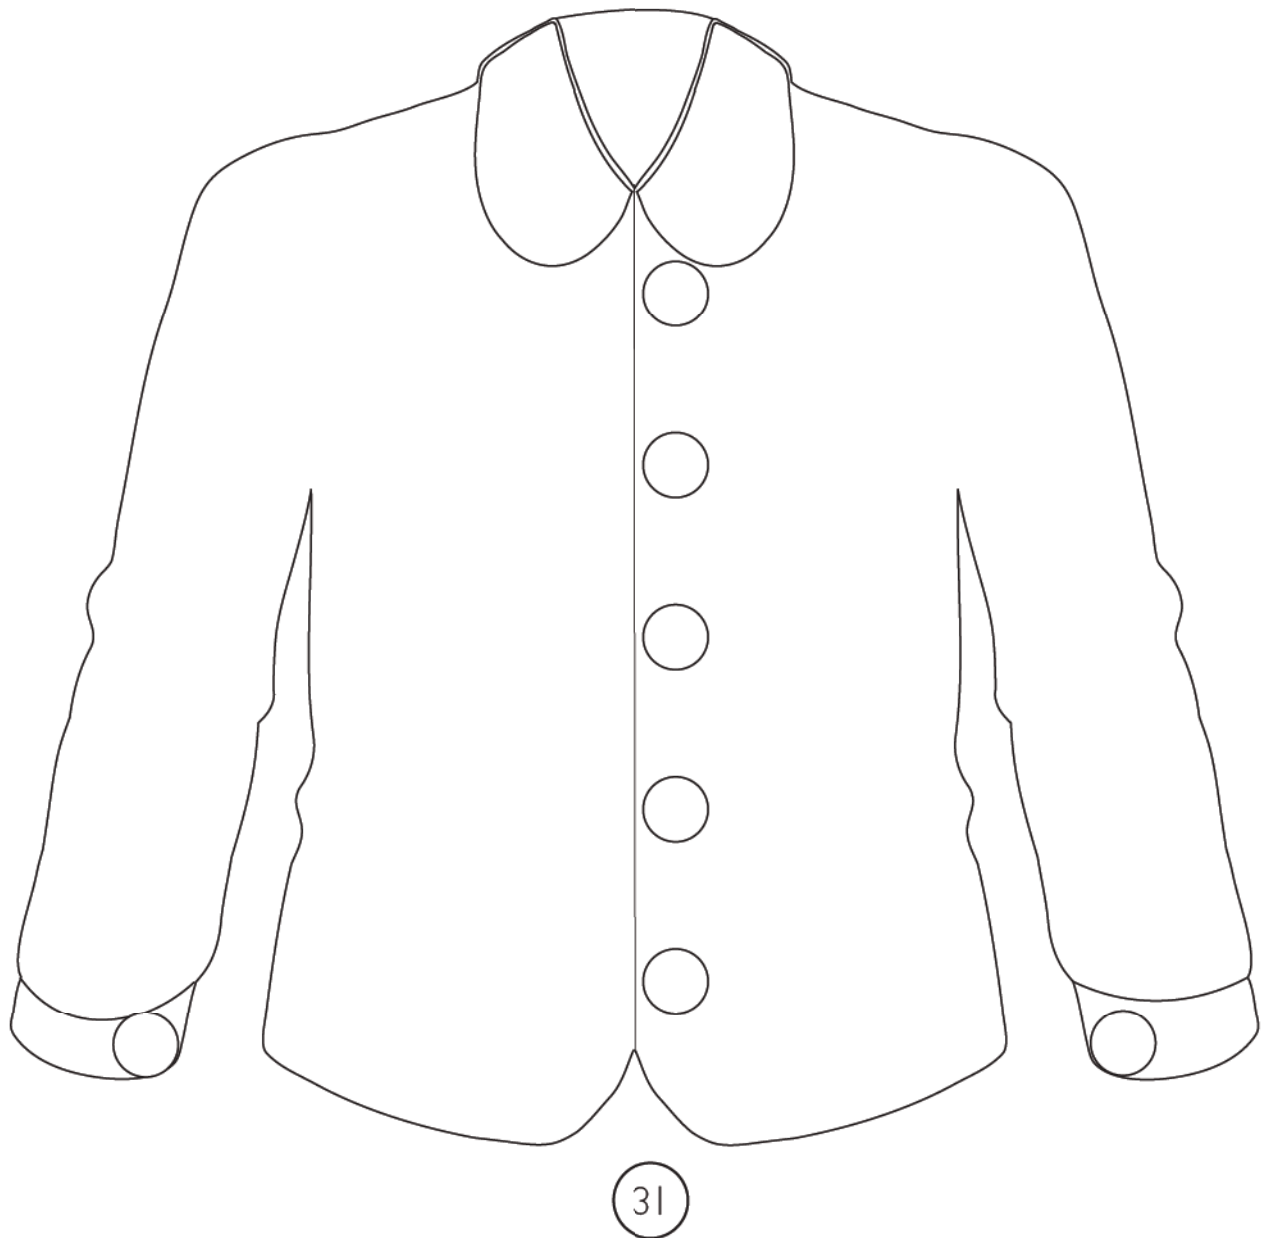

## Colouring Time

Trace and colour the kite.

## Craft Paper Shirt

Cut and crumple blue craft paper. Paste it on the shirt and stick buttons on the circles.

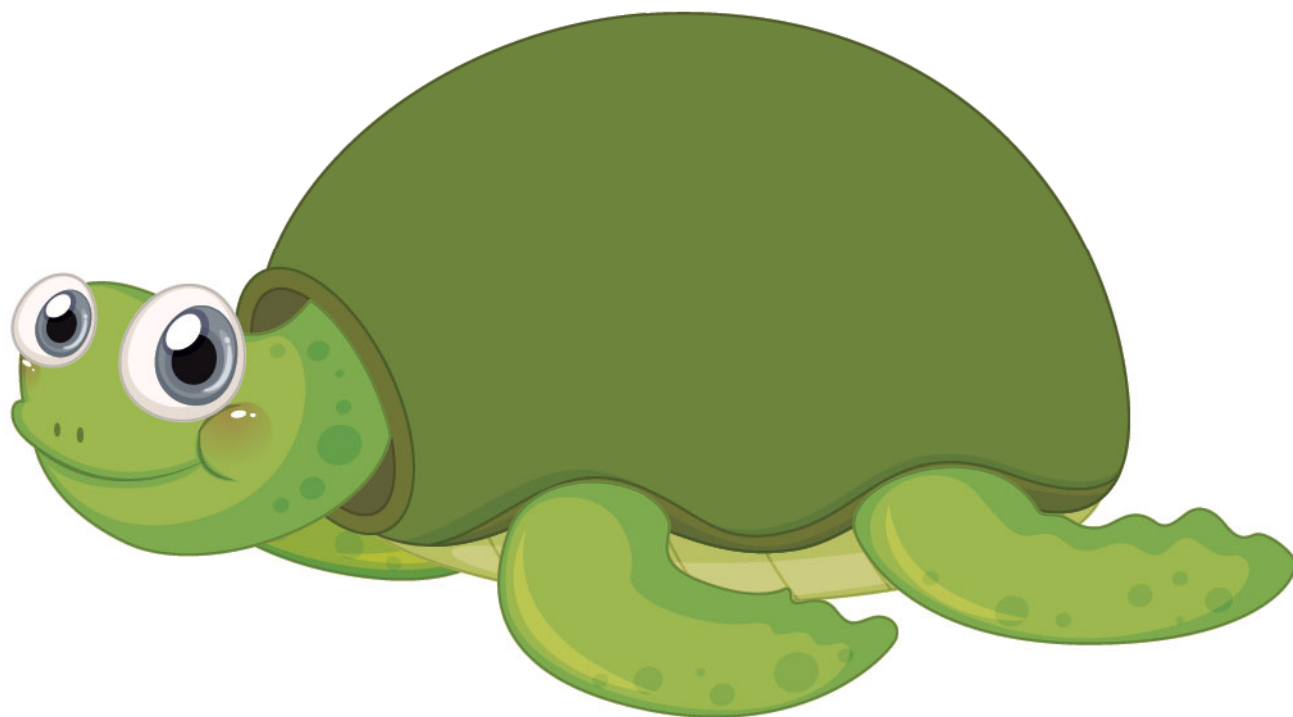

## Toothbrush Painting

Use a toothbrush to paint the night sky with white and yellow paint.

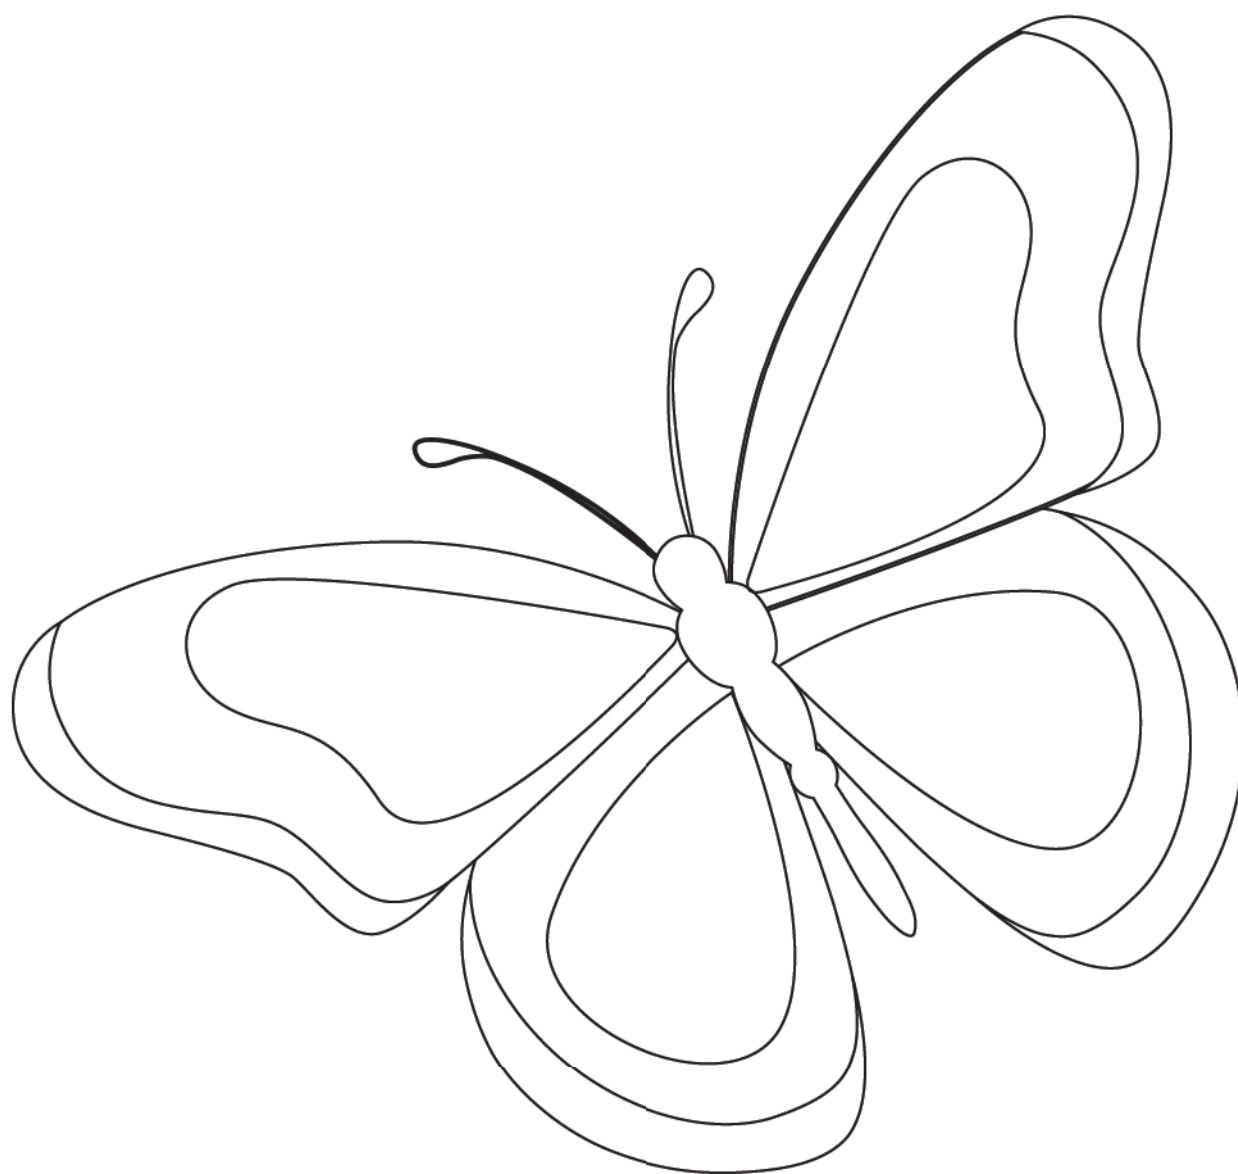

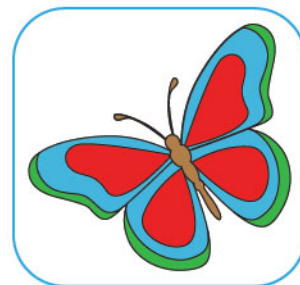

## Lady's Finger Printing

Dip a lady's finger in brown paint and stamp it on the turtle's shell.

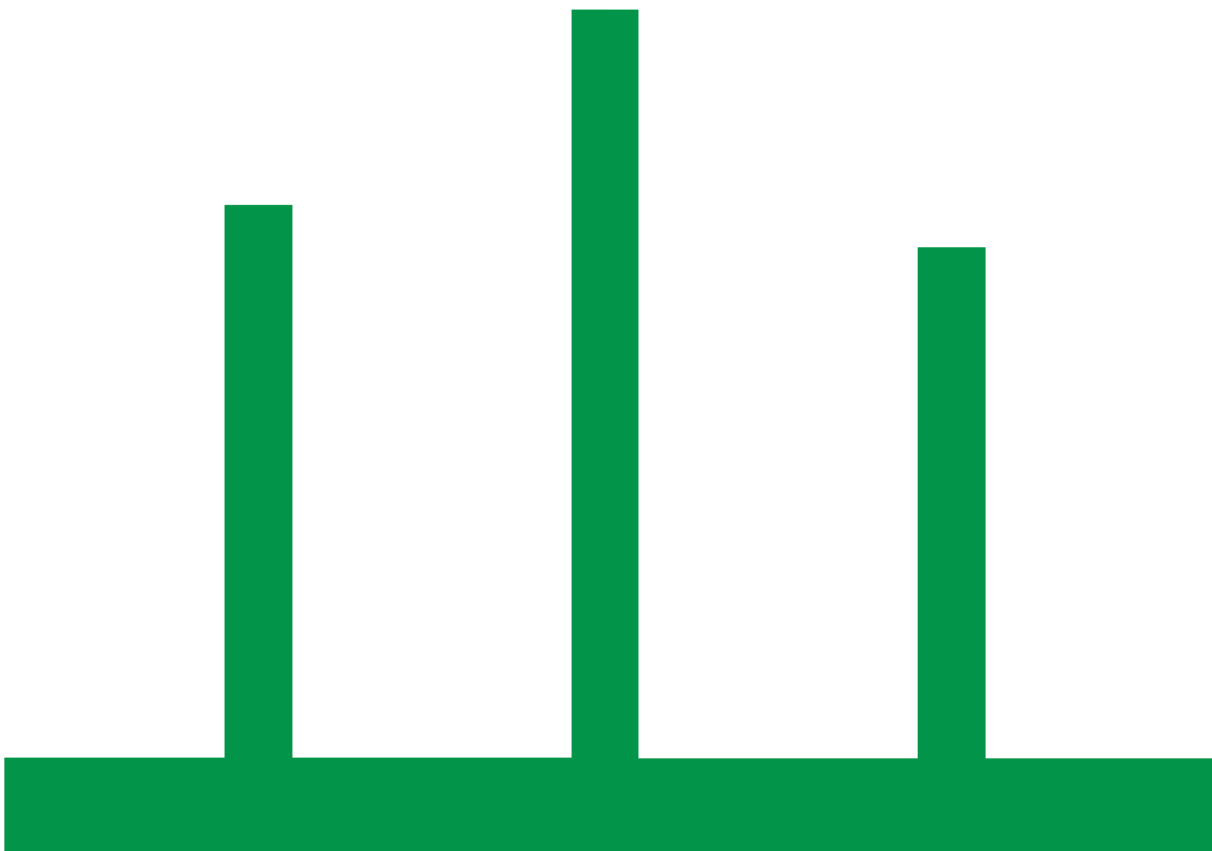

## Colouring Time

Colour the butterfly.

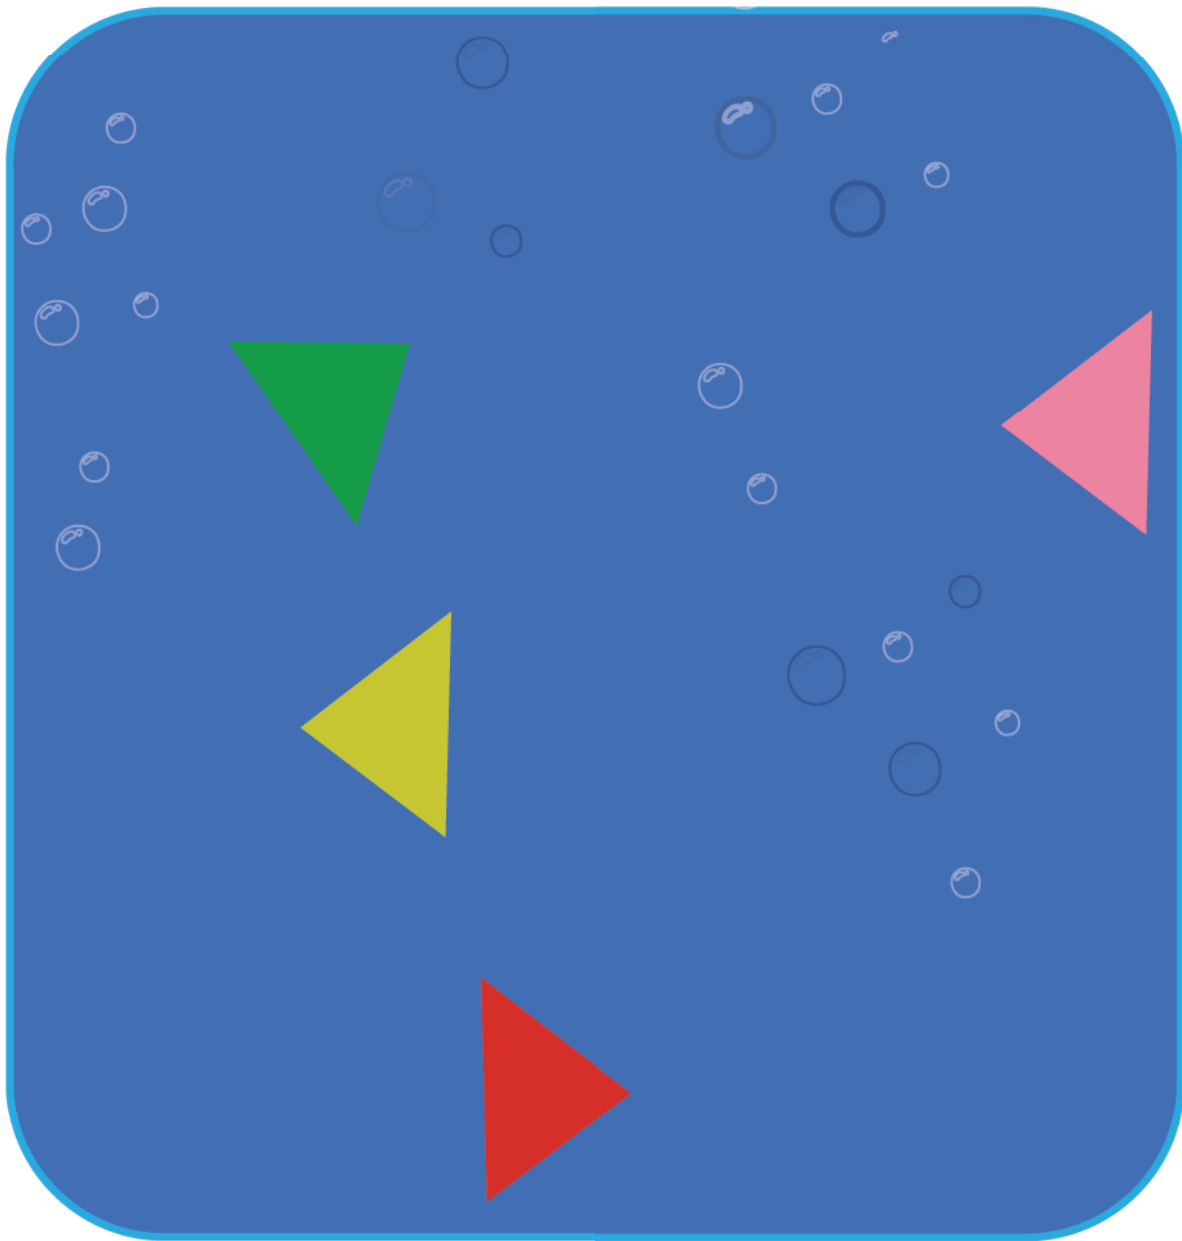

## Button Art

Arrange and glue the buttons to form the shape of a flower, as shown below.

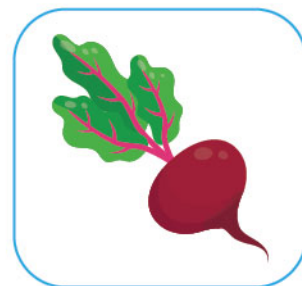

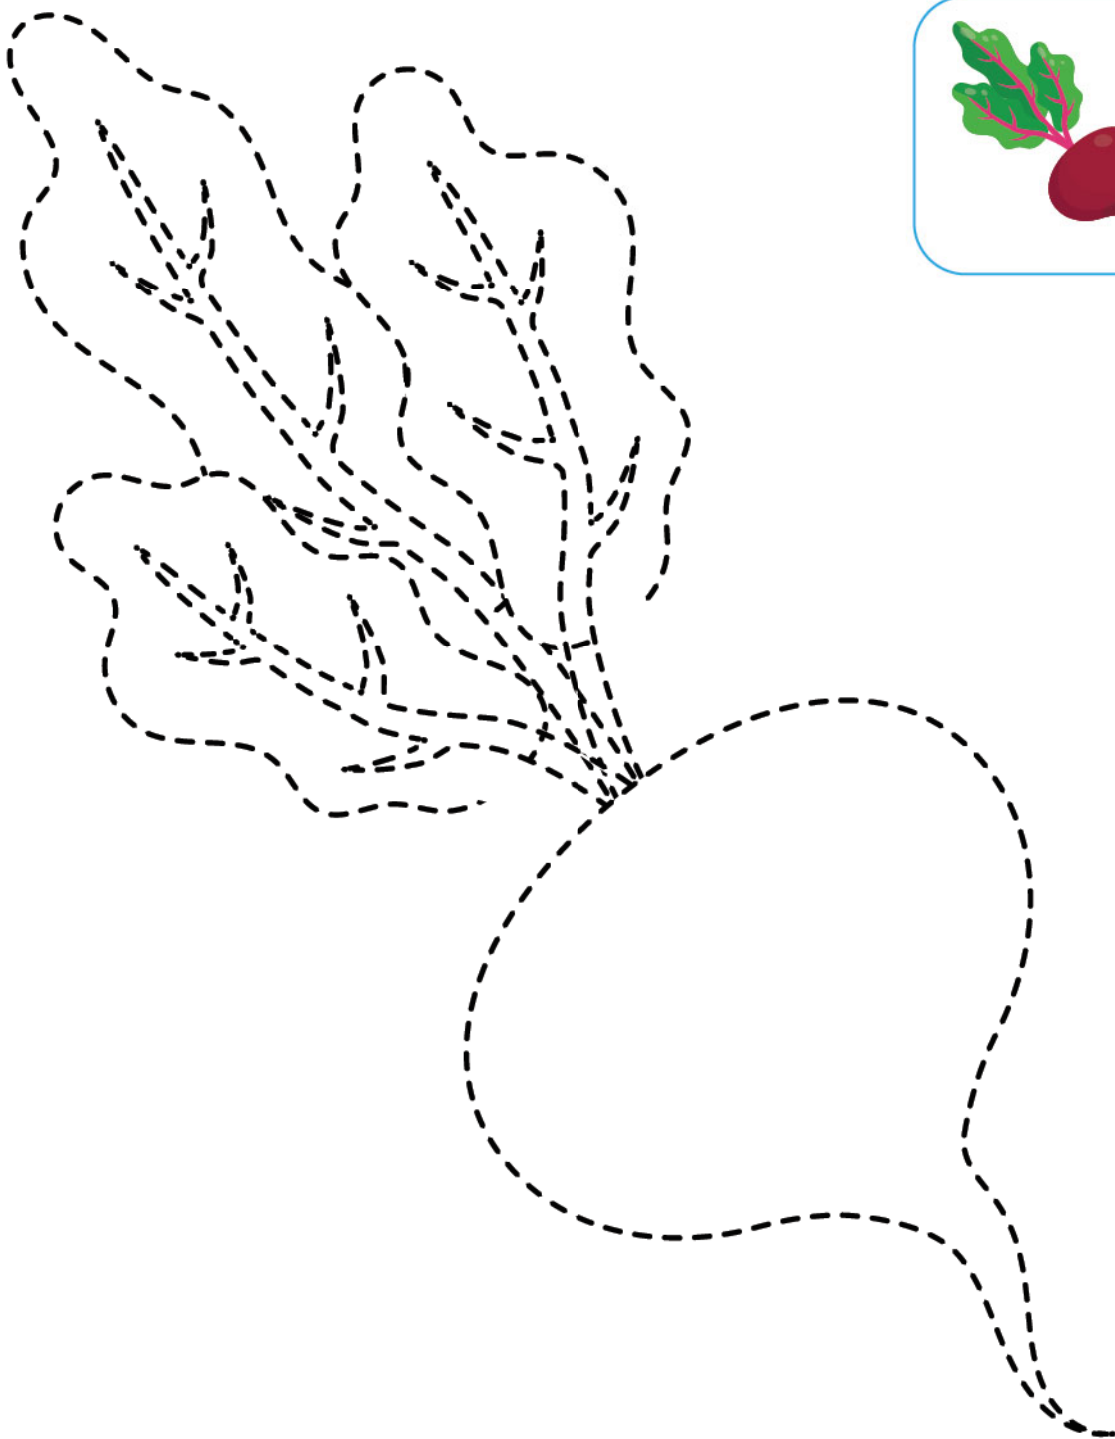

## Bottle Cap Art

Arrange and glue the bottle caps to form the shape of a fish, as shown below.

## Colouring Time

Trace and colour the beetroot

# Paper Plate Craft

Materials:

- Paint brushes
- Large paper plate
- Acrylic paint (red & green)
- Black beads
- Craft glue

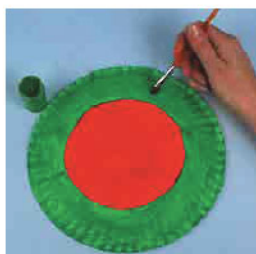

1

Paint the middle. Use red paint to colour the centre of the plate. This is the juicy part of the watermelon.

2

Paint the outside. Once dry, paint the edge of the plate green. This is the rind of the watermelon.

3

Add the seeds. Glue black beads onto the red part to make watermelon seeds.

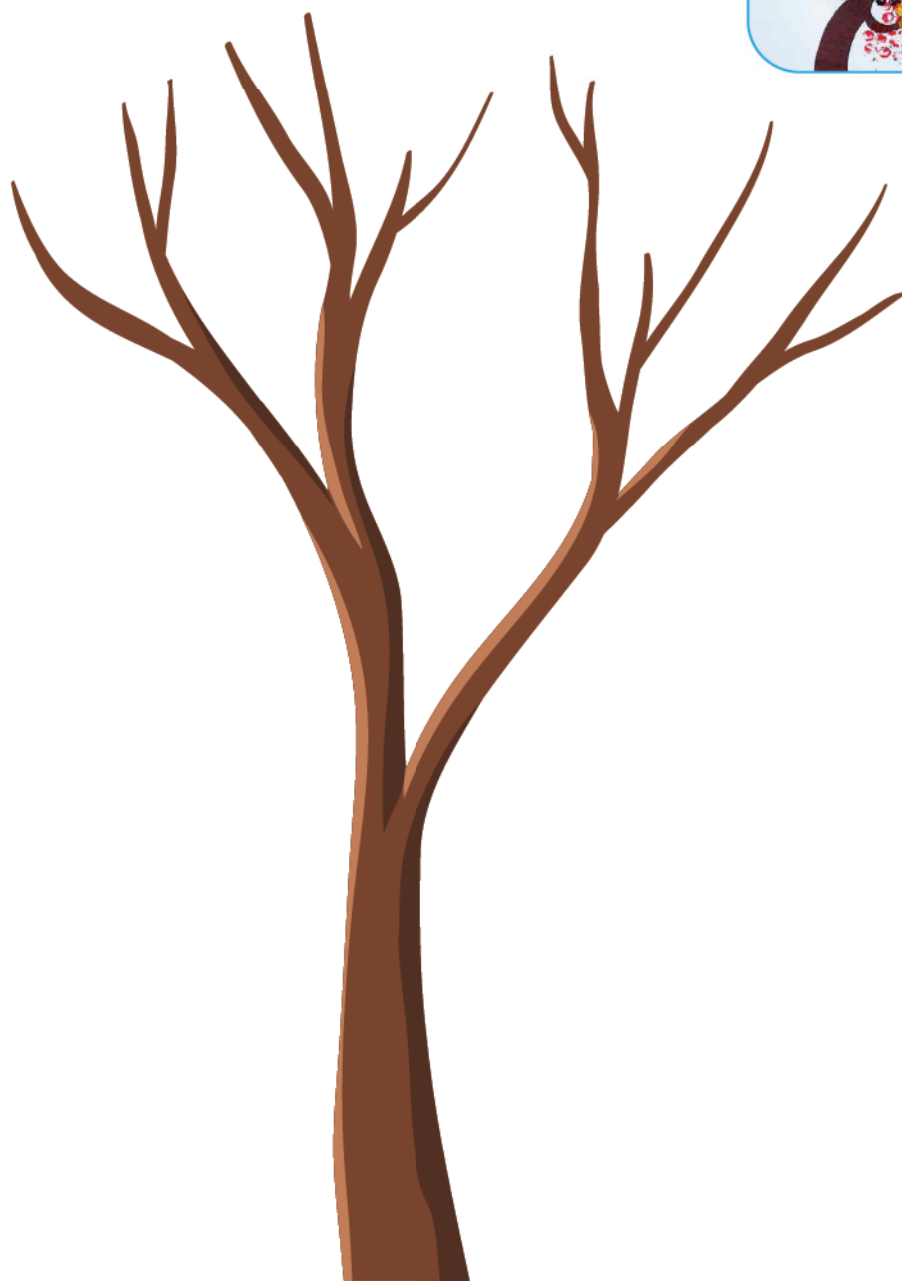

4

Fold and display! Once dry, fold the plate in half. If you crease it well, it can stand on its own! Now you have a fun watermelon decoration for summer.

## Bubble Wrap Printing

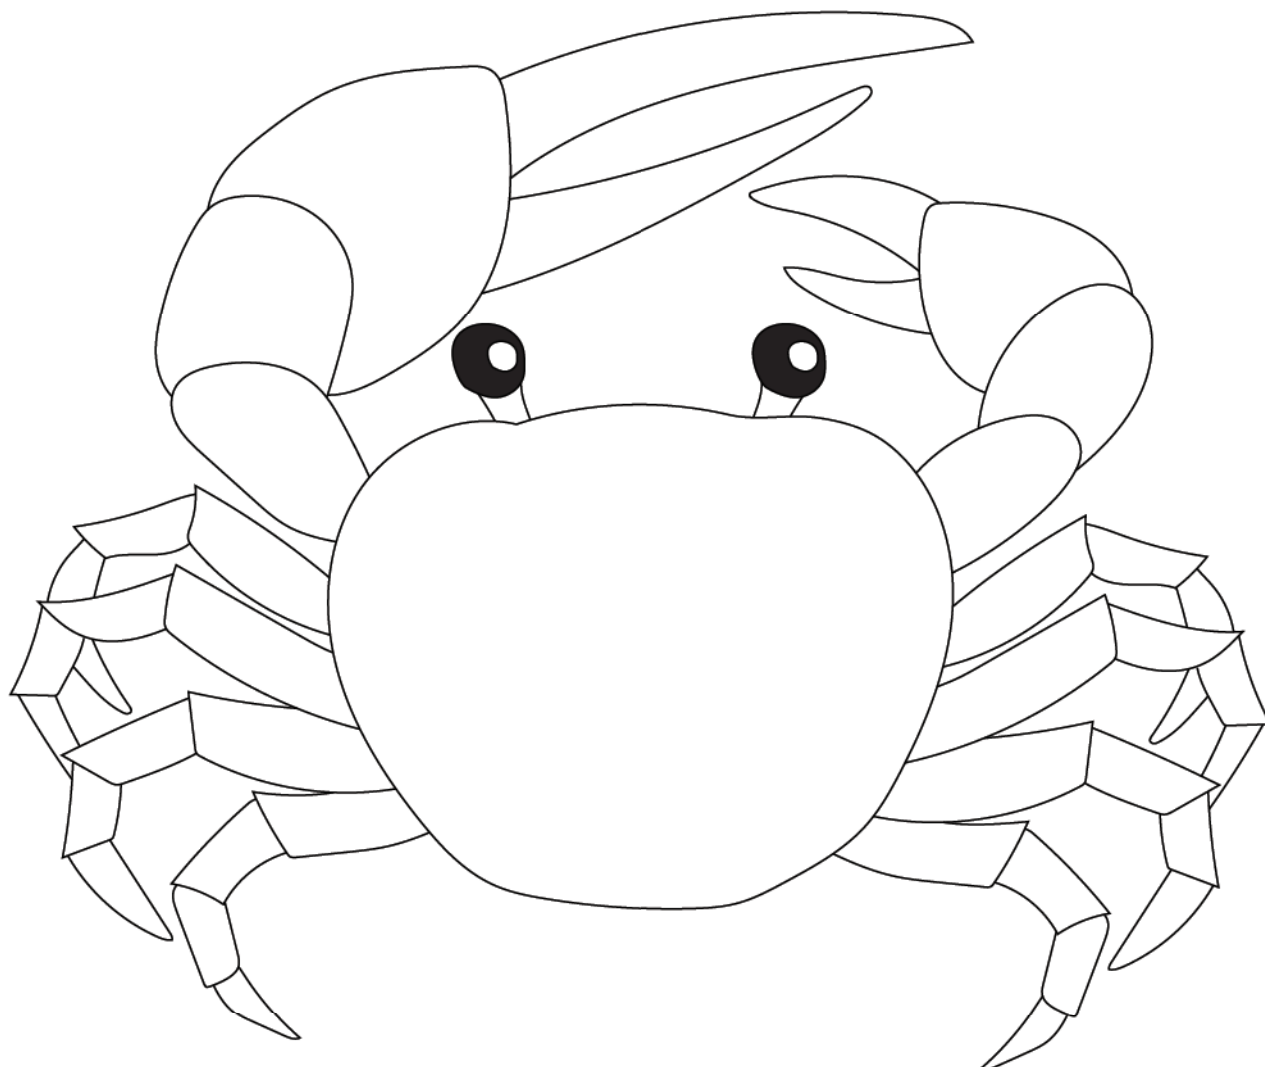

Paint bubble wrap with different colours.  
Press it on paper to make leaves.

## Colouring Time

Colour the crab.

## Scribbling Time

## Scribbling Time

## Scribbling Time
