All About Me

My name is _____

How old am I?

I am _____ years old

I am a Boy

I am a Girl

Activity

Draw lines to match the names with the correct body parts

Shoulder

Elbow

Wrist

Finger

Thumb

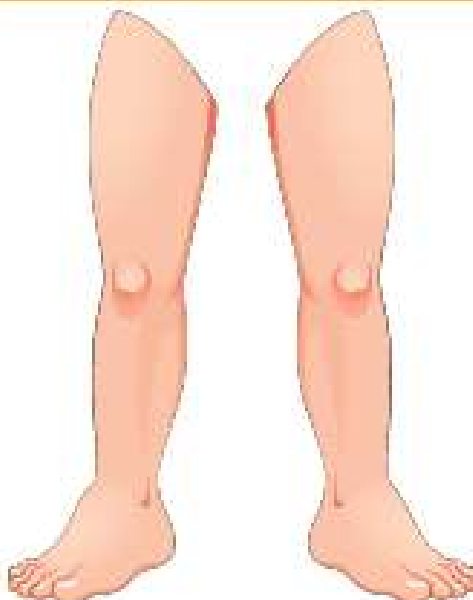

Thigh

Knee

Foot

Toe

Heel

Activity

Draw lines to match the names with the correct body parts

Eye

Nose

Mouth

Hand

Leg

Head

Ear

Neck

Elbow

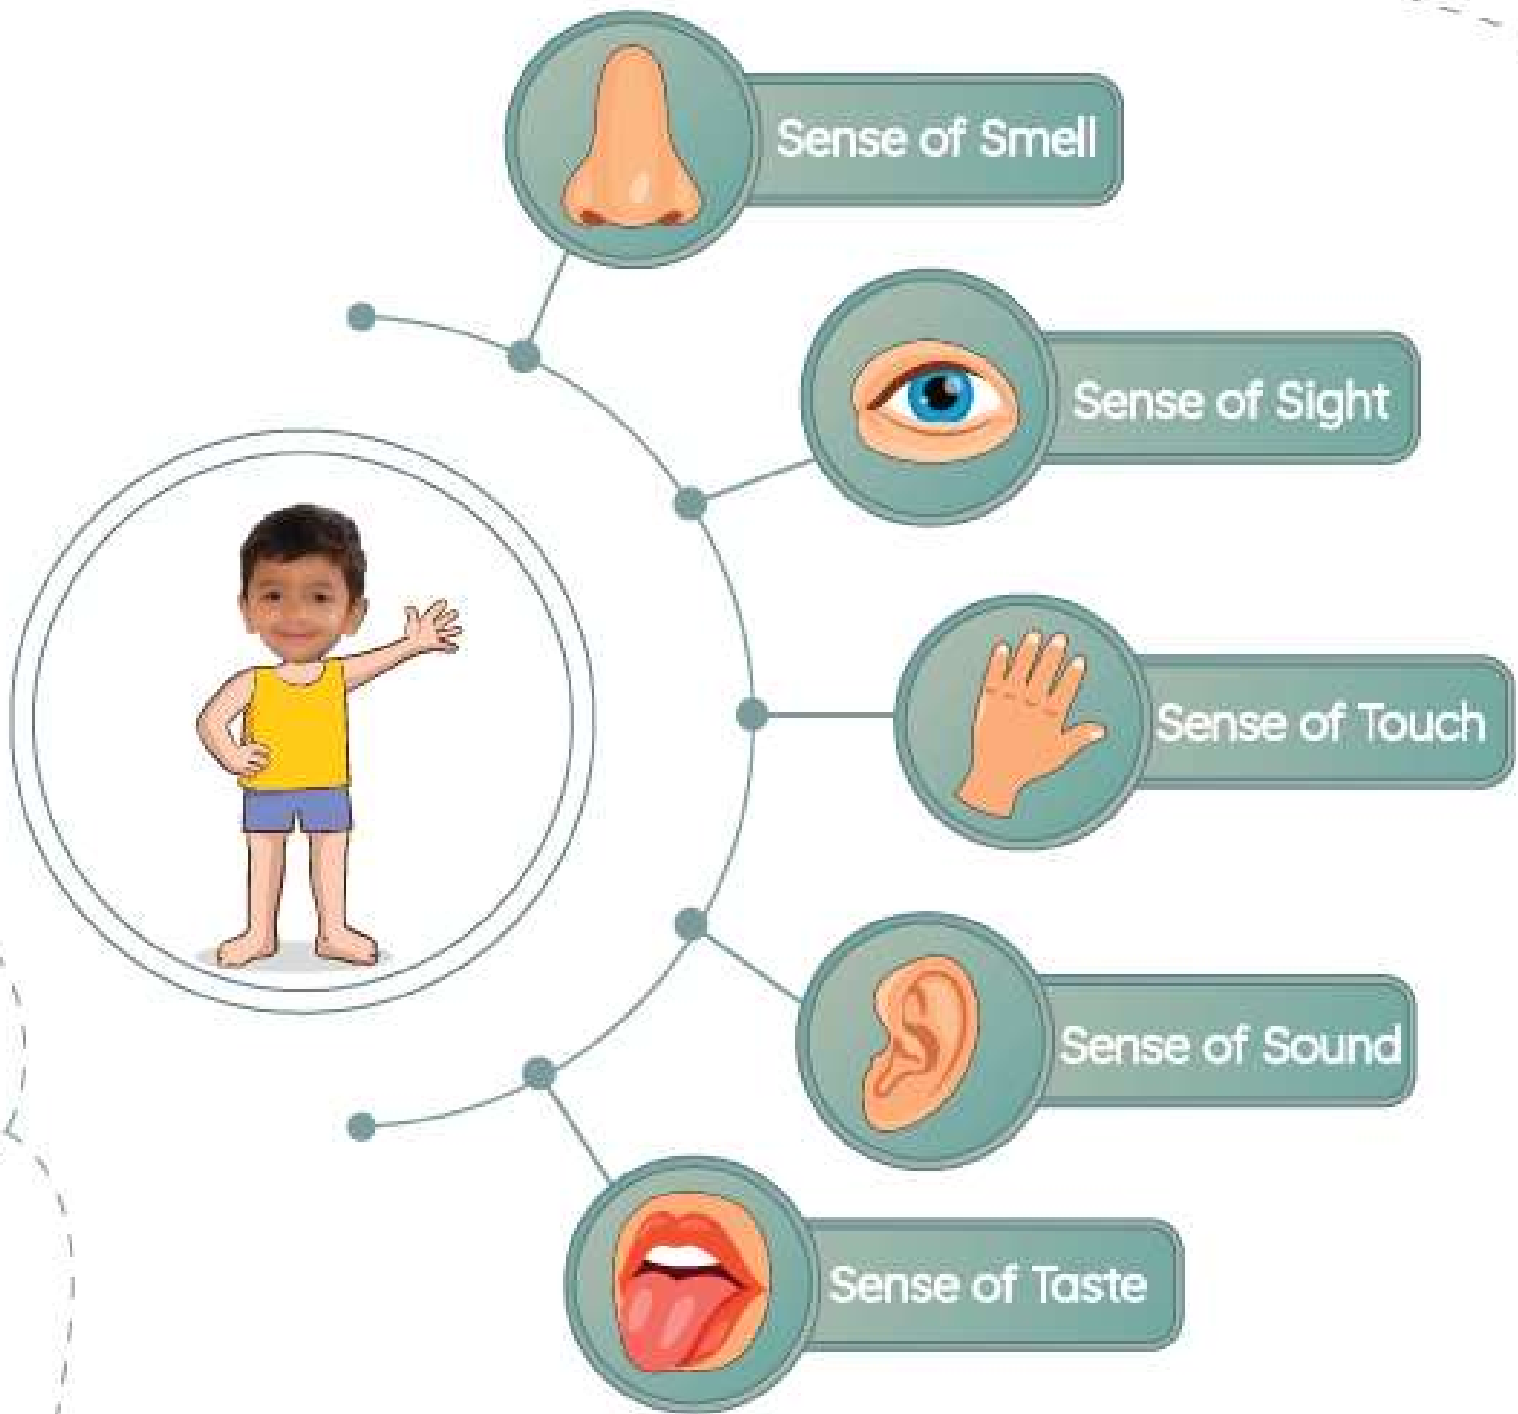

Foot

Sense Organs

There are 5 sense organs in our body

Activity

Write the first letter of the five sense organs.

_____ yes

_____ ose

_____ ars

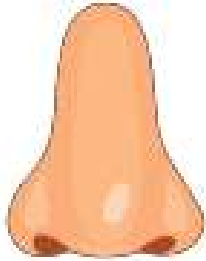

_____ ongue

_____ kin

Eyes, Nose, Ears, Tongue, Skin

Activity

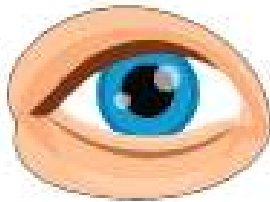

Match the following

nose

•

• To Feel

eyes

•

• To Taste

skin

•

• To See

ears

•

• To Smell

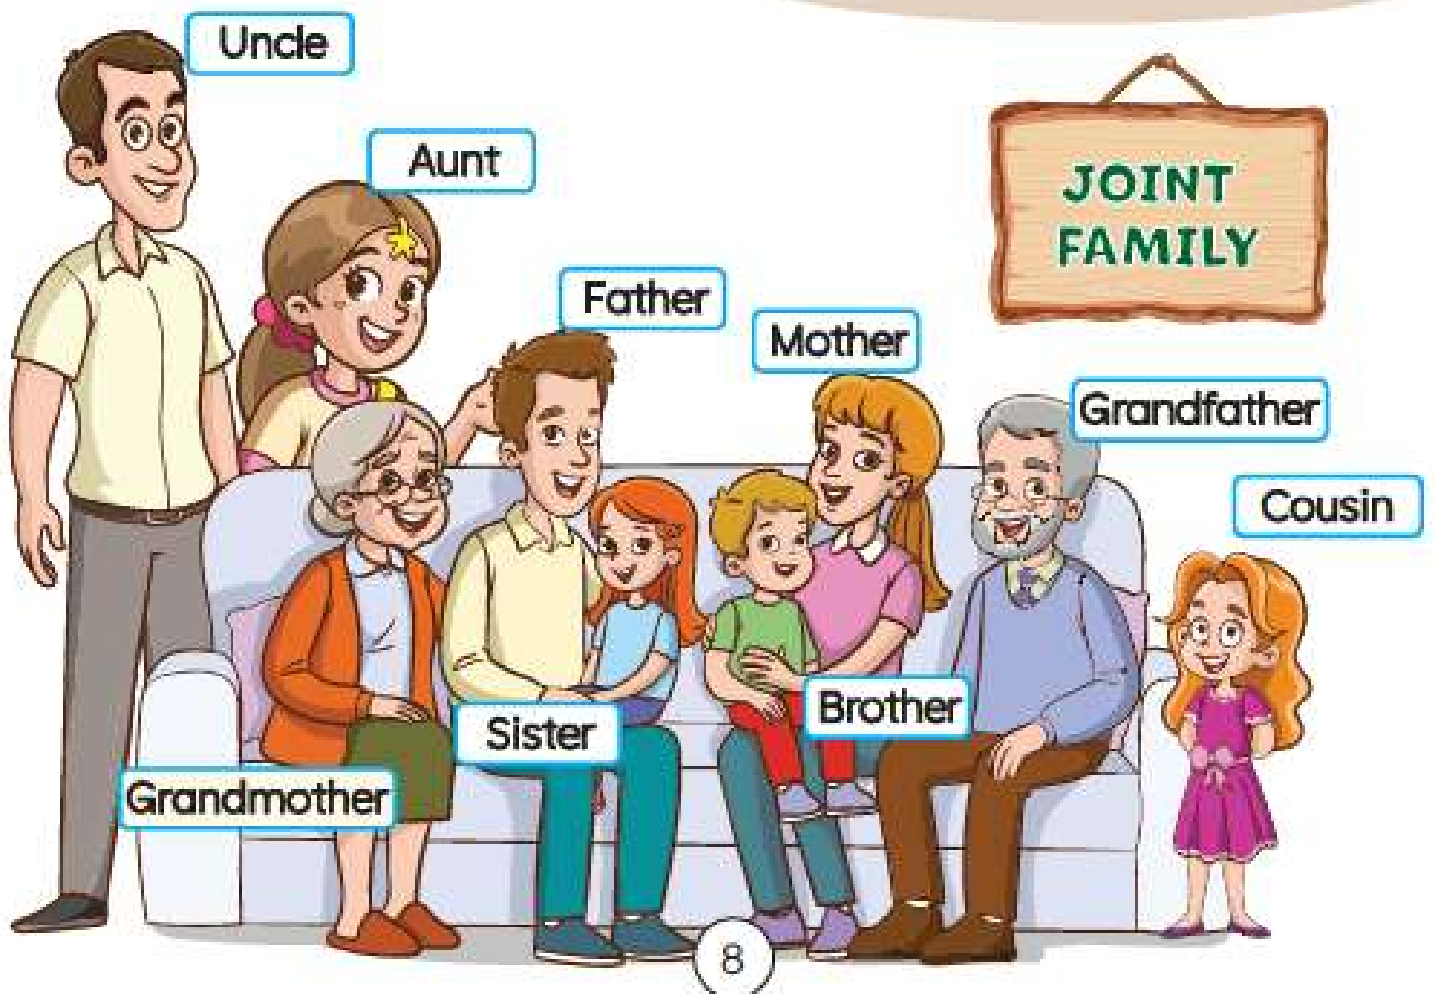

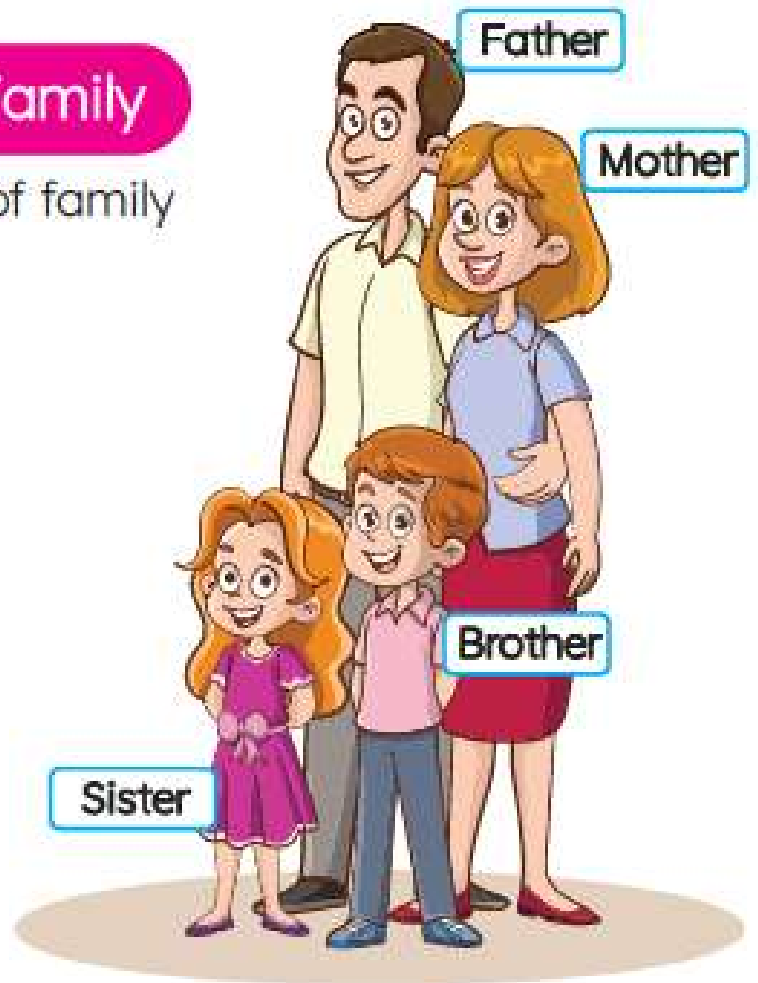

tongue

•

• To Hear

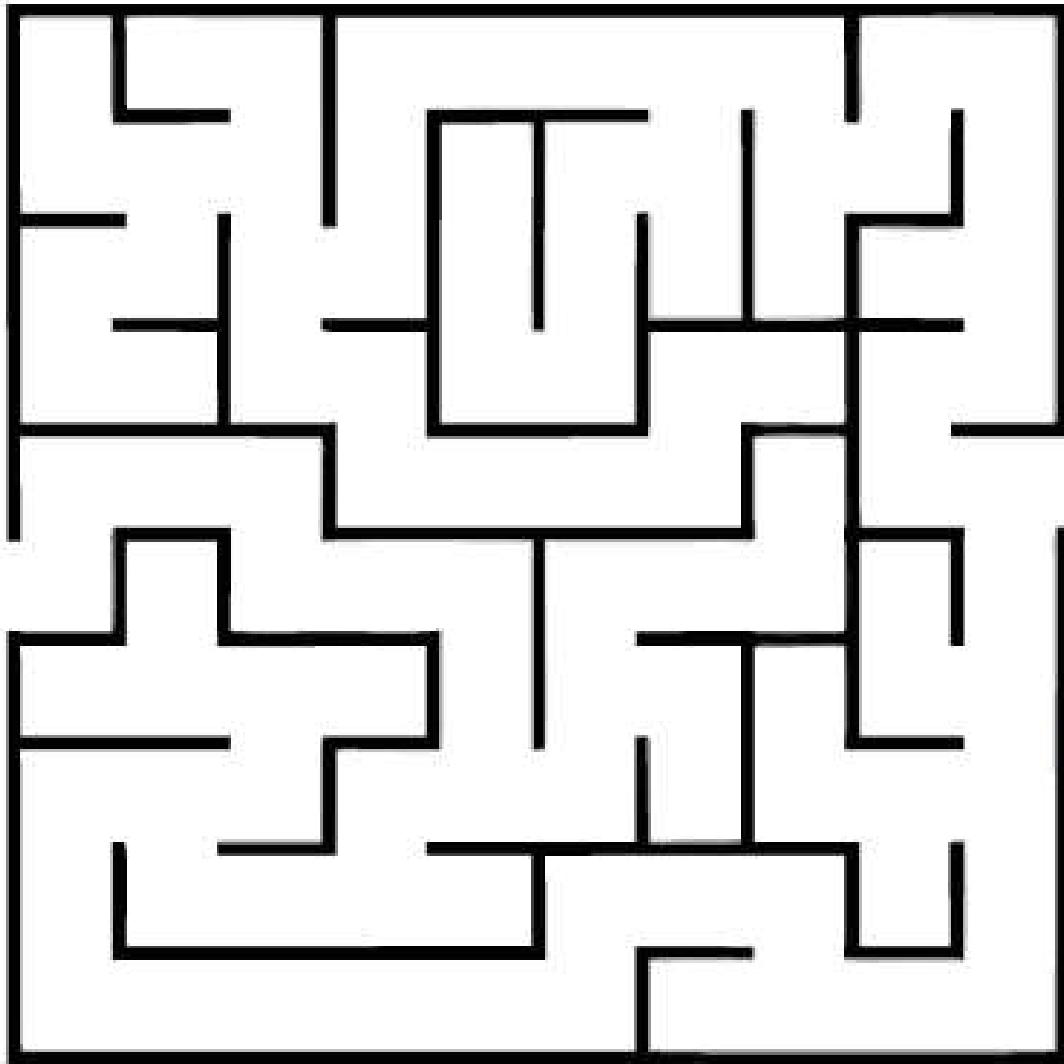

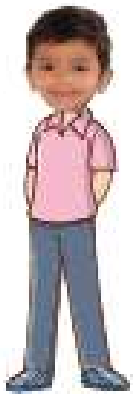

My Family

Types of family

Activity

Help the child reach their family.

Activity

Tick (✓) the activities you do with your family

Eat together

Go shopping

Travel together

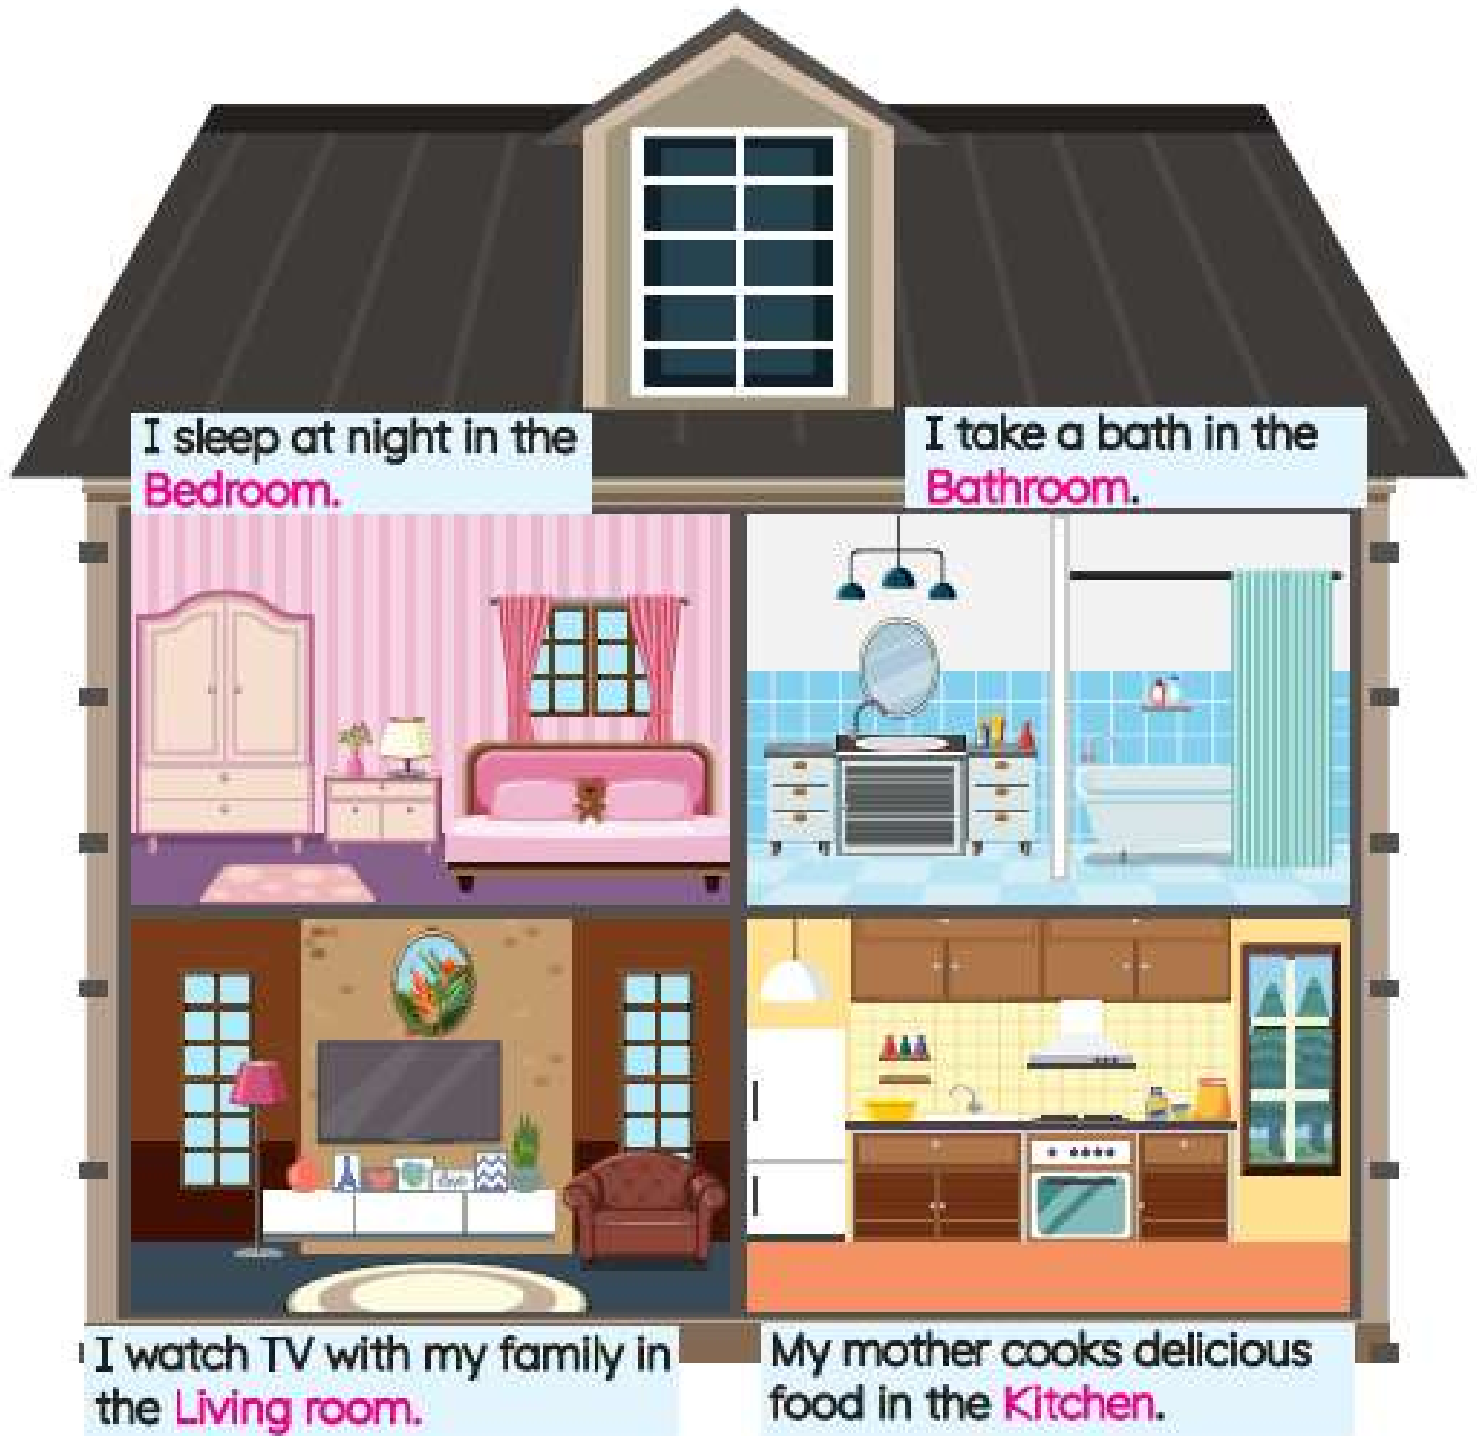

Play games together

Read together

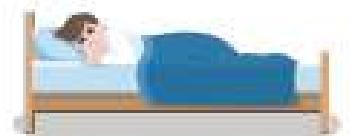

Different rooms in a House

Activity

Match the rooms of the house with the materials and activities done in that room.

My School

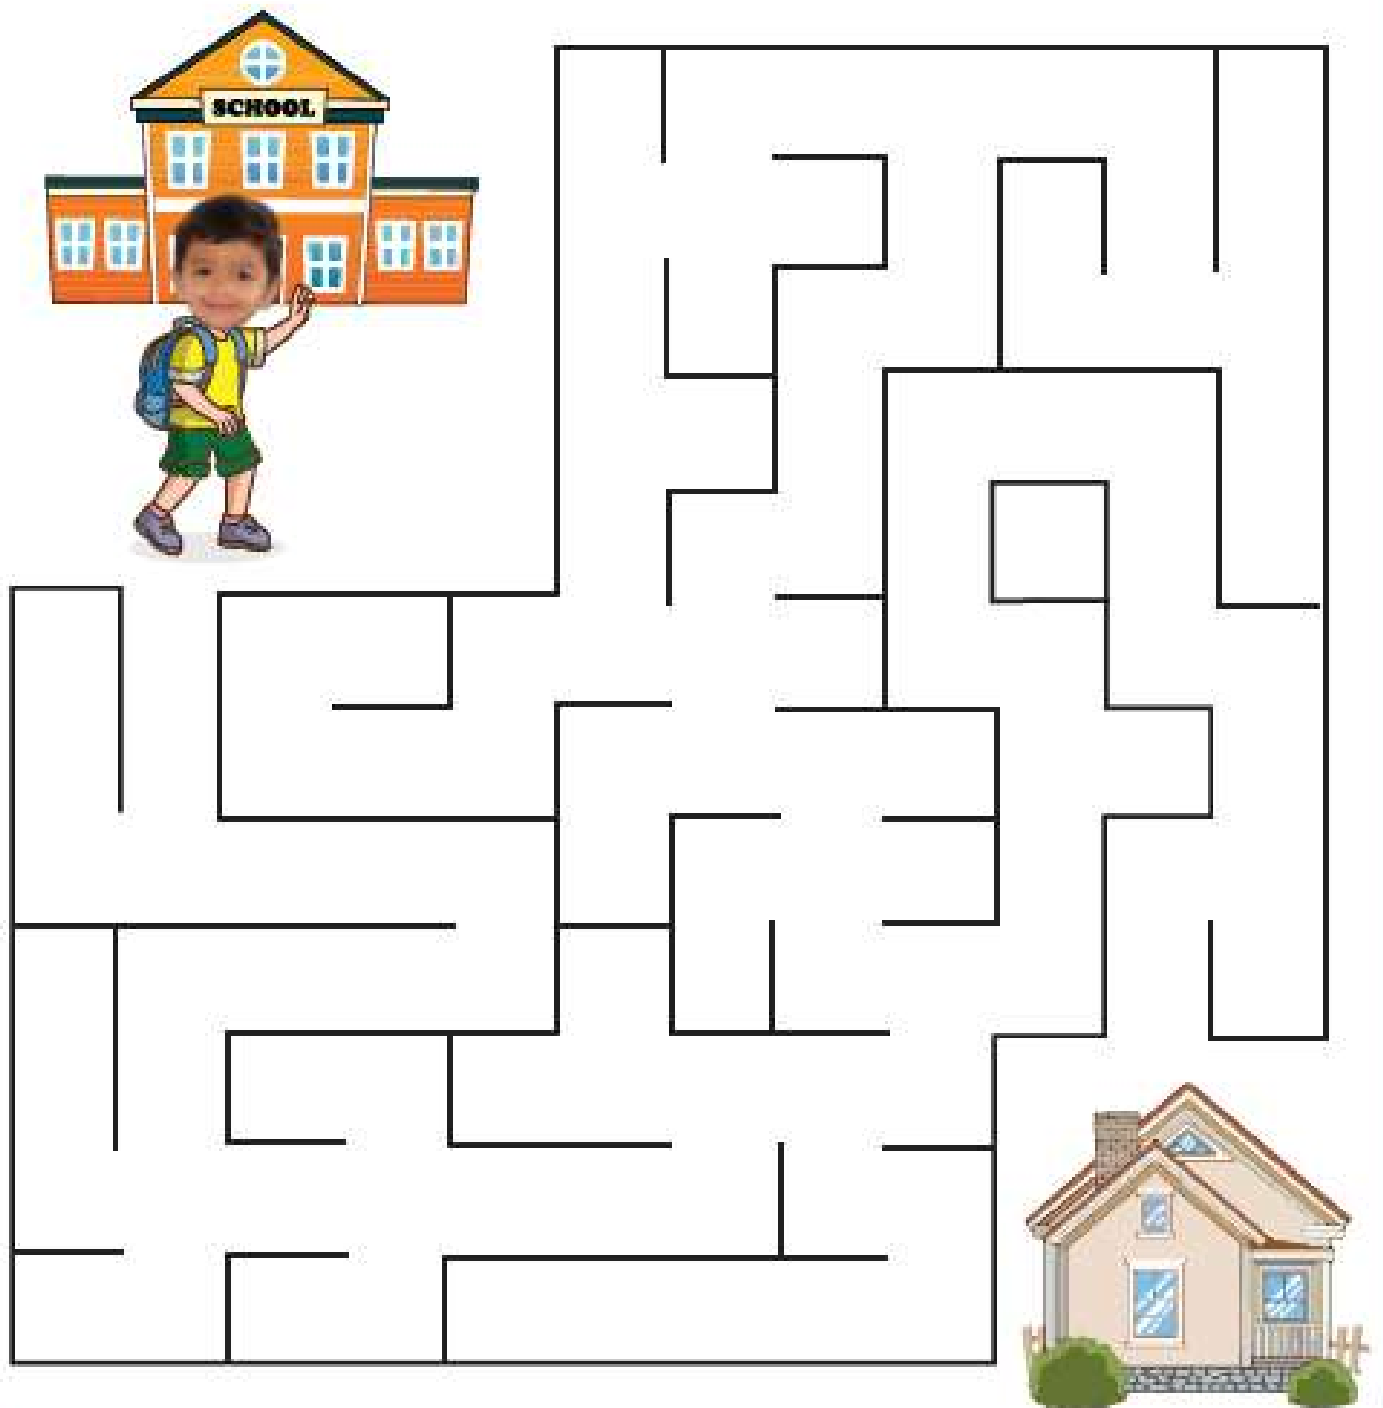

Activity

Colour the school bus.

Activity

Help the child reach home

School

Different rooms in a school

Classroom

Library

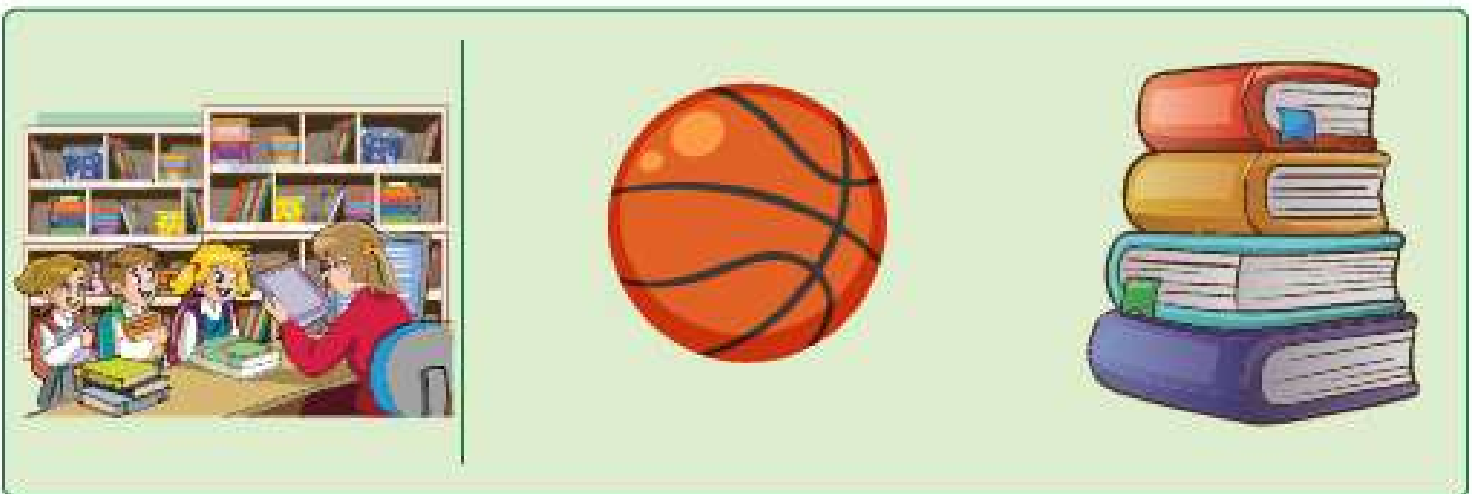

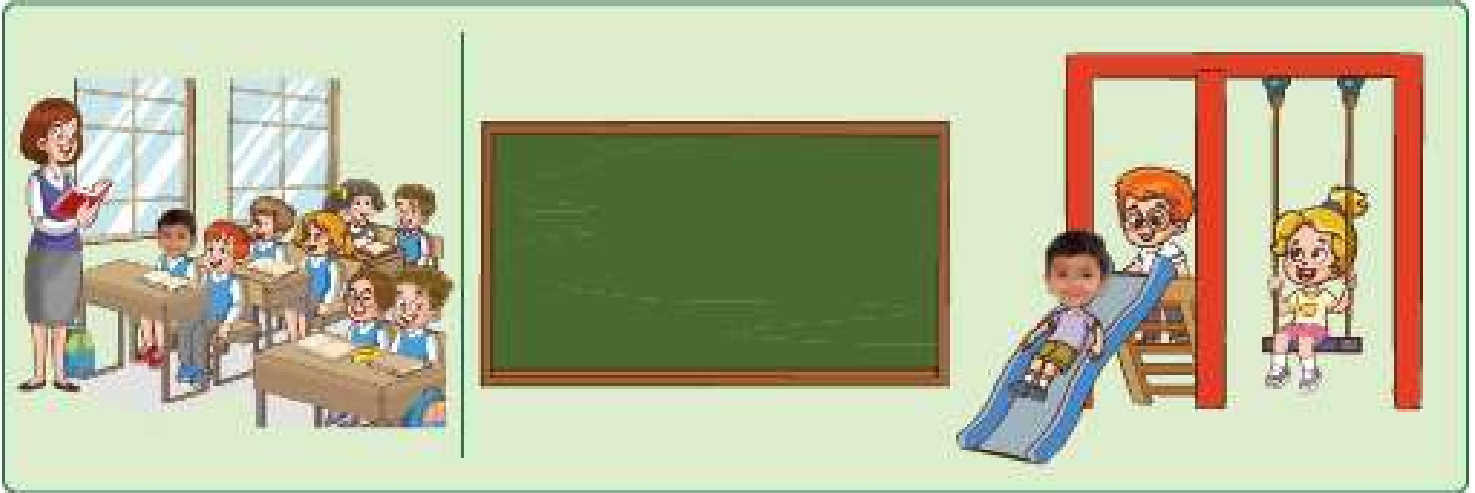

Play area

Principal office

Activity

Circle the object that you see in each room.

Good manners in school

Safety rules at school

Do not climb or stand on a desk

Do not run up and down the stairs

Do not run in the classroom

Do not push anyone

Walk in a line

Activity

Cross (X) out unsafe actions given below

☐

Know all the emergency exit points

☐

Do not poke others with a pencil

☐

Do not push anyone

☐

Keep the classroom neat and clean

☐

Walk in line

Golden Words

Thank you, sorry, please, excuse me and may I are magic words. Using magic words shows good manners.

Activity

Match the following

Excuse Me

Please

Sorry

Thank You

Healthy and Unhealthy Food

Healthy food

Vegetables

Milk

Nuts

Cheese

Pulses

Fruits

Unhealthy food

Burger

Chocolate

Toffees

French fries

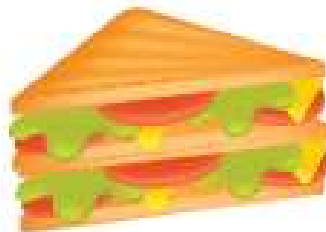

Sandwich

Cake

Activity

Identify the picture and write 'H' for healthy foods and 'J' for junk foods.

Plants

Parts of a plant

Leaf

Flowers

Fruits

Stem

Roots

Activity

Trace and match the following

Flower

Fruit

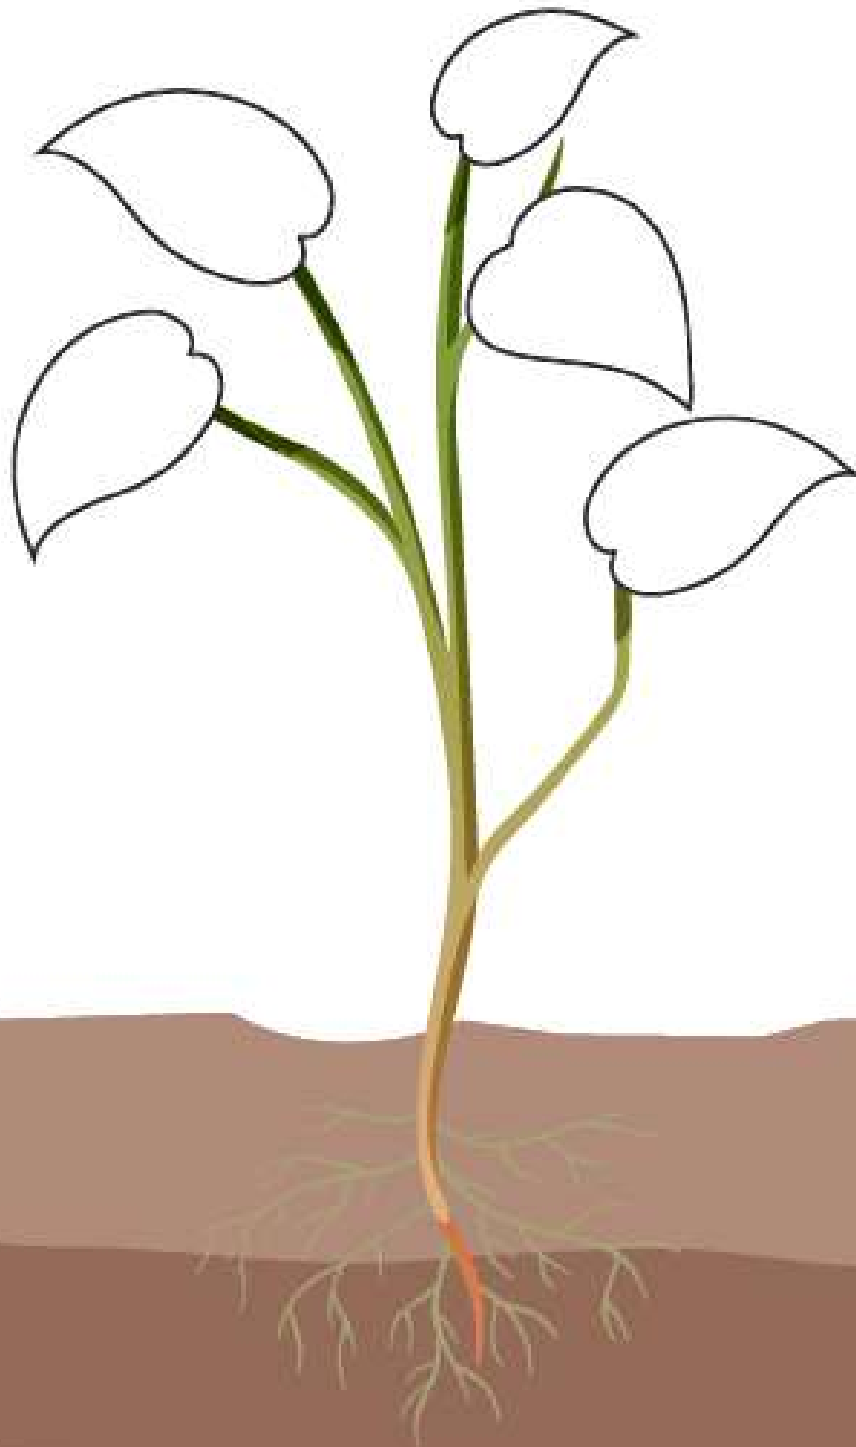

Roots

Stem

Leaf

Activity

Collect and stick real leaves for the foliage and use coconut coir for the roots.

Things a plant needs to grow

Water

Soil

Sunlight

Air

Space to grow

Activity

Circle the things a plant needs to grow

Candy

Sunlight

Soil

Water

Balloon

Fence

Air

Kennel

Flowers

Rose

Sunflower

Daffodil

Lotus

Marigold

Hibiscus

Tulip

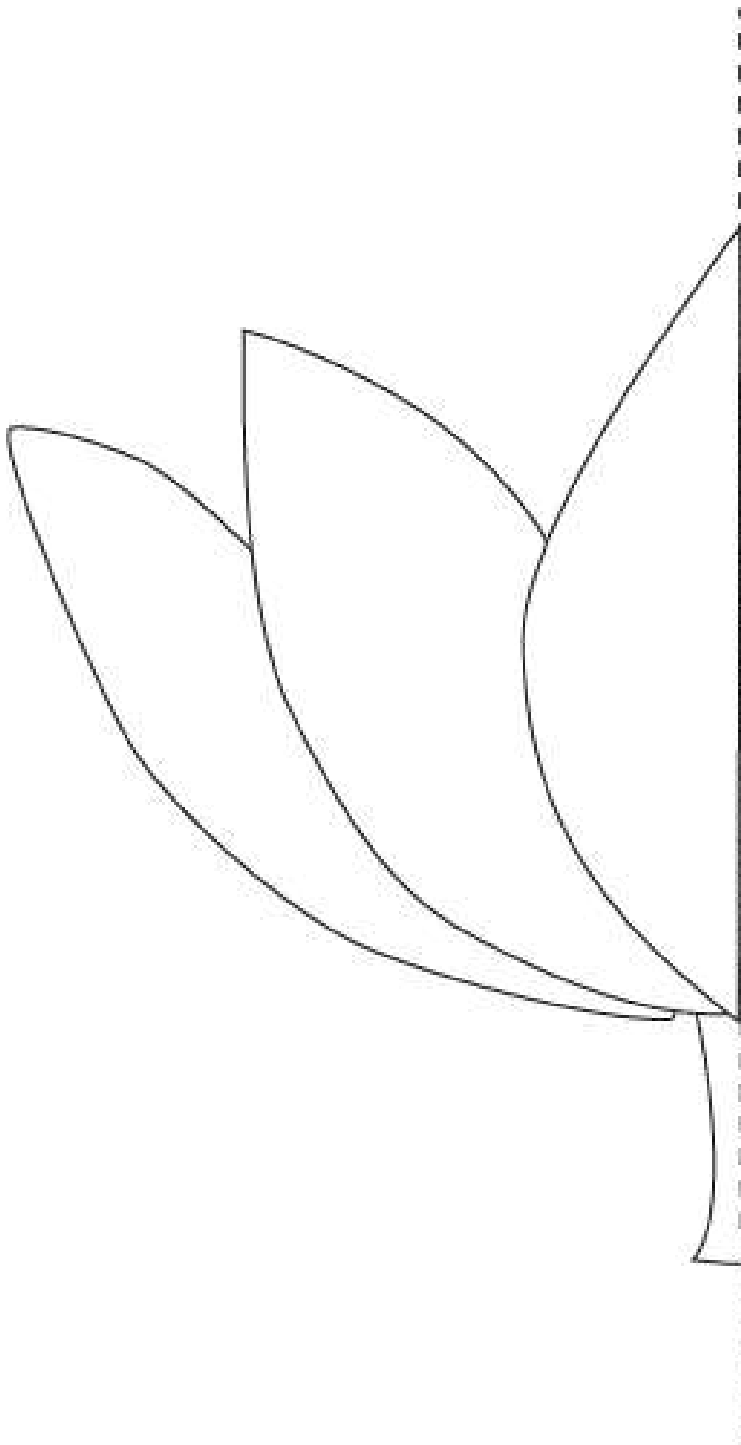

Periwinkle

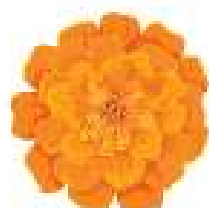

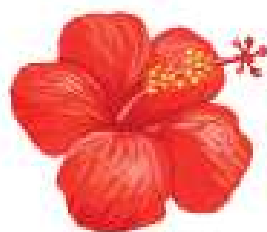

Activity

Complete the picture and colour it

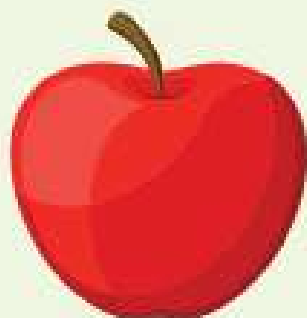

Activity

Match the identical flowers

Fruits

Apple

Pomegranate

Watermelon

Orange

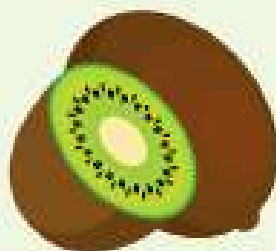

Pineapple

Mango

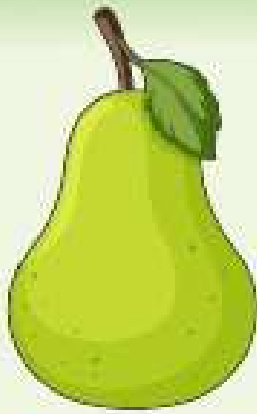

Grapes

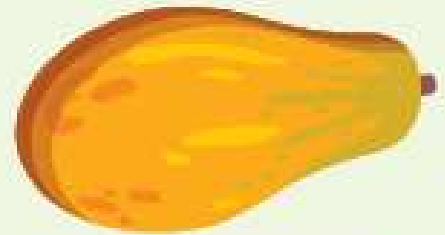

Kiwi

Cherry

Pear

Papaya

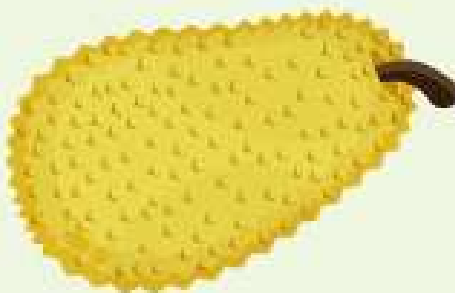

Guava

Peach

Strawberry

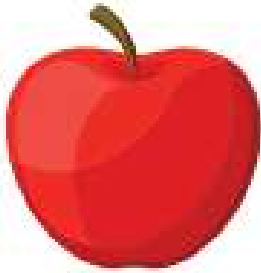

Jackfruit

Plum

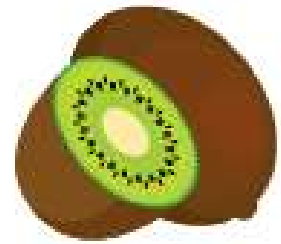

Activity

Colour the correct name

Apple

Papaya

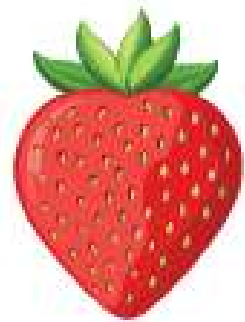

Mango

Kiwi

Cherry

Grapes

Strawberry

Pineapple

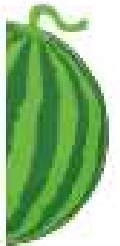

Plum

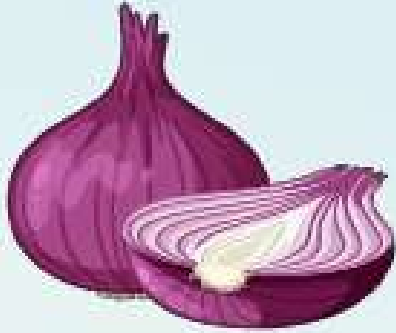

Orange

Activity

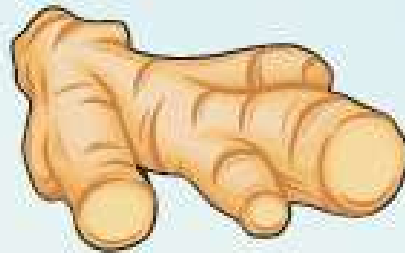

Draw a line to match each picture with its half

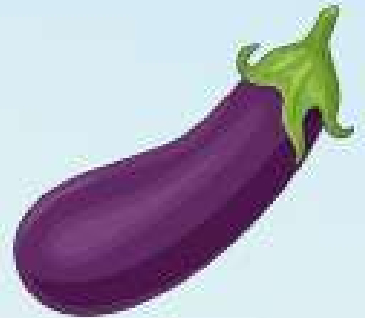

Vegetables

Onion

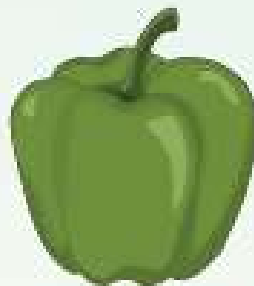

Ginger

Brinjal

Carrot

Capsicum

Cabbage

Tomato

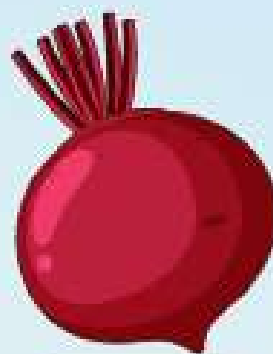

Cucumber

Cauliflower

Pumpkin

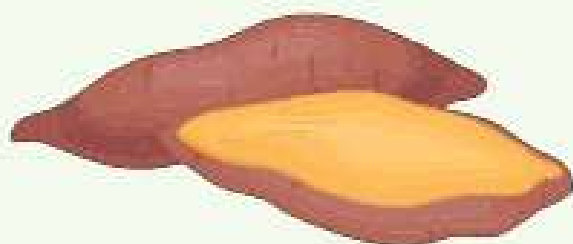

Beetroot

Garlic

Chilli

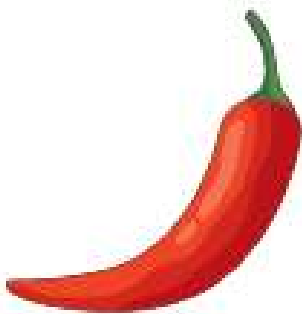

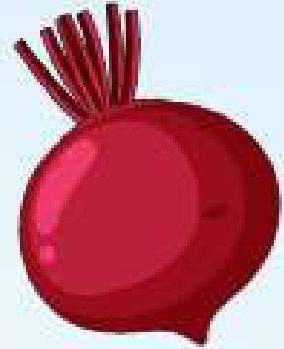

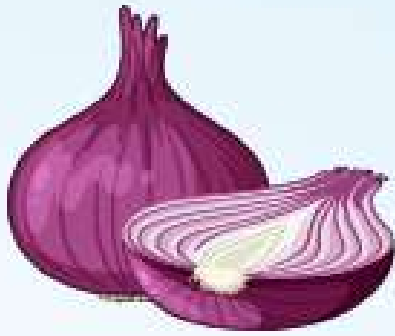

Yam

Potato

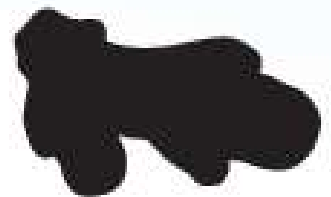

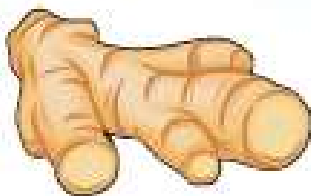

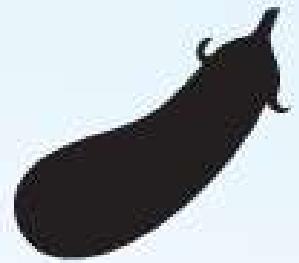

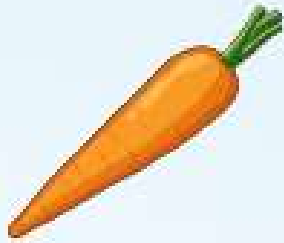

Activity

Circle the vegetables that you eat

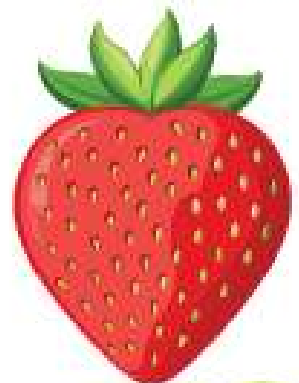

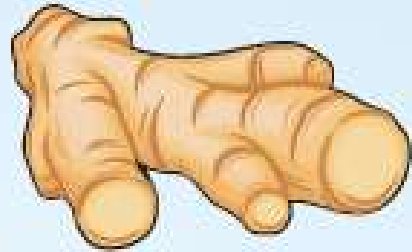

Activity

Match each vegetable with its shadow

Activity

Tick (✓) the vegetables and circle the fruits

Domestic Animals

Rabbit

Cat

Dog

Buffalo

Cow

Sheep

Horse

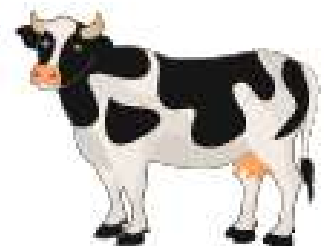

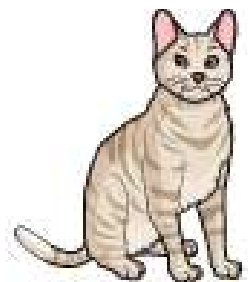

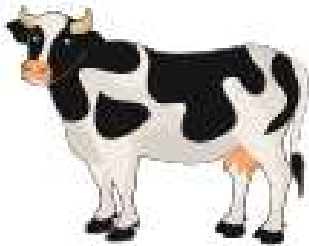

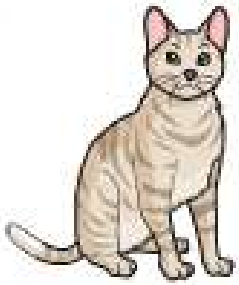

Goat

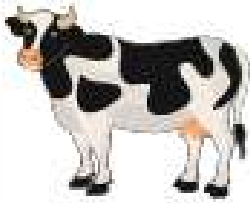

Activity

Match the identical animals

Activity

Match the animals with their names.

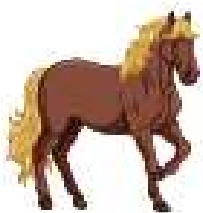

Rabbit

Goat

Buffalo

Cow

Horse

Wild Animals

Rhinoceros

Elephant

Tiger

Bear

Fox

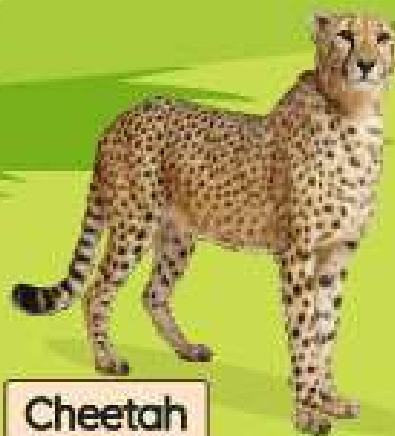

Zebra

Lion

Deer

Cheetah

Giraffe

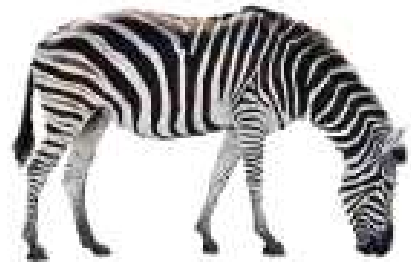

Activity

Tick the correct animal name

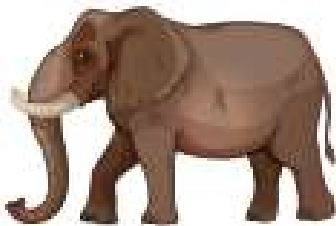

Rhinoceros

Lion

Giraffe

Zebra

Elephant

Tiger

Cheetah

Rhinoceros

Fox

Lion

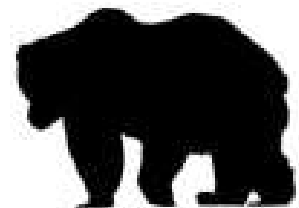

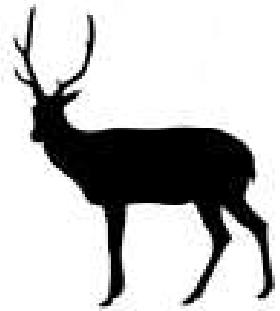

Elephant

Giraffe

Activity

Match the animals to their shadows

Animals and their young ones

Elephant

An illustration of a large grey elephant with pink ears and a trunk, standing next to a smaller grey calf. They are on a green grassy field under a blue sky with a tree branch in the background.

Calf

Bear

An illustration of a large brown bear standing next to a smaller brown cub. They are on a green grassy field under a blue sky with a tree branch in the background.

Cub

Horse

An illustration of a large brown horse with a dark mane and tail, standing next to a smaller brown foal. They are on a green grassy field under a blue sky with a tree branch in the background.

Foal

Cub

An illustration of a large orange lion with a large mane, sitting next to a smaller orange cub. They are on a green grassy field under a blue sky with a tree branch in the background.

Lion

Animals and their young ones

Dog

Puppy

Cow

Calf

Goat

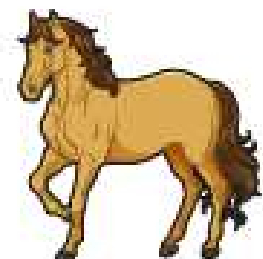

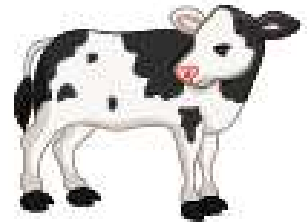

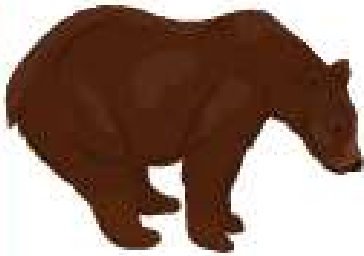

Kid

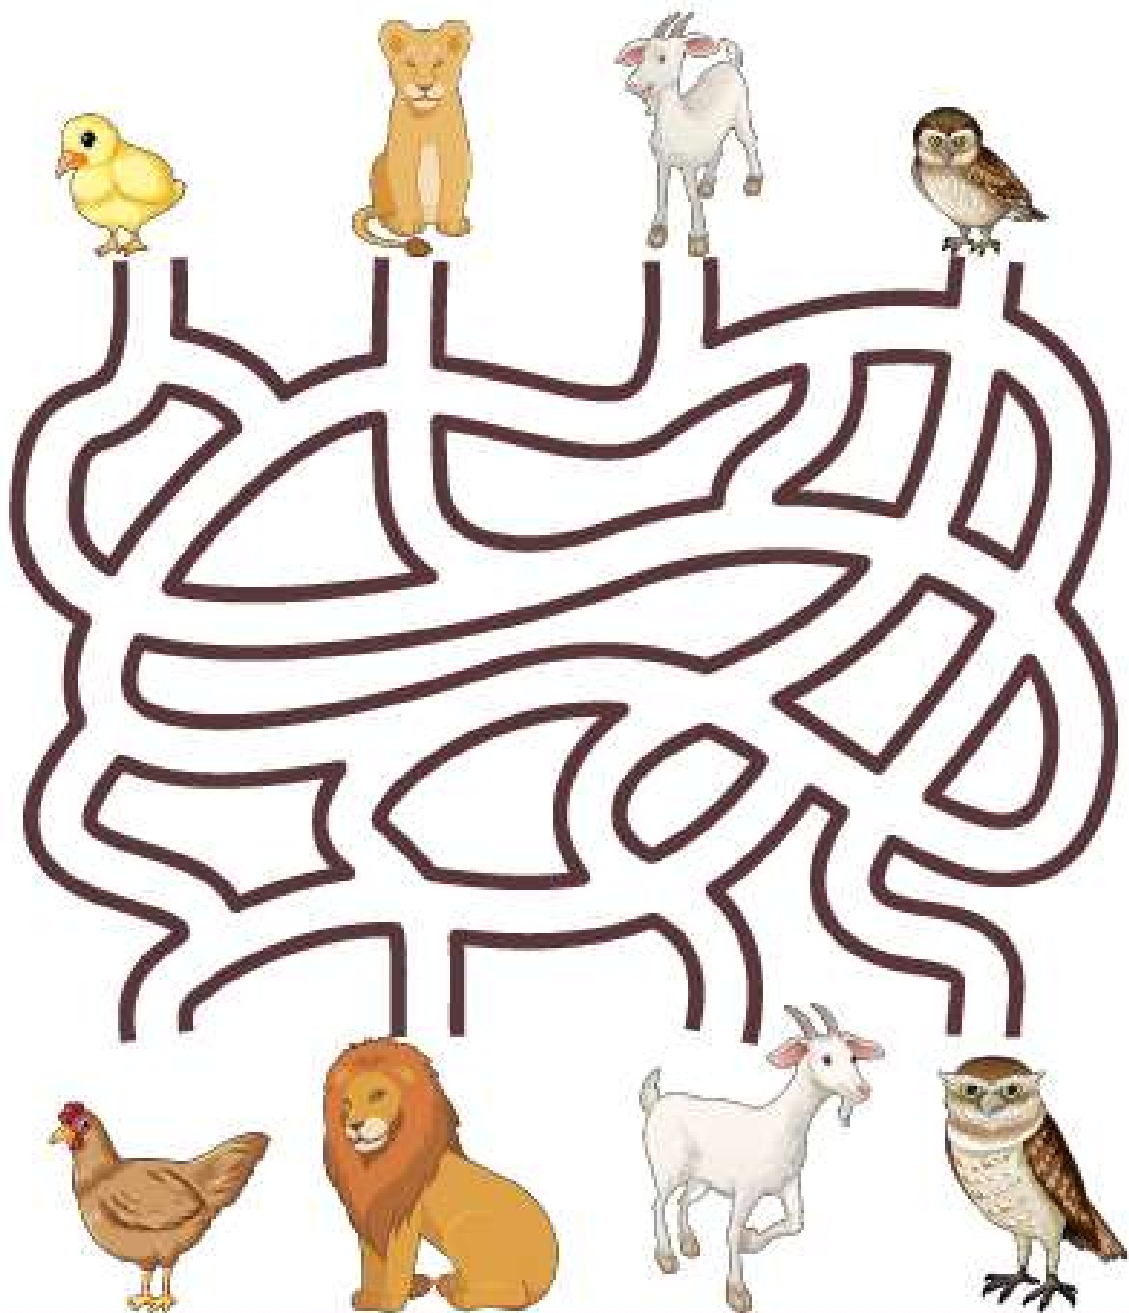

Activity

Match the animals to their young ones.

Activity

Look at the picture. Help the animals reach their young ones by tracing the path

Aquatic Animals

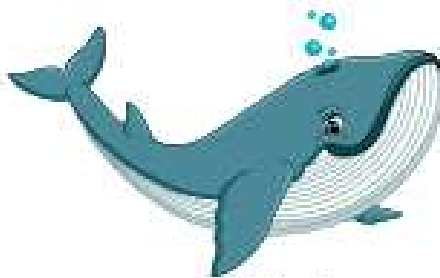

Lobster

Star fish

Dolphin

Whale

Shark

Jellyfish

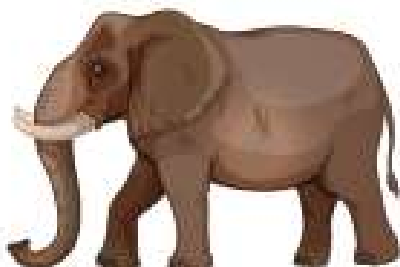

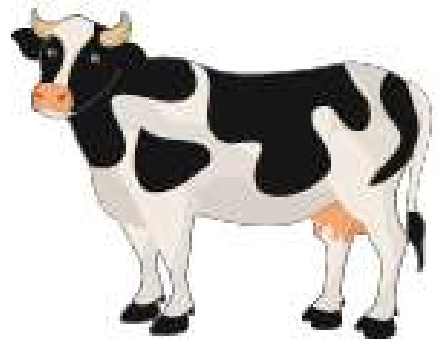

Sea snake

Turtle

Activity

Identify and circle the aquatic animals

Birds

Parrot

Crow

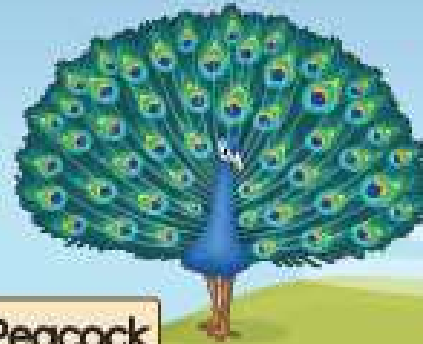

Hen

Ostrich

Peacock

Flamingo

Eagle

Owl

Pigeon

Sparrow

Vulture

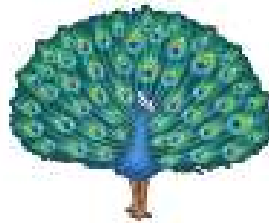

Crane

Duck

Activity

Match each bird to its shadow on the left and its name on the right

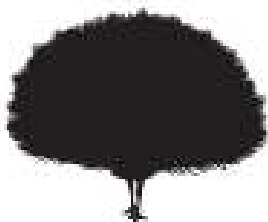

Ostrich

Hen

Peacock

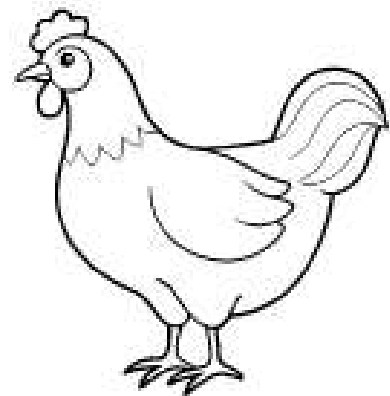

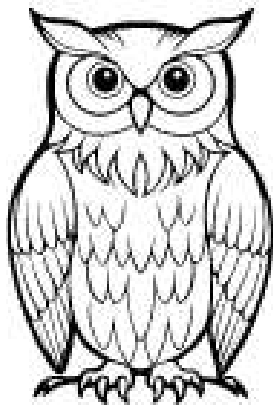

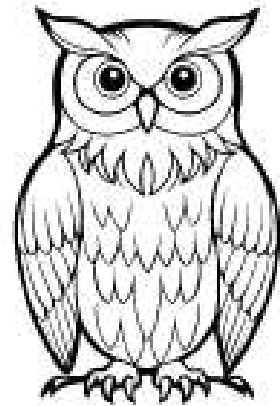

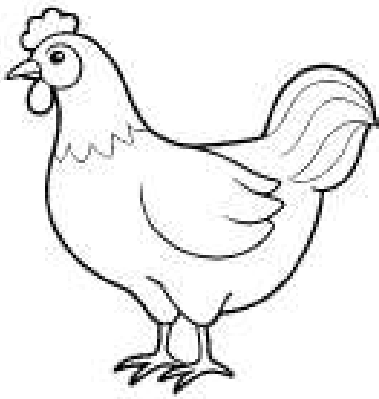

Vulture

Sparrow

Activity

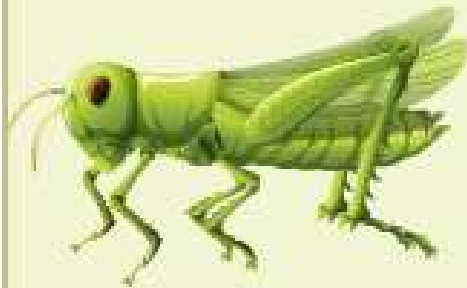

Colour the birds and match the identical birds.

Insects

Butterfly

Grasshopper

Ladybug

Spider

Bee

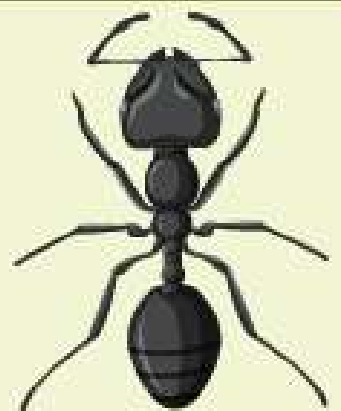

Housefly

Mosquito

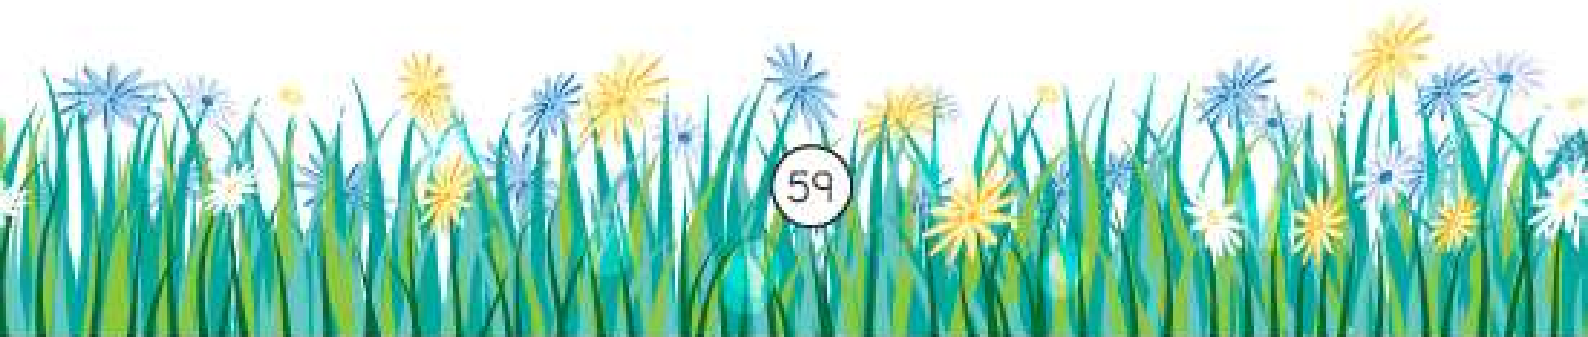

Cockroach

Ant

Activity

Colour the butterfly

Activity

Match each insect to its name

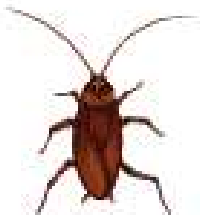

Ant

Cockroach

Grasshopper

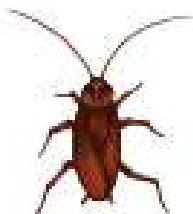

Ladybug

Housefly

Activity

Circle the insects.

Transportation

RAIL TRANSPORTATION

Metro

Passenger train

Goods train

ROAD TRANSPORTATION

62

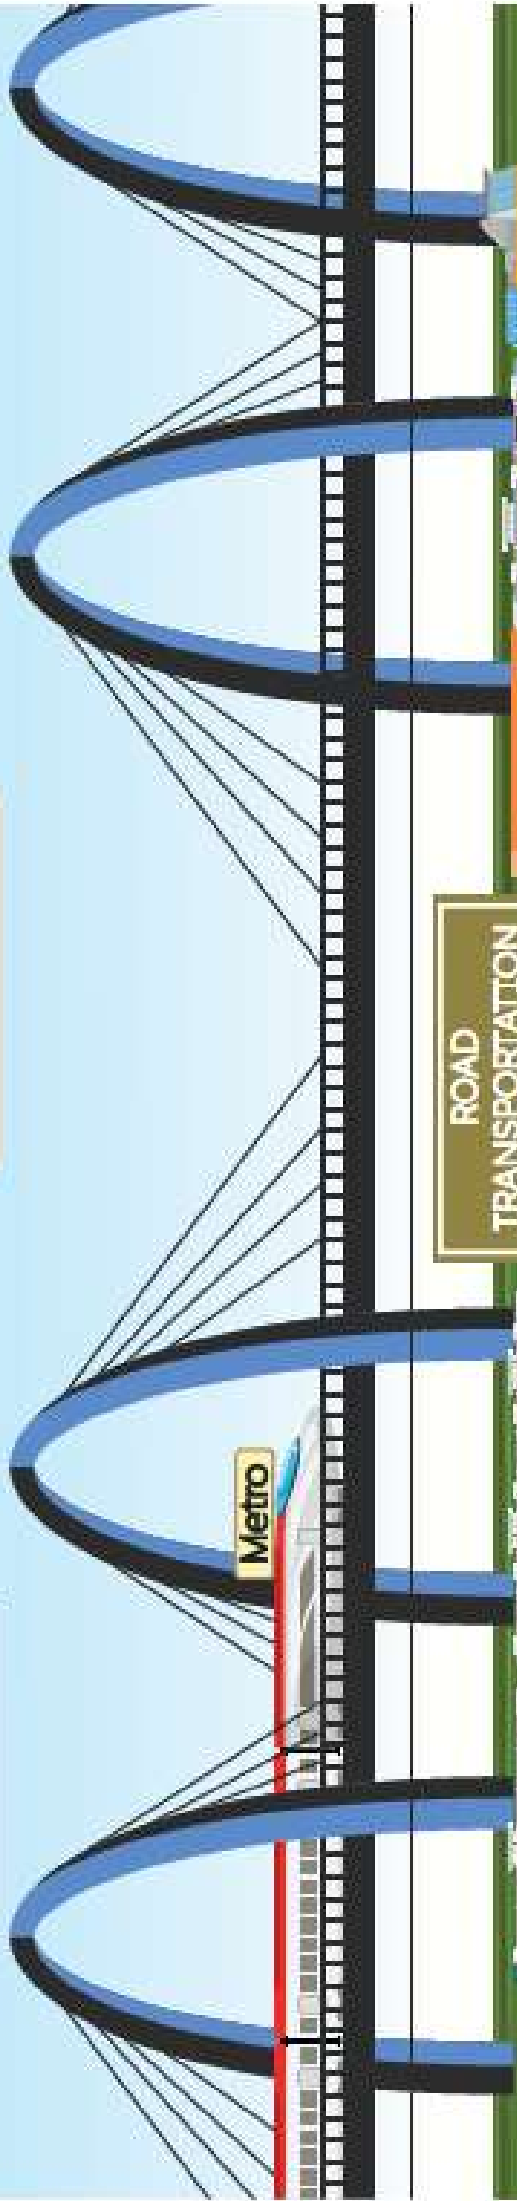

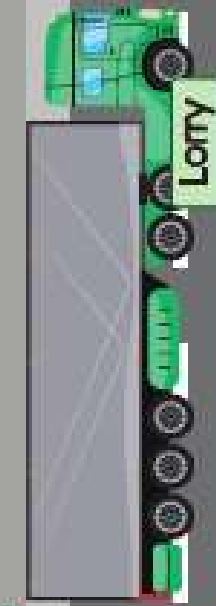

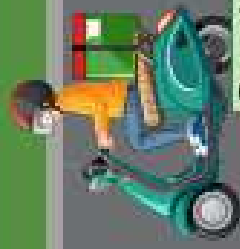

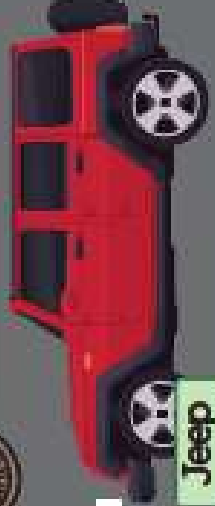

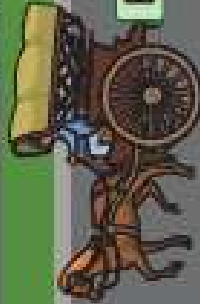

Auto

Truck

Cycle

Bus

Lorry

Activity

Match the following

Goods train •

Passenger train •

Electric train •

Metro train •

Activity

Circle all the land vehicles

Activity

Tick (✓) the next vehicle in each row

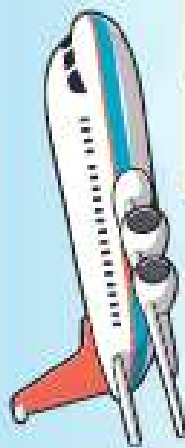

Transportation

Helicopter

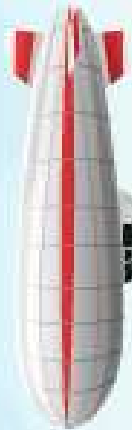

Jet

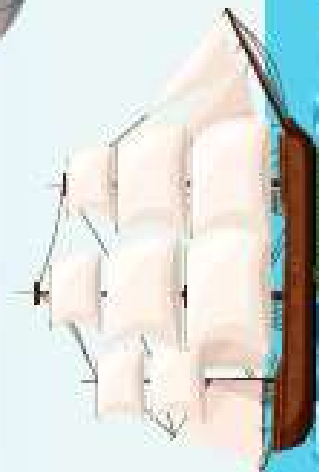

Aeroplane

Hot air balloon

Air ship

Yacht

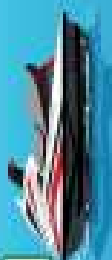

Ship

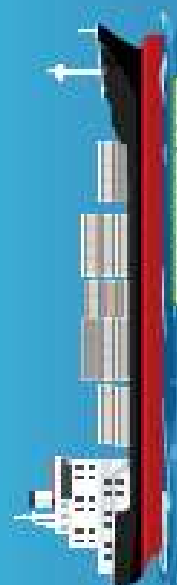

Fishing boat

Jet ski

Row boat

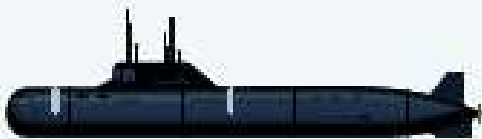

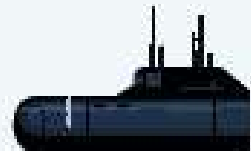

Cargo ship

Submarine

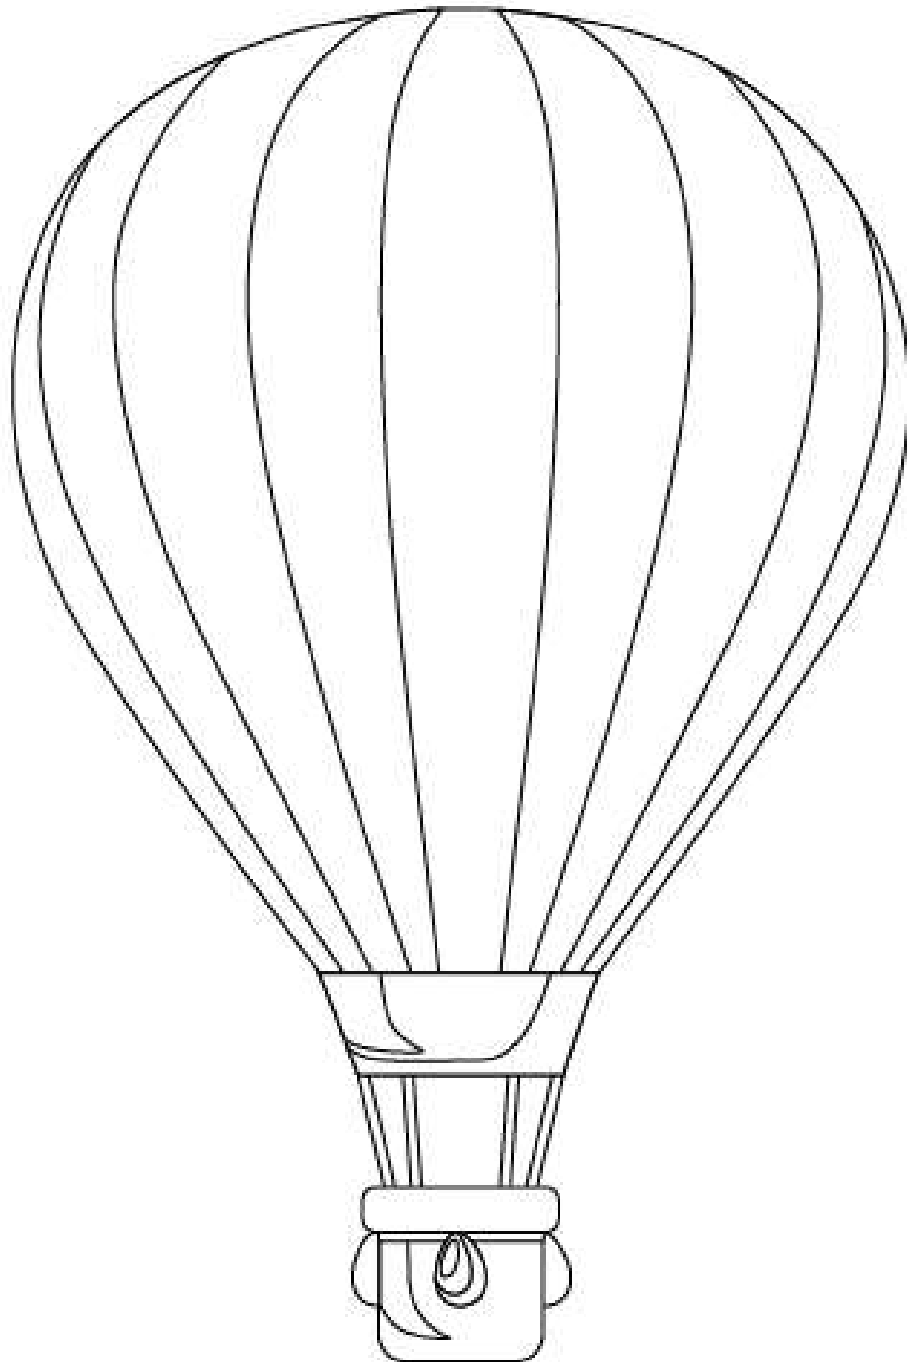

Activity

Match each vehicle to its half

Activity

Colour the Hot Air balloon and stick cottons to make clouds in the sky

Traffic signals

Red colour - Says "STOP"

Yellow colour - Says "slow down"

Green colour - Says "go"

Activity

Colour the traffic signals with appropriate colours

Seasons

Summer season

Summer is the time of the year when the weather becomes hot and sunny. The days are longer, and the nights are shorter.

Food

Clothes and accessories

Rainy season

In some parts of the world, the rainy season comes after summer. During this season, we see many clouds, rain, and thunderstorms.

Food

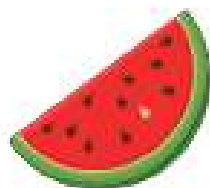

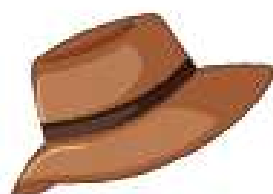

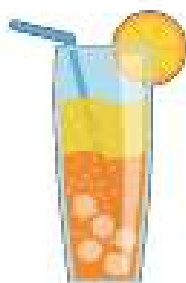

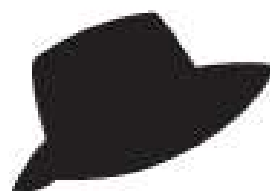

Clothes and accessories

Activity

Match the objects we use in summer with their shadows

Activity

Circle the activities done in rainy season

Drinking Hot milk

Wearing raincoat

Eating Ice-cream

Playing on the beach

Using umbrella

Seasons

Winter season

Food

Clothes and accessories

Sweater

Scarf

Gloves

Cap

Socks

Spring season

Spring is the season when flowers bloom. The world looks colourful with beautiful flowers.

The weather is warm and sunny. Birds sing, and butterflies fly around happily.

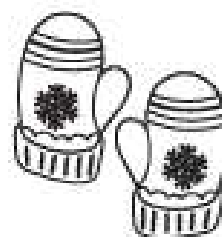

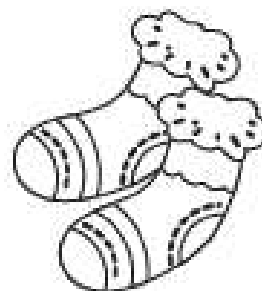

Autumn season

In autumn, the trees look magical as their green leaves turn into bright colours like yellow, orange, and red. It's like the trees are wearing colourful clothes!

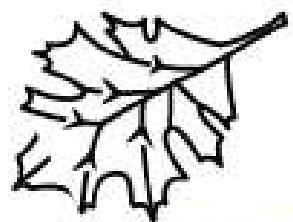

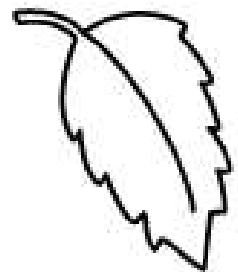

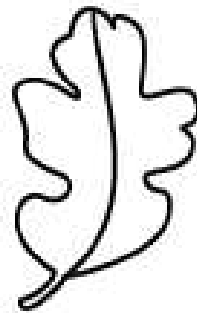

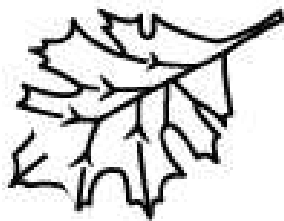

Activity

Match the clothes we wear in winter with their outlines

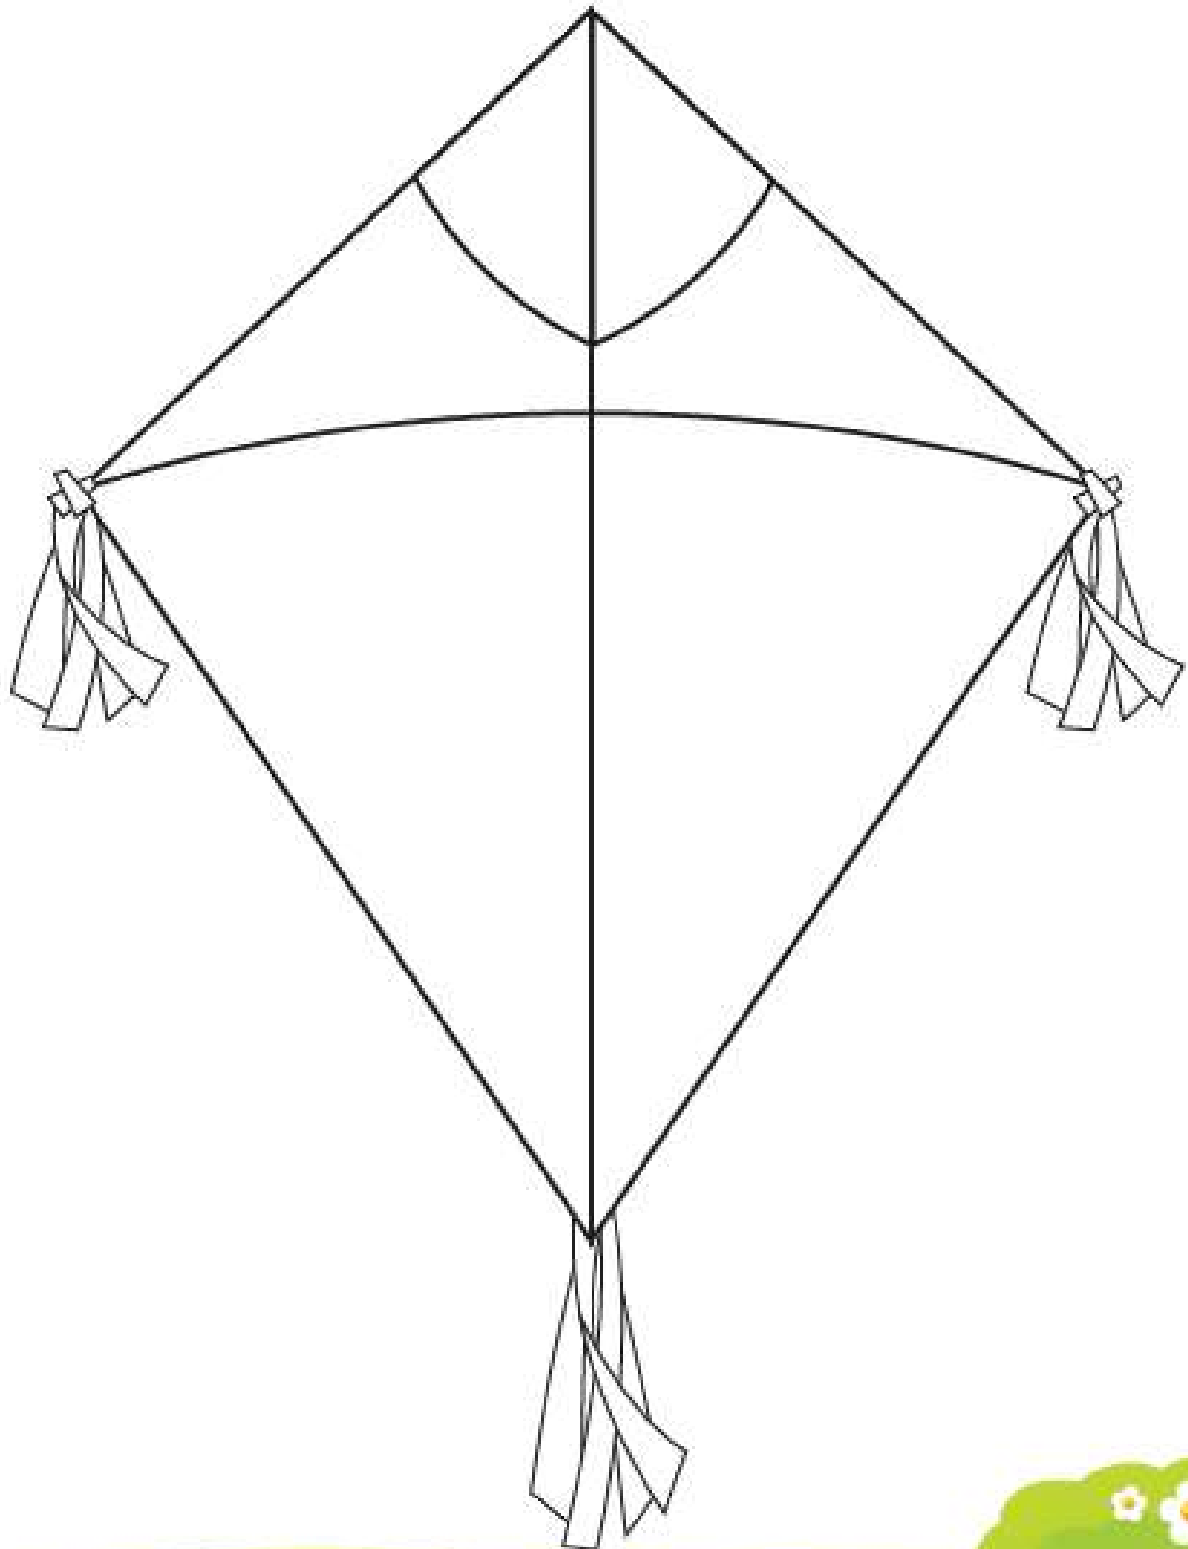

Activity

Observe the different leaves. Colour each leaf as shown below.

Activity

Colour the kite

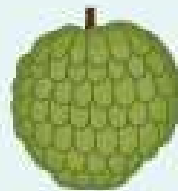

Recap

Look at the pictures. Identify the seasons and tick (✓) the foods we eat in that season.

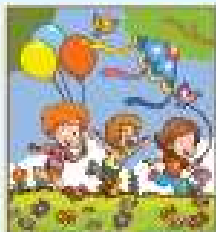

Summer

Rainy

Winter

Spring

My Neighbourhood

Fire station

Uses of water

Water is important for us. We need water to do many things.

We use water to drink

We use water to clean

Animals drink water

We use water for plants

Cooking

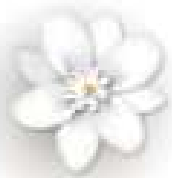

Washing

Activity

Circle the activities which require water

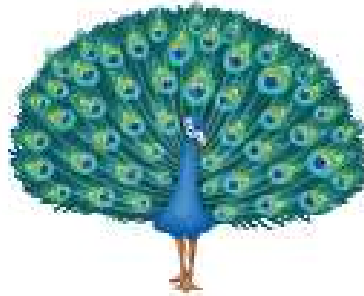

National symbols

National Flower
Lotus

National Bird
Peacock

National Animal
Tiger

National Currency
Rupee

National Fruit
Mango

National Tree
Banyan

National Emblem
Four-Lion Capital

National Flag

National Sport
Hockey

Activity

Match the following

● National Bird

● National Flower

● National Tree

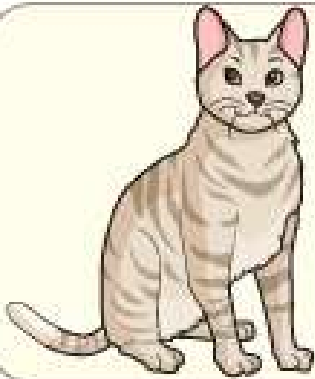

● National Emblem

● National Animal

Living things

Cat

Dog

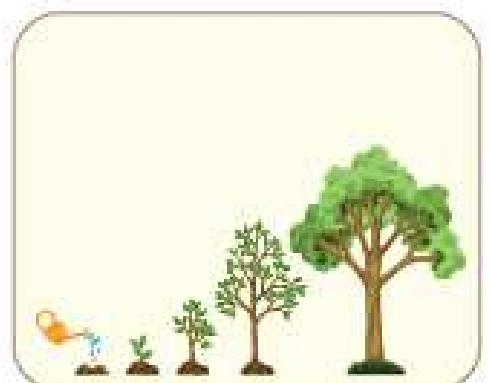

Banana plant

Coconut tree

A baby girl grows up to become a woman

A seed grows into a tree.

Living things take food and water

Living things can move

Non living things

- Non - living things cannot move
- Non - living things cannot grow.
- Non - living things cannot breathe,
- Non - living things cannot reproduce
- Non - living things cannot die.

NOTE- Plants are living things but they do not move

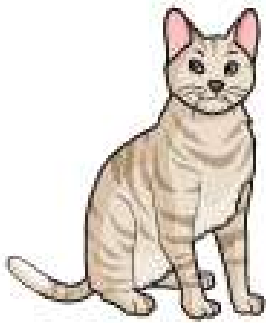

Activity

Tick ✓ the living things and cross ✗ the non-living things

Activity

Match the living and non-living things

Living things

Non-living things
