The diagram consists of two circles connected by a horizontal line. The left circle contains the number 106.

104 106

112

A diagram consisting of two circles connected by a horizontal line. The left circle contains the number 143.

A diagram consisting of three circles arranged horizontally. The first circle on the left contains the number 112. The middle circle is empty. The third circle on the right contains the number 114.

148

128

The diagram consists of three circles arranged horizontally. The first circle on the left contains the number 125. The middle circle is empty. The third circle on the right contains the number 127. Two horizontal lines connect the first circle to the middle circle, and the middle circle to the third circle.

A diagram consisting of two white circles with black outlines, positioned side-by-side. A thin horizontal line connects their centers.

109

A diagram consisting of three circles connected by two horizontal lines. The first circle on the left contains the text '|4|'. The middle circle is empty. The third circle on the right contains the text '|43|'.

```
graph LR; A(( )) --- B((|2|))
```

The diagram consists of two circles. The left circle contains the number 126. A horizontal line connects this circle to a second, empty circle on the right.

118 120

150

135

148 150

126

117

The diagram consists of three circles arranged horizontally. The first circle on the left contains the number "109". The middle circle is empty. The third circle on the right contains the Roman numeral "III". Two horizontal lines connect the first circle to the middle circle, and the middle circle to the third circle.

109

A diagram consisting of two circles connected by a horizontal line. The left circle contains the number 127.

126

128
