Sponge Painting

Squeeze the sponge and tie it in the middle with a hair band. Drop different colours of paint onto one side of the sponge.

Fold the sponge and press to make a matching pattern on both sides.

Optional – add some extra dots of paint for decorative patterns using a cotton bud.

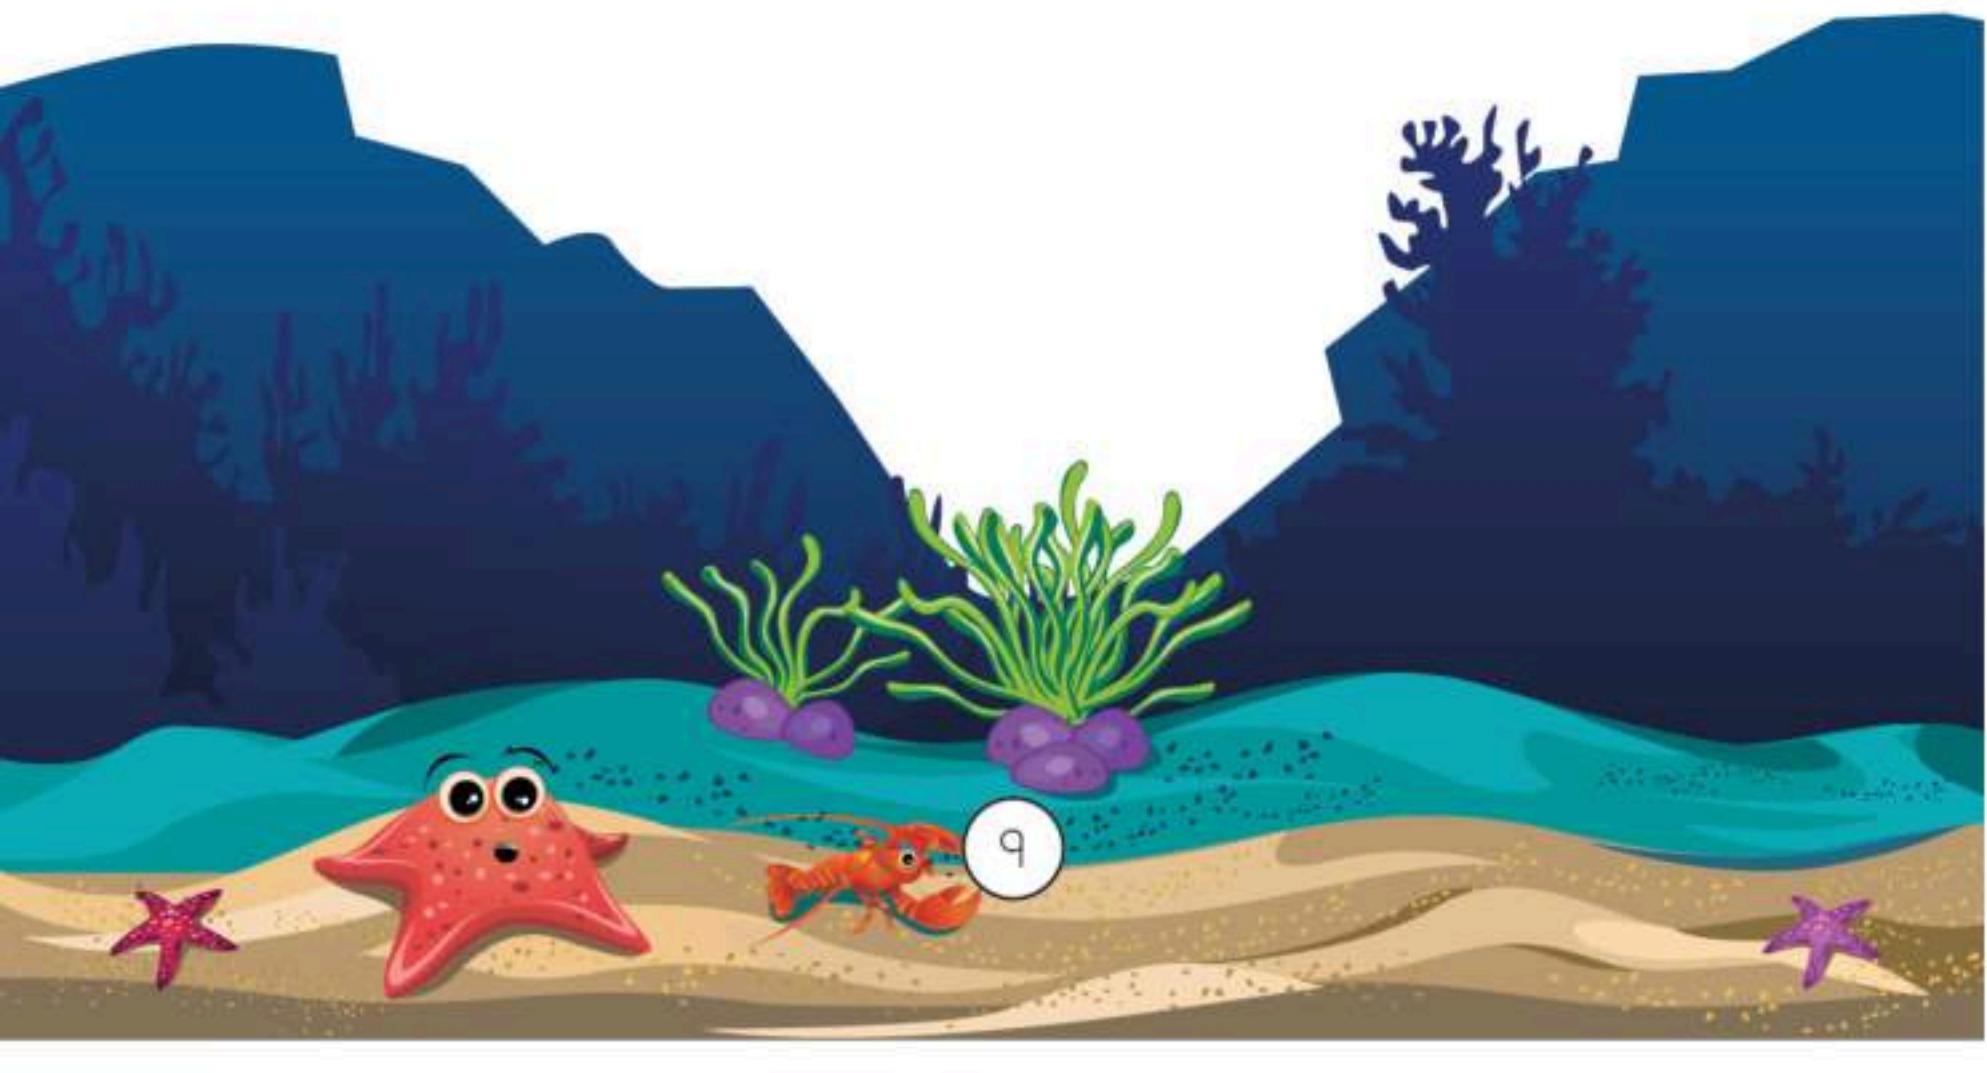

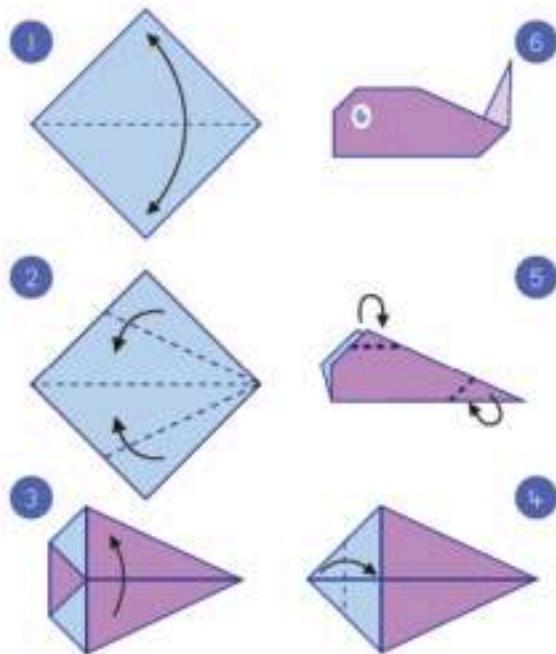

Press the painted side onto the paper to create a print.

Paint the details of the body and antennae (optional).

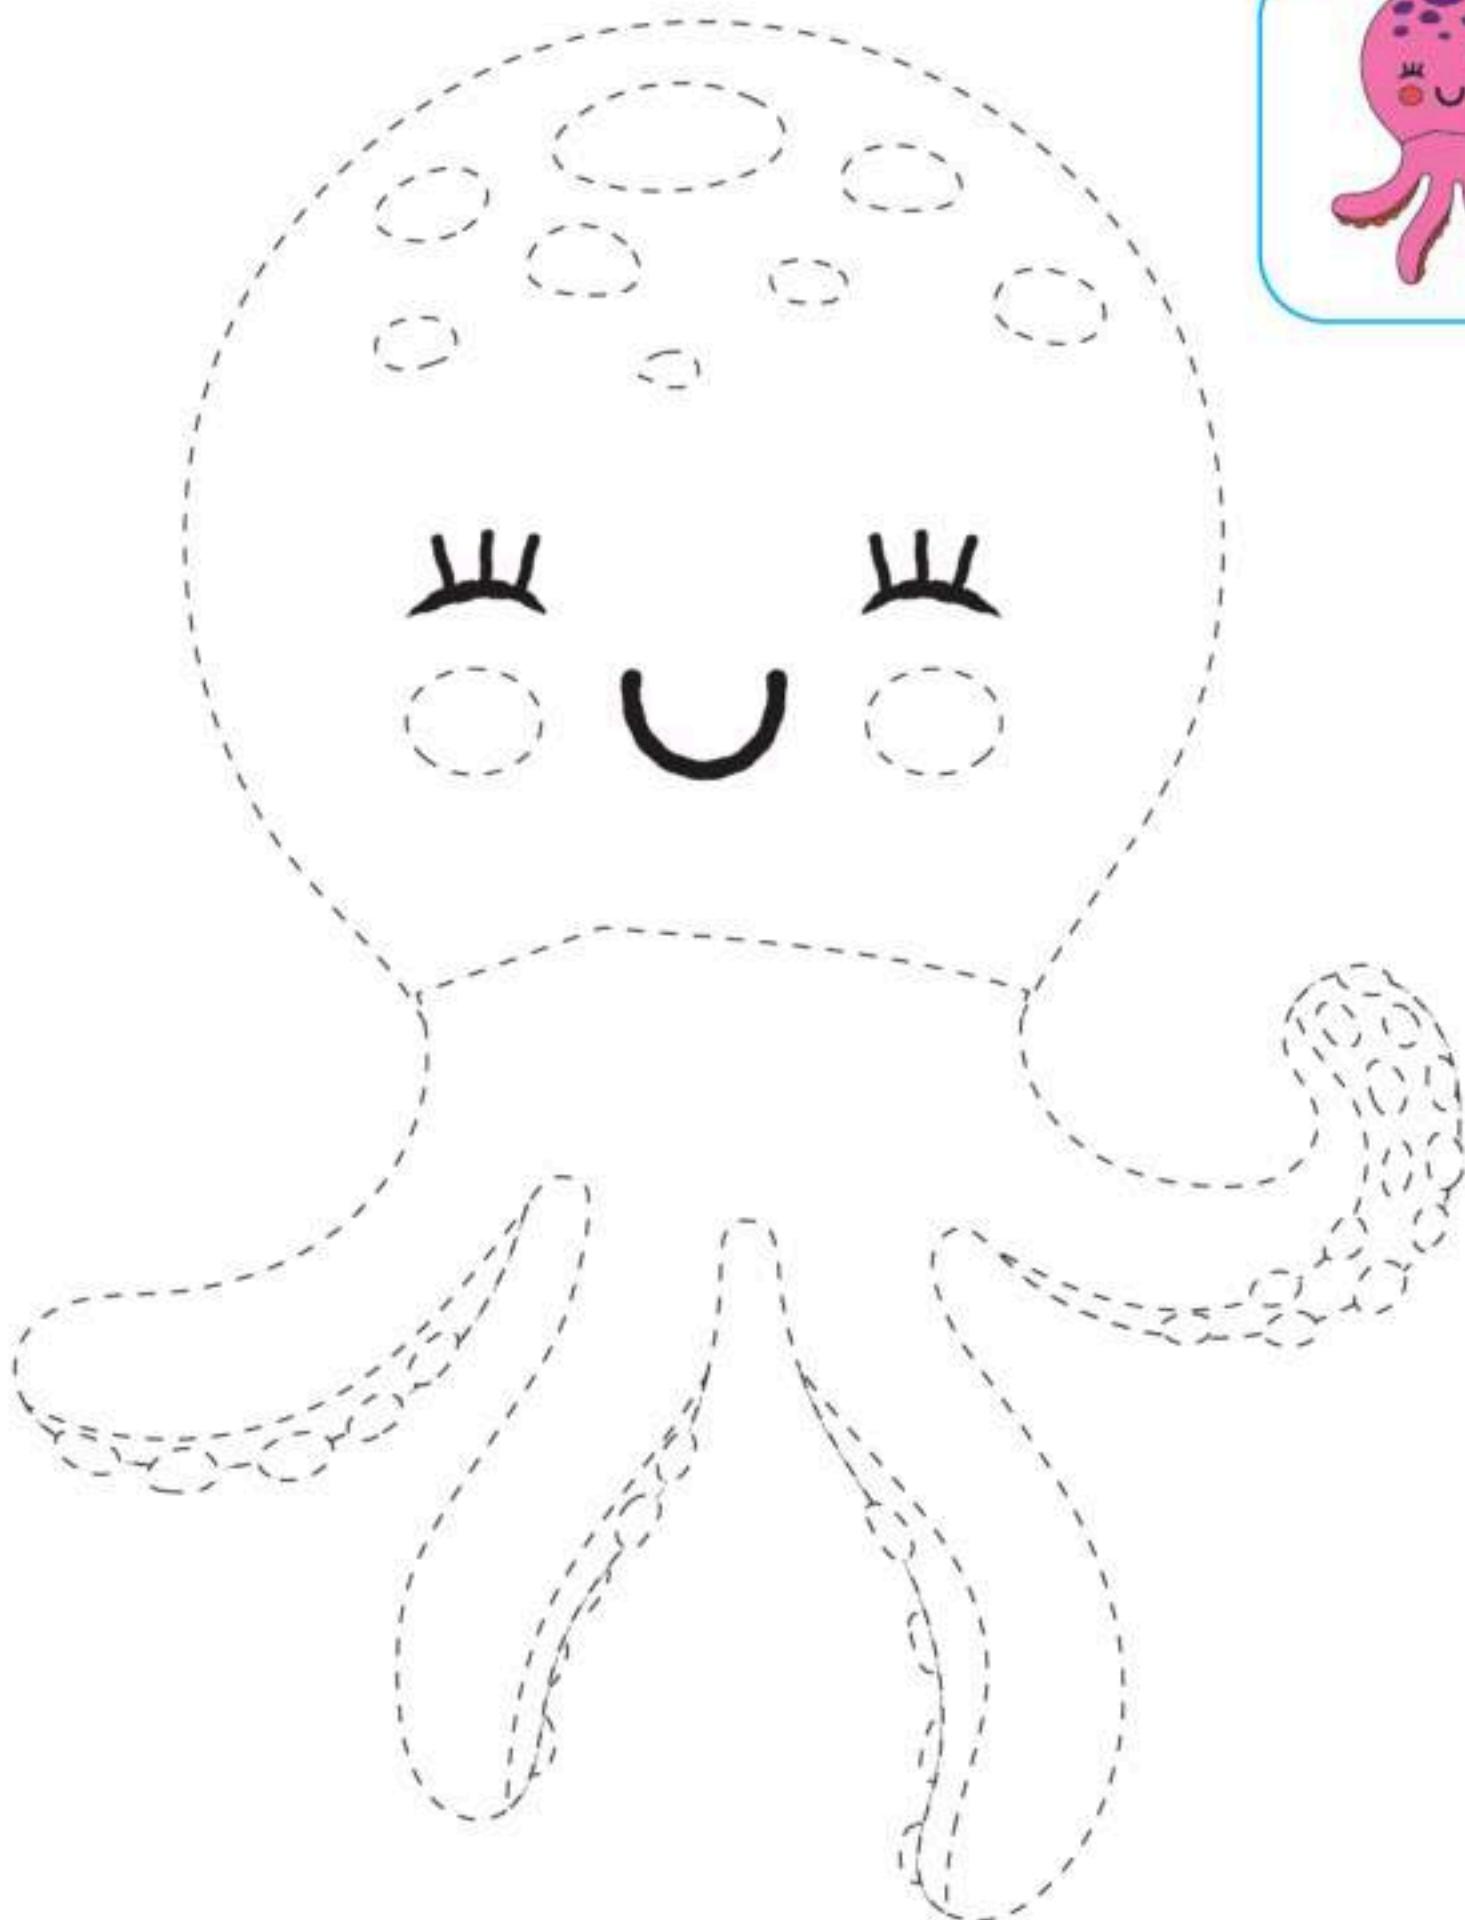

Origami - Whale

Make a whale using folding paper and paste it below.

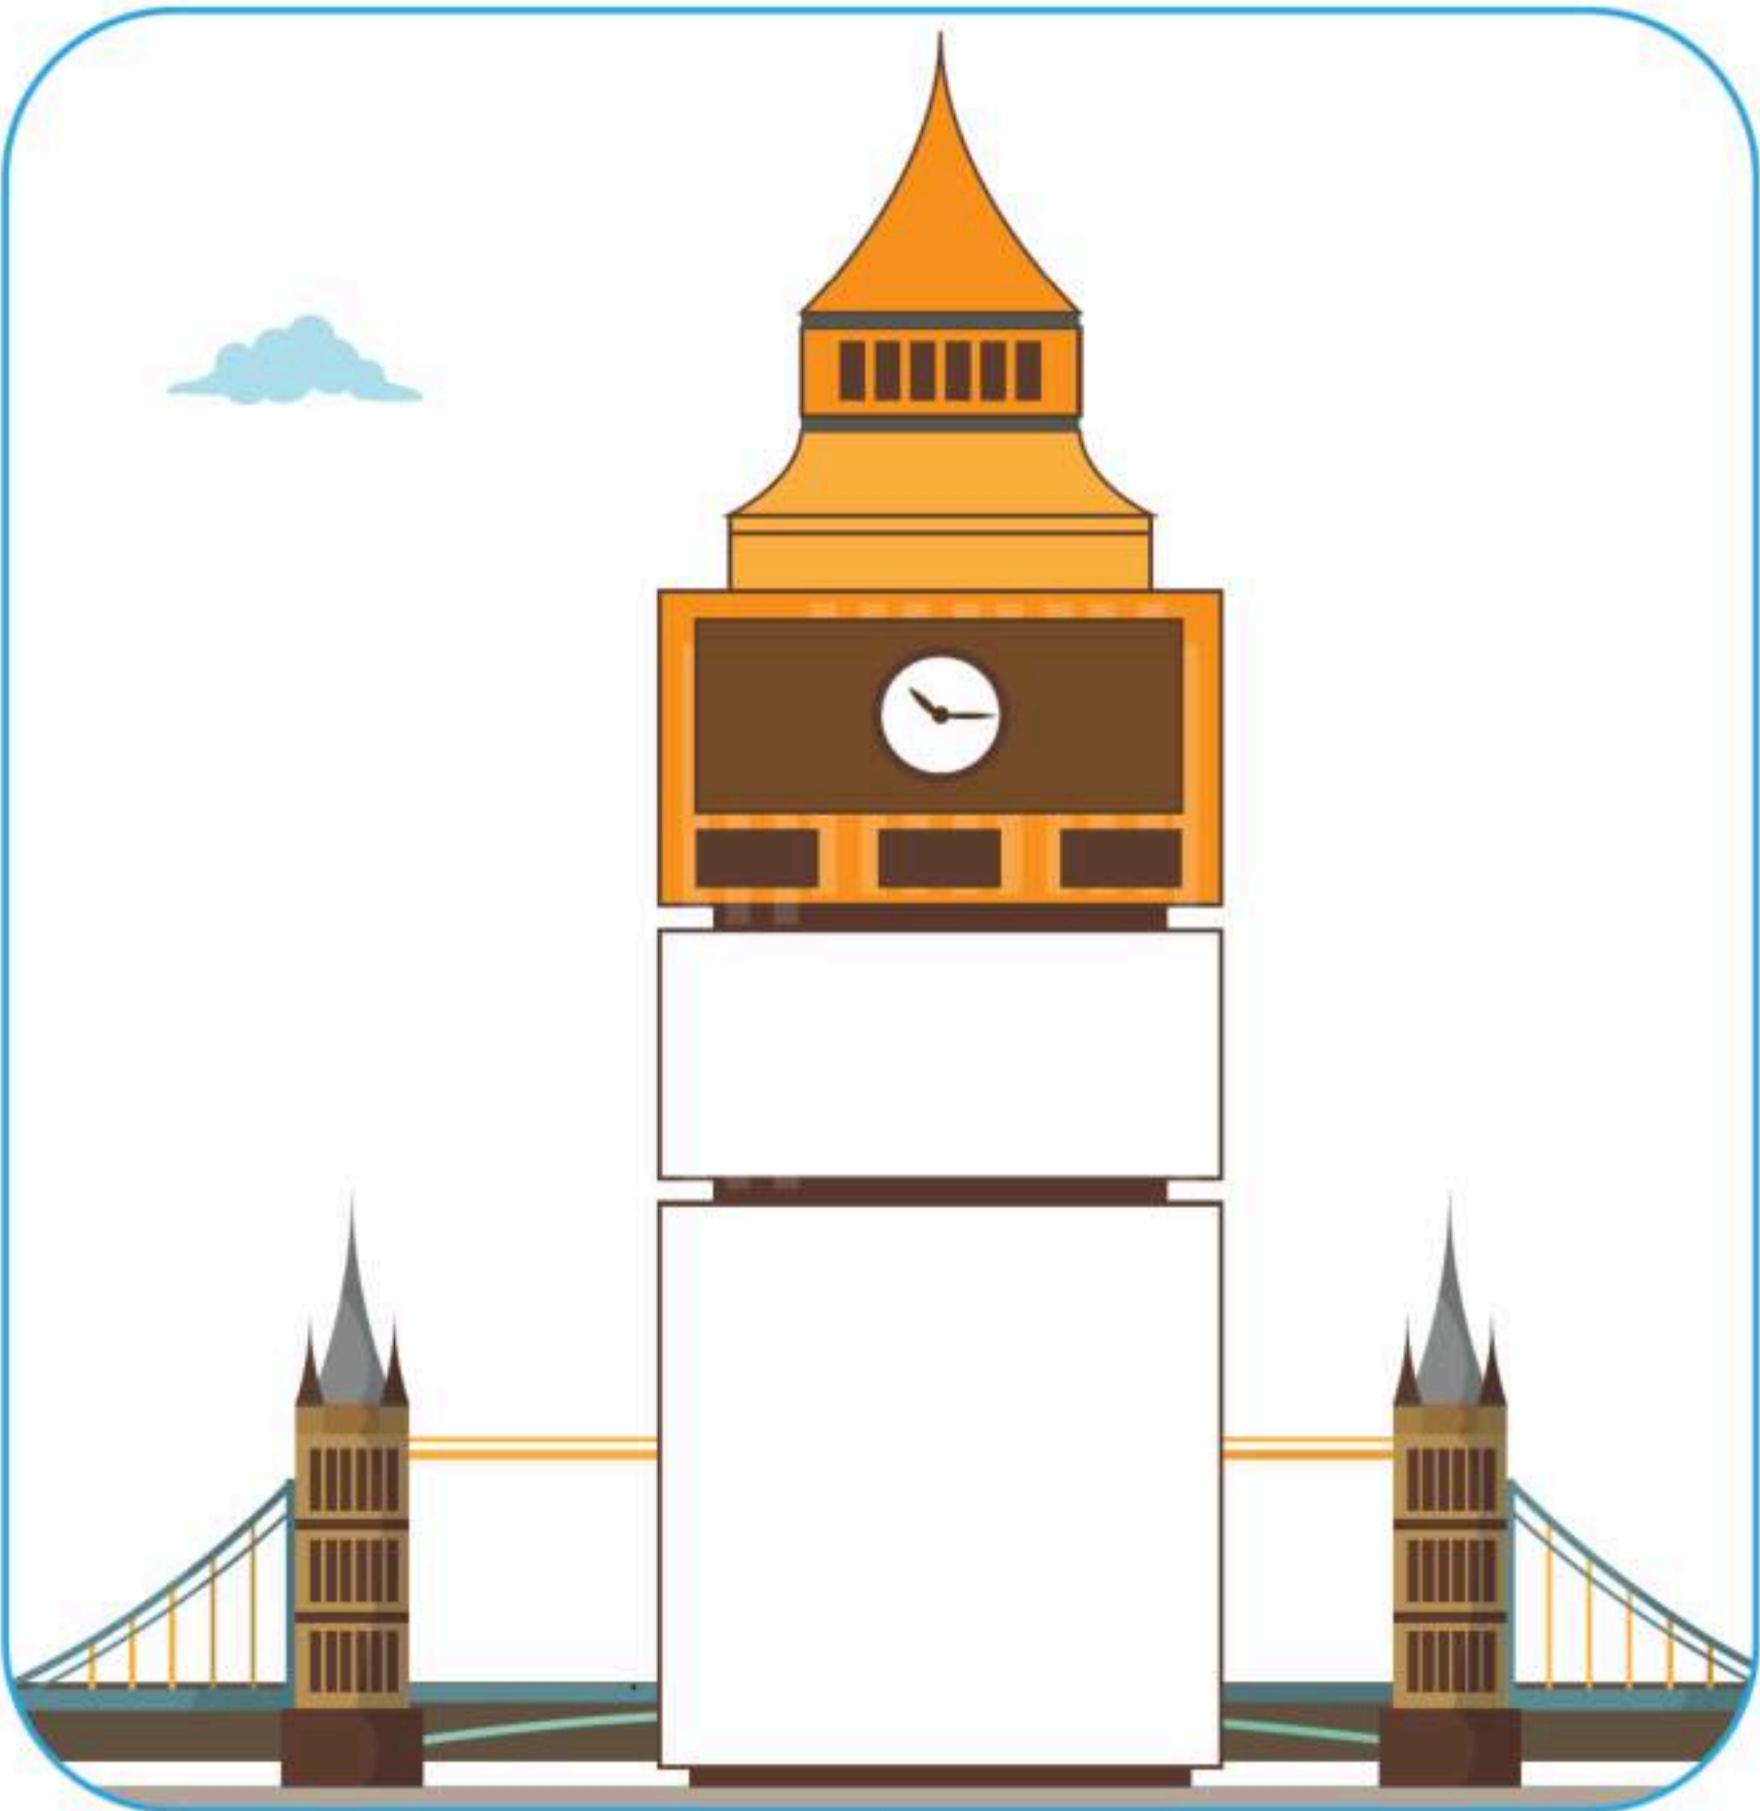

Colouring Time

Trace and colour the octopus.

Ice Cream Stick

Stick ice cream sticks on the tower's wall.

Pom-Pom Caterpillar

Draw a leaf on the green construction paper (rough paper).

Cut out the leaf shape.

Apply glue in an 'S' shape.

Glue the large pom-poms onto the leaf.

Add two googly eyes on a larger pom-pom. You have finished your caterpillar pom pom craft.

Colouring Time

Trace and colour the teddy bear.

Paper Plate - Bee

- Materials:
- paper plate white or yellow
 - paint (yellow and black)
 - pom poms
 - wooden clothespins
 - googly eyes
 - glue

Paint the paper plate yellow and let it dry.

Use a pom pom attached to a clothespin as a handle to paint black stripes on the paper plate. Leave the paper plate yellow at the top as this is where we'll glue the googly eyes.

Paint two wooden clothespins black and after they dried up, glue two black pom poms at the top.

Attach one pom pom to each clothespin to create the bee's antennae.

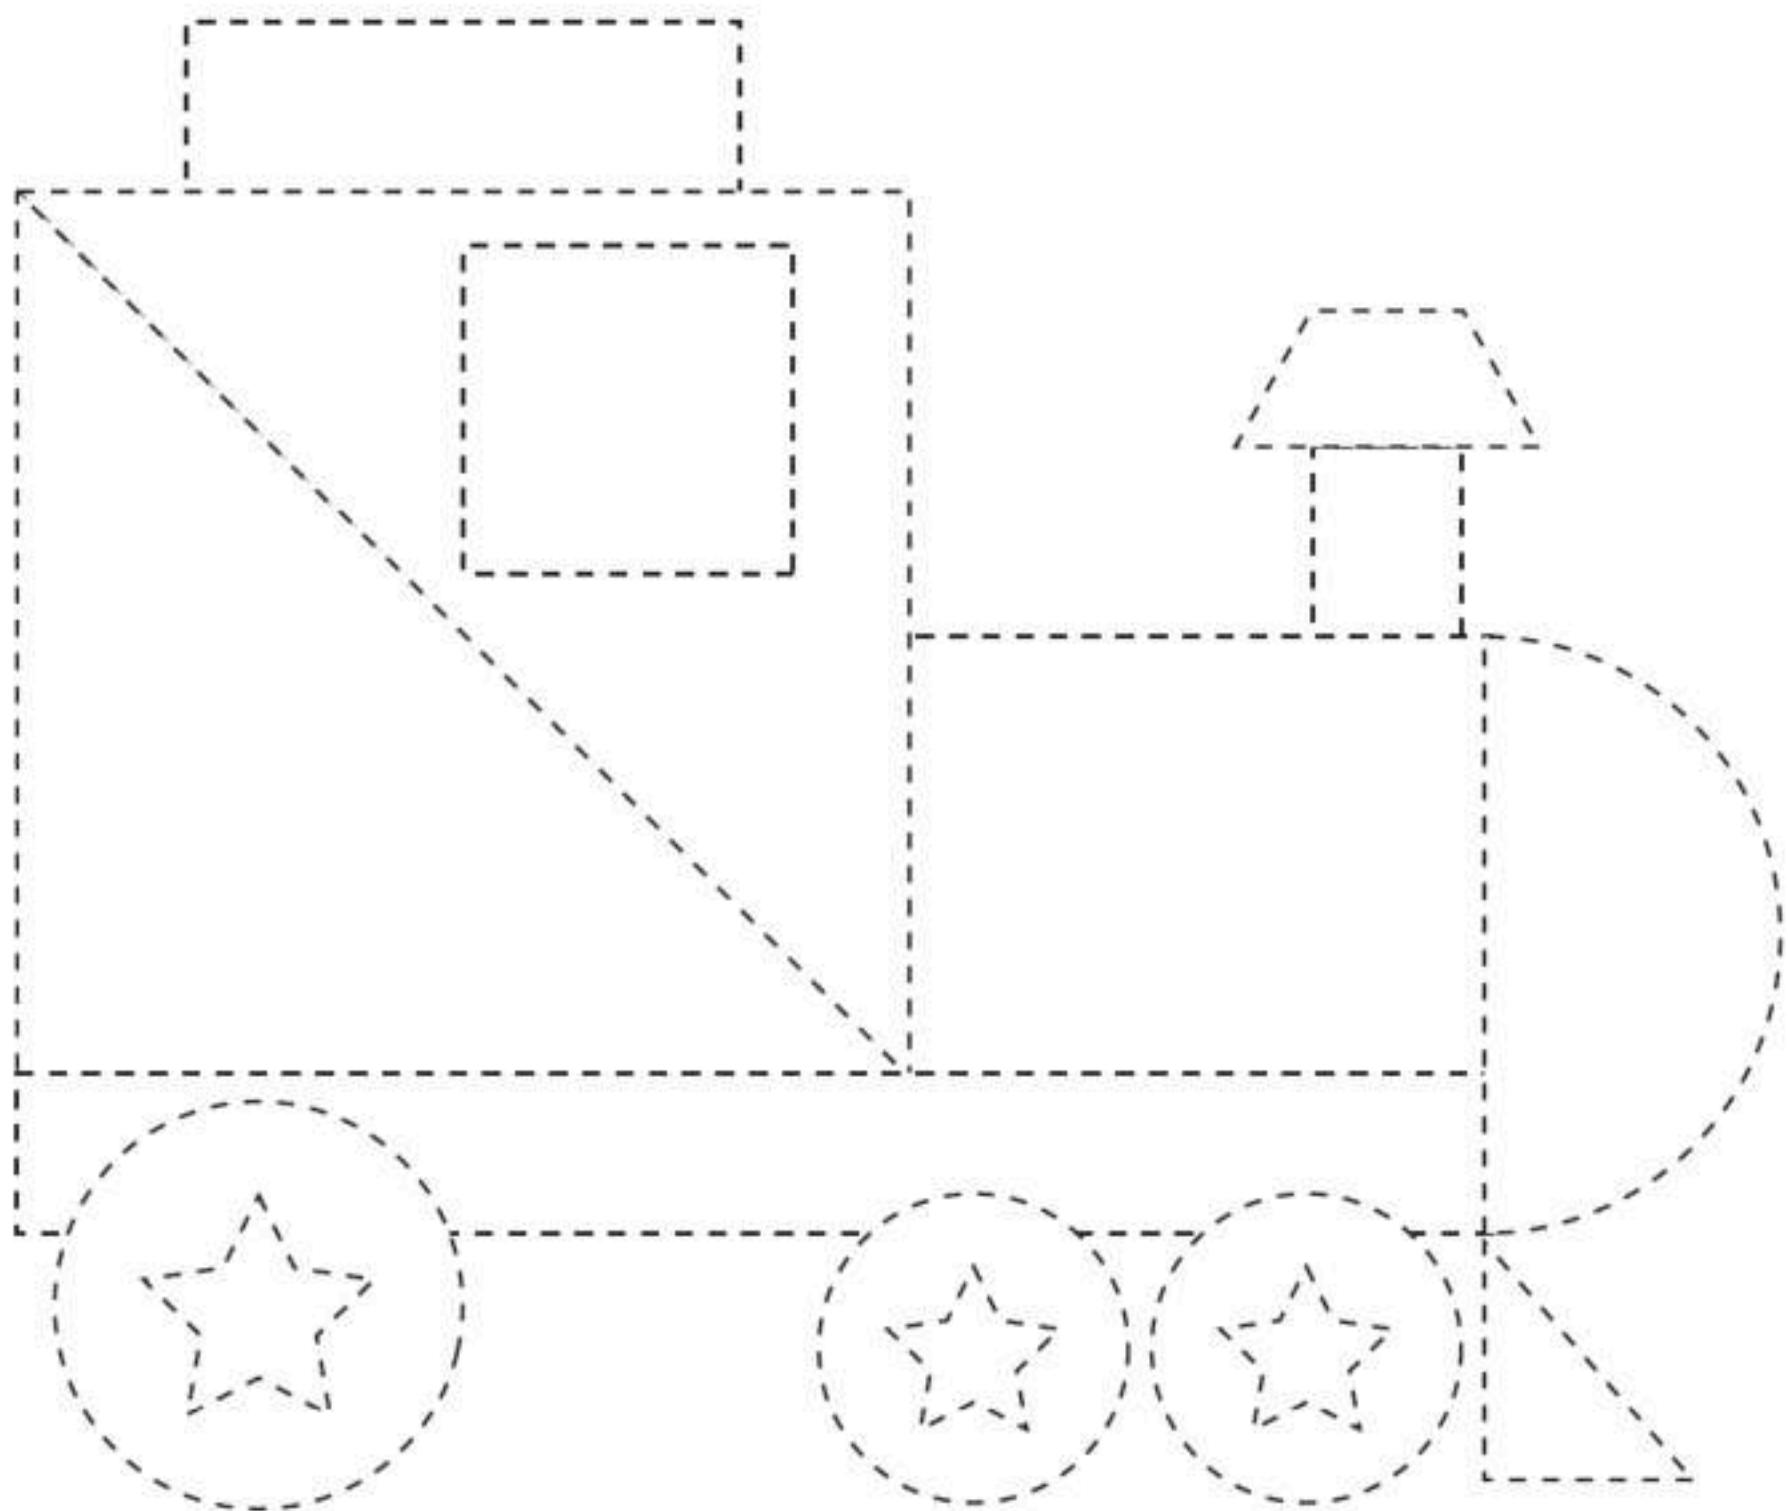

Sharpener Art

Colour the picture using crayons as indicated.
Paste pencil shavings on the body of the owl

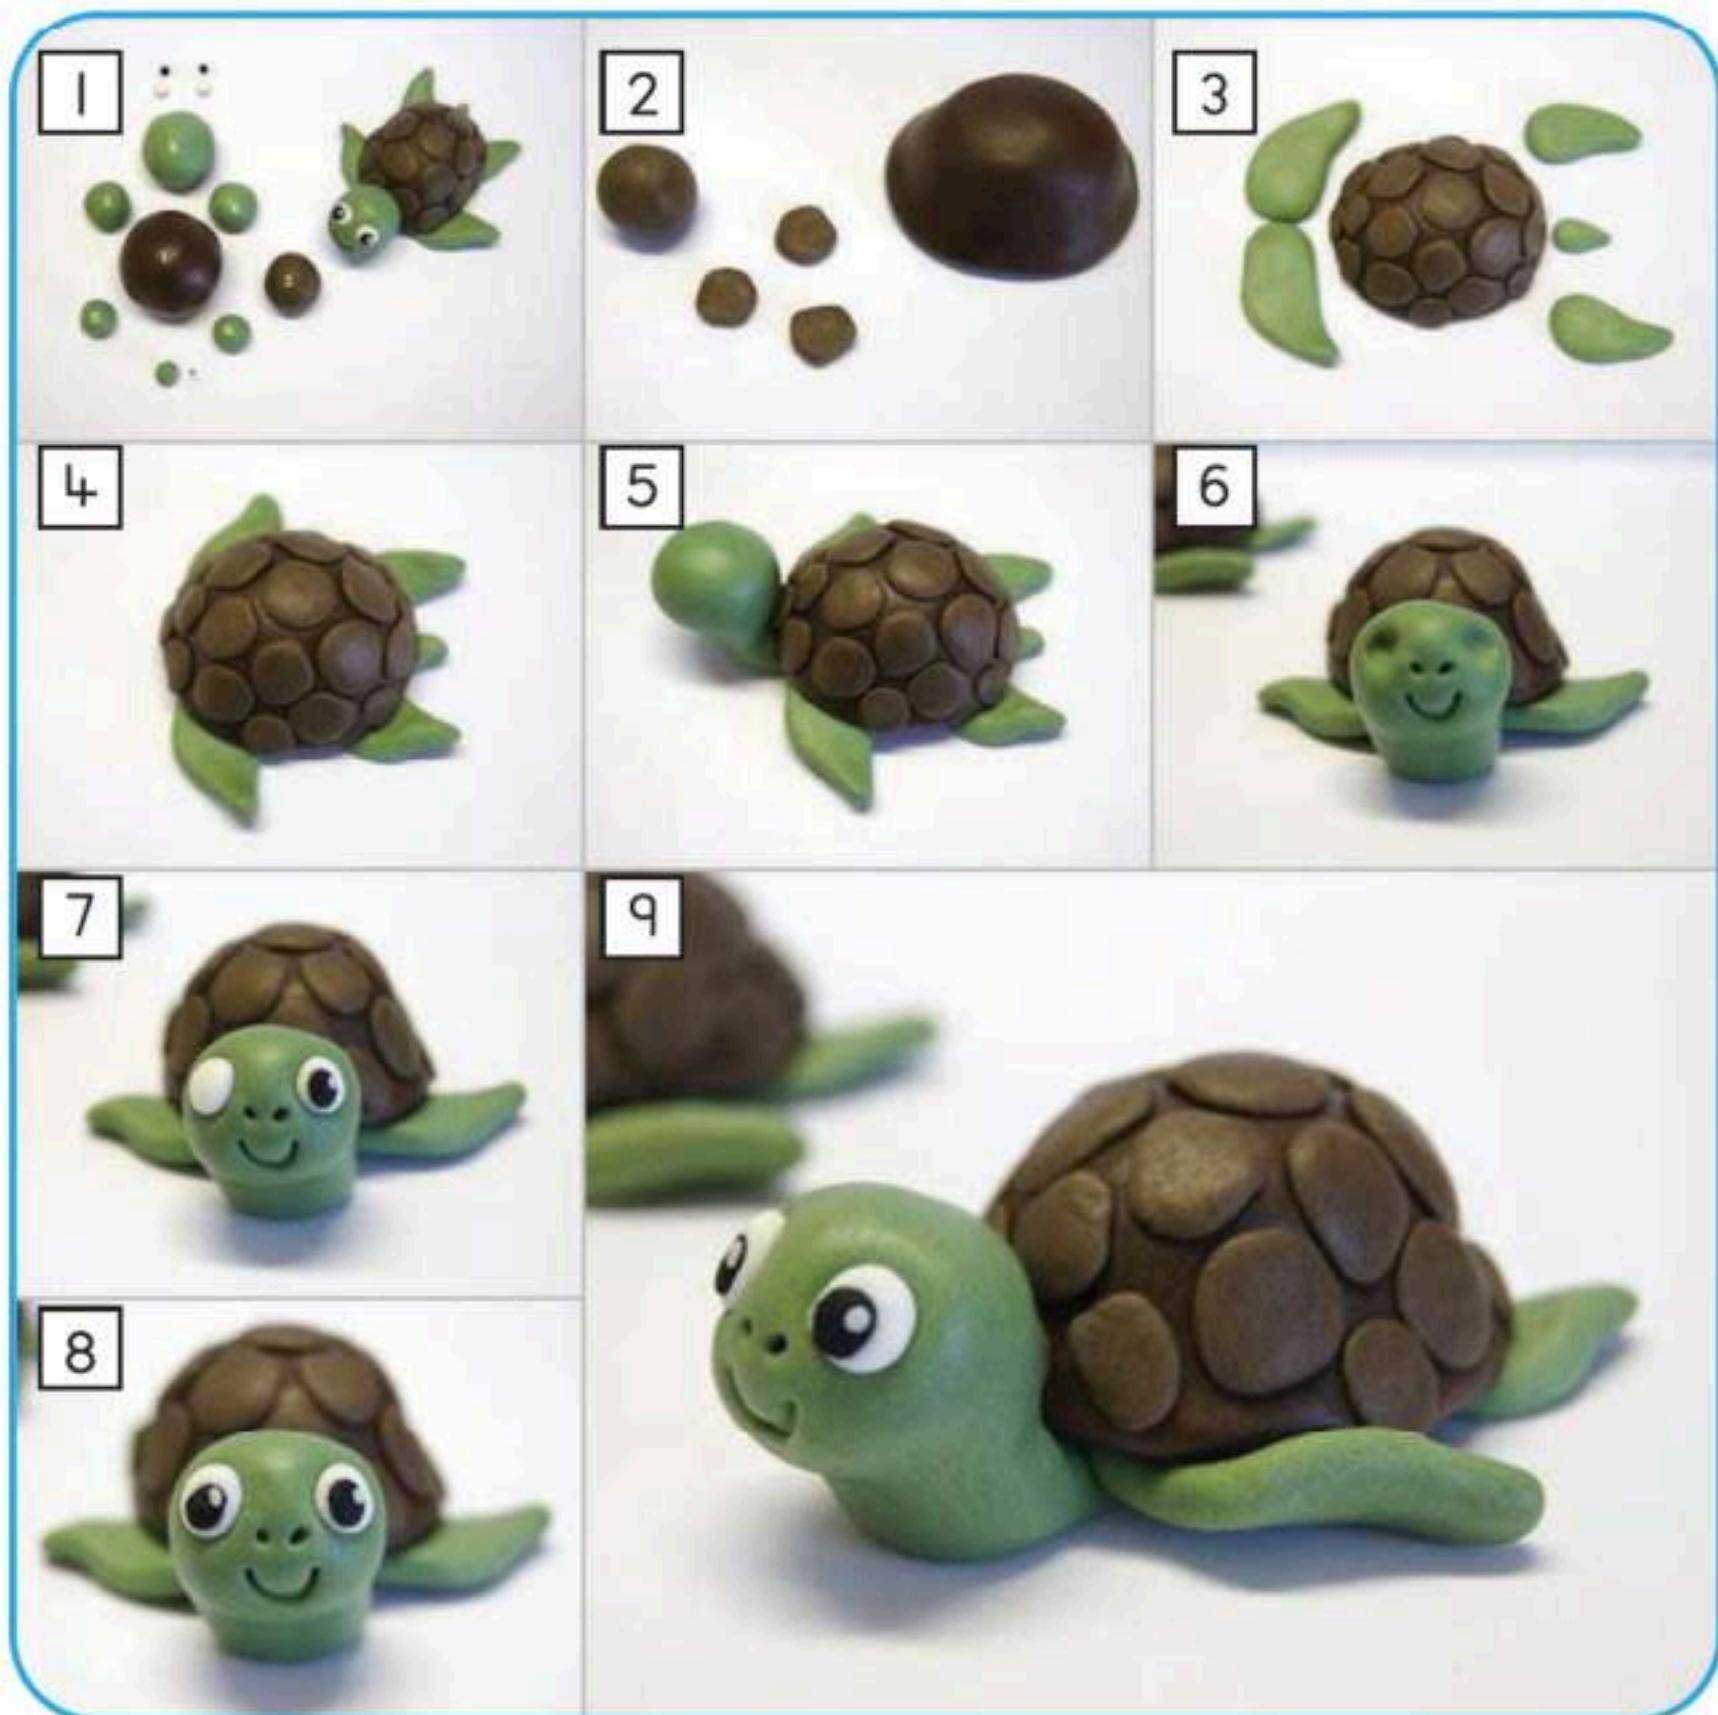

Colouring Time

Trace and colour the engine.

Clay Moulding

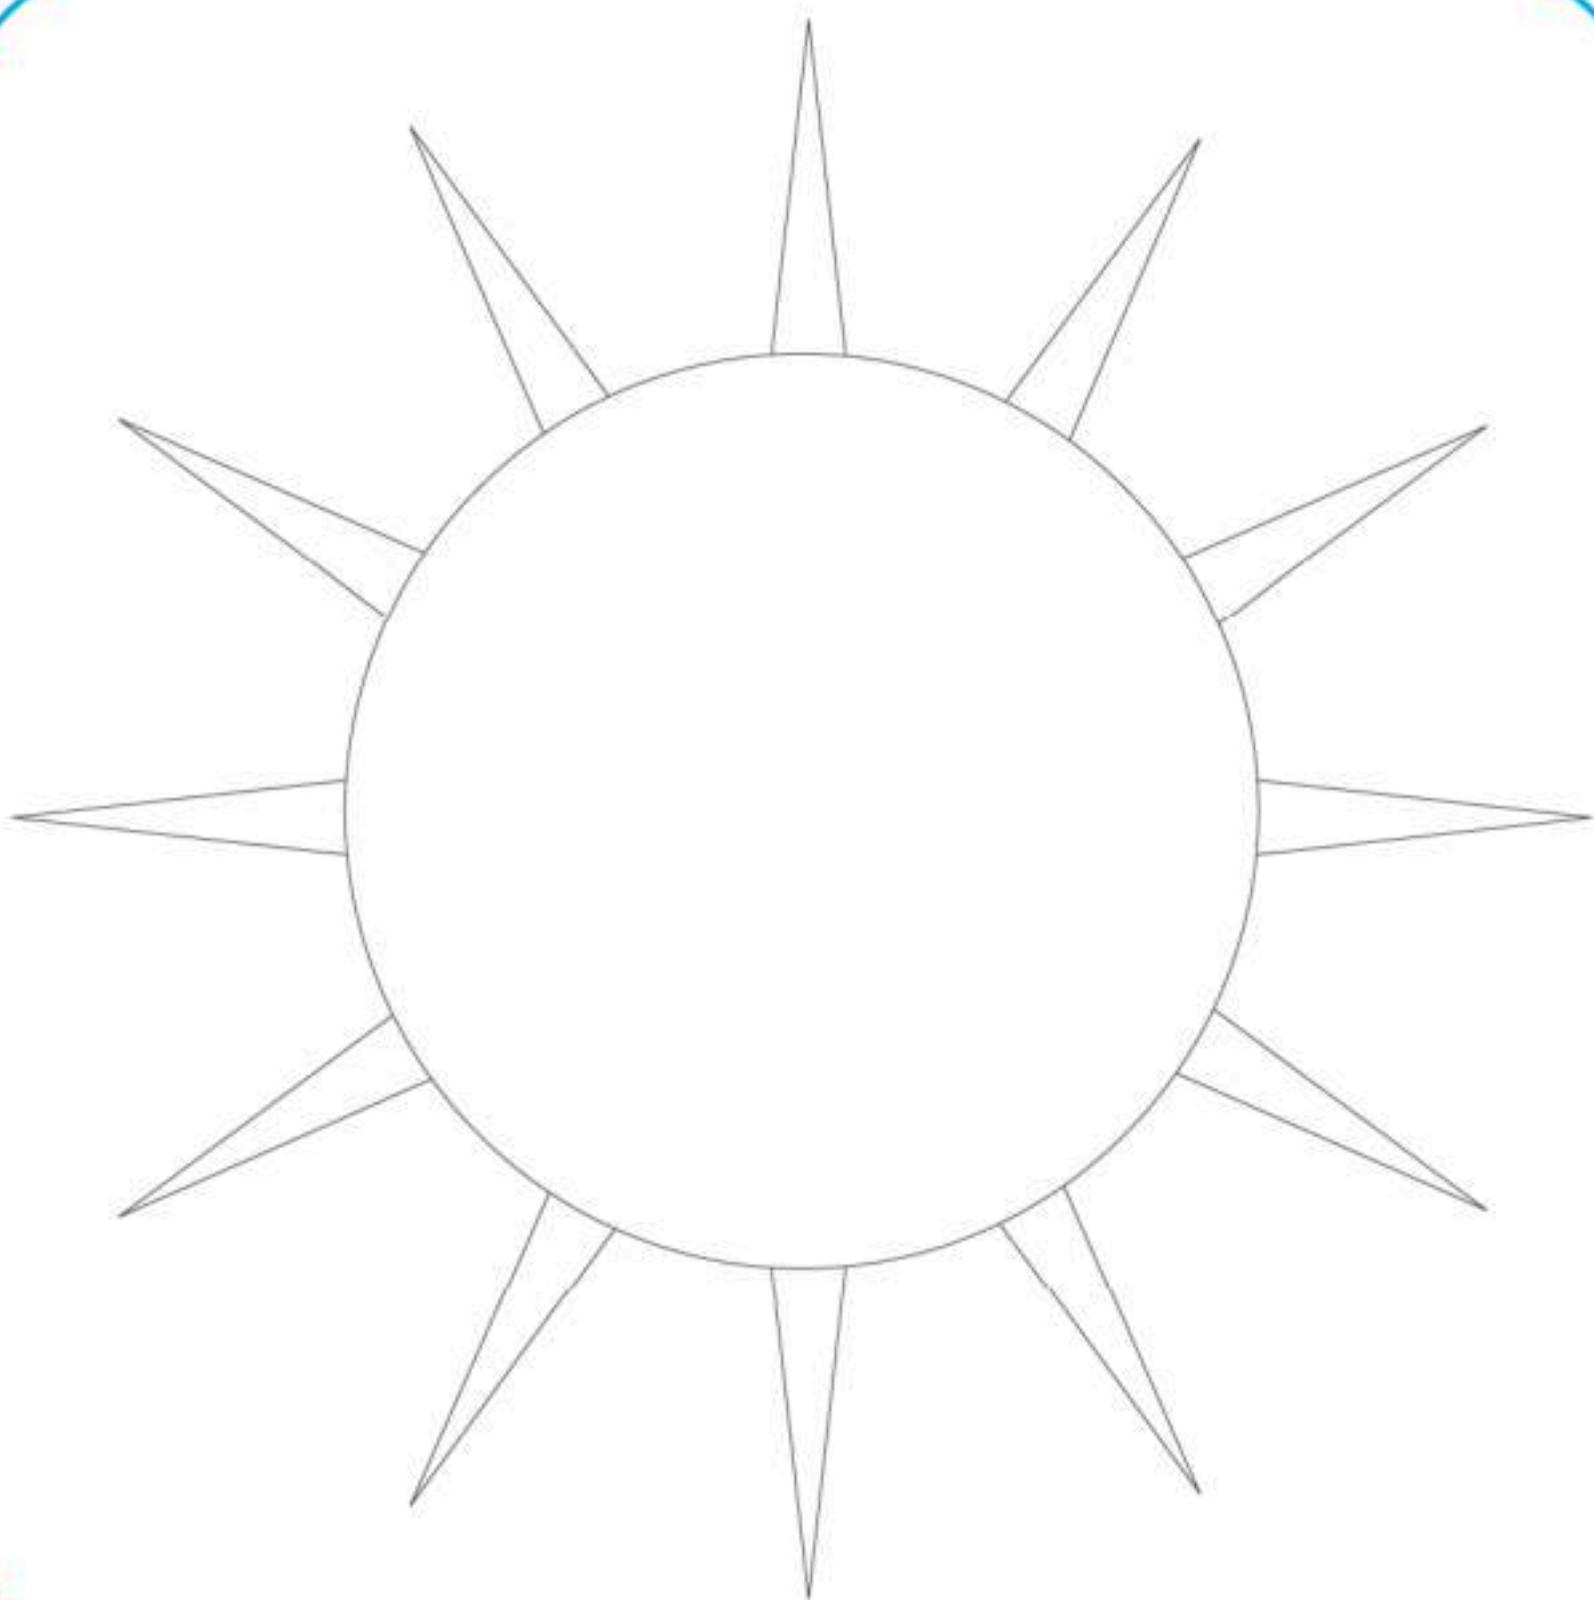

Mould a tortoise using green and brown clay.

Blow Painting

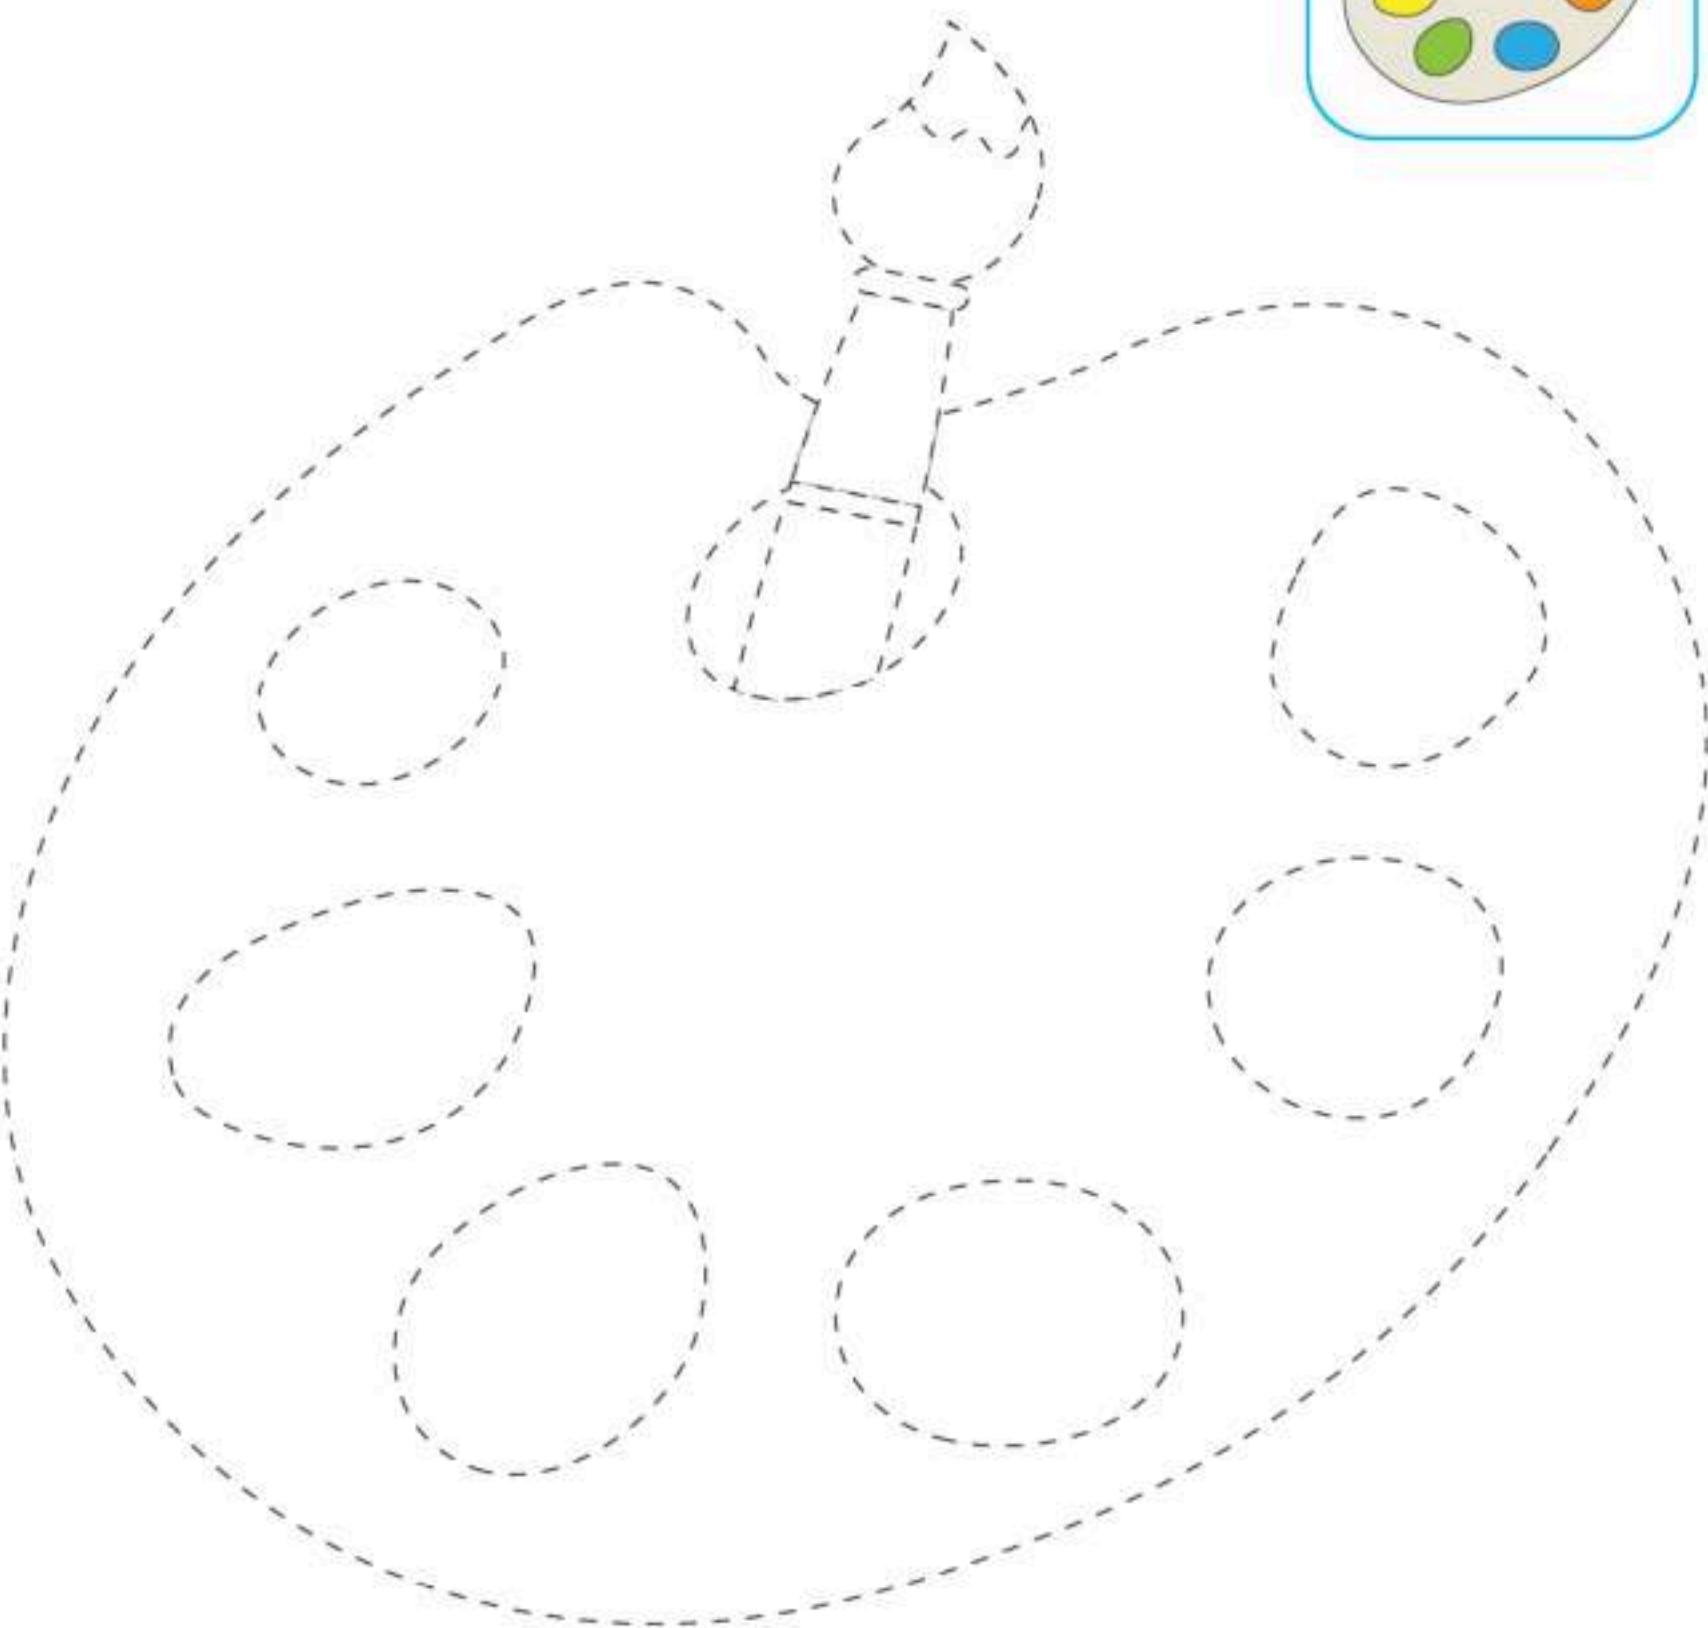

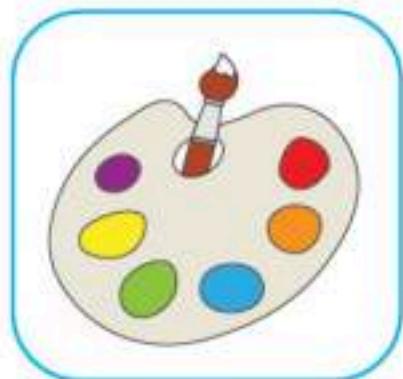

Colour the sun using blow painting.

Put a drop of yellow paint in the centre of the sun.
Blow it with a straw to spread.

Colouring Time

Trace and colour the palette.

Cotton Ball Snowman

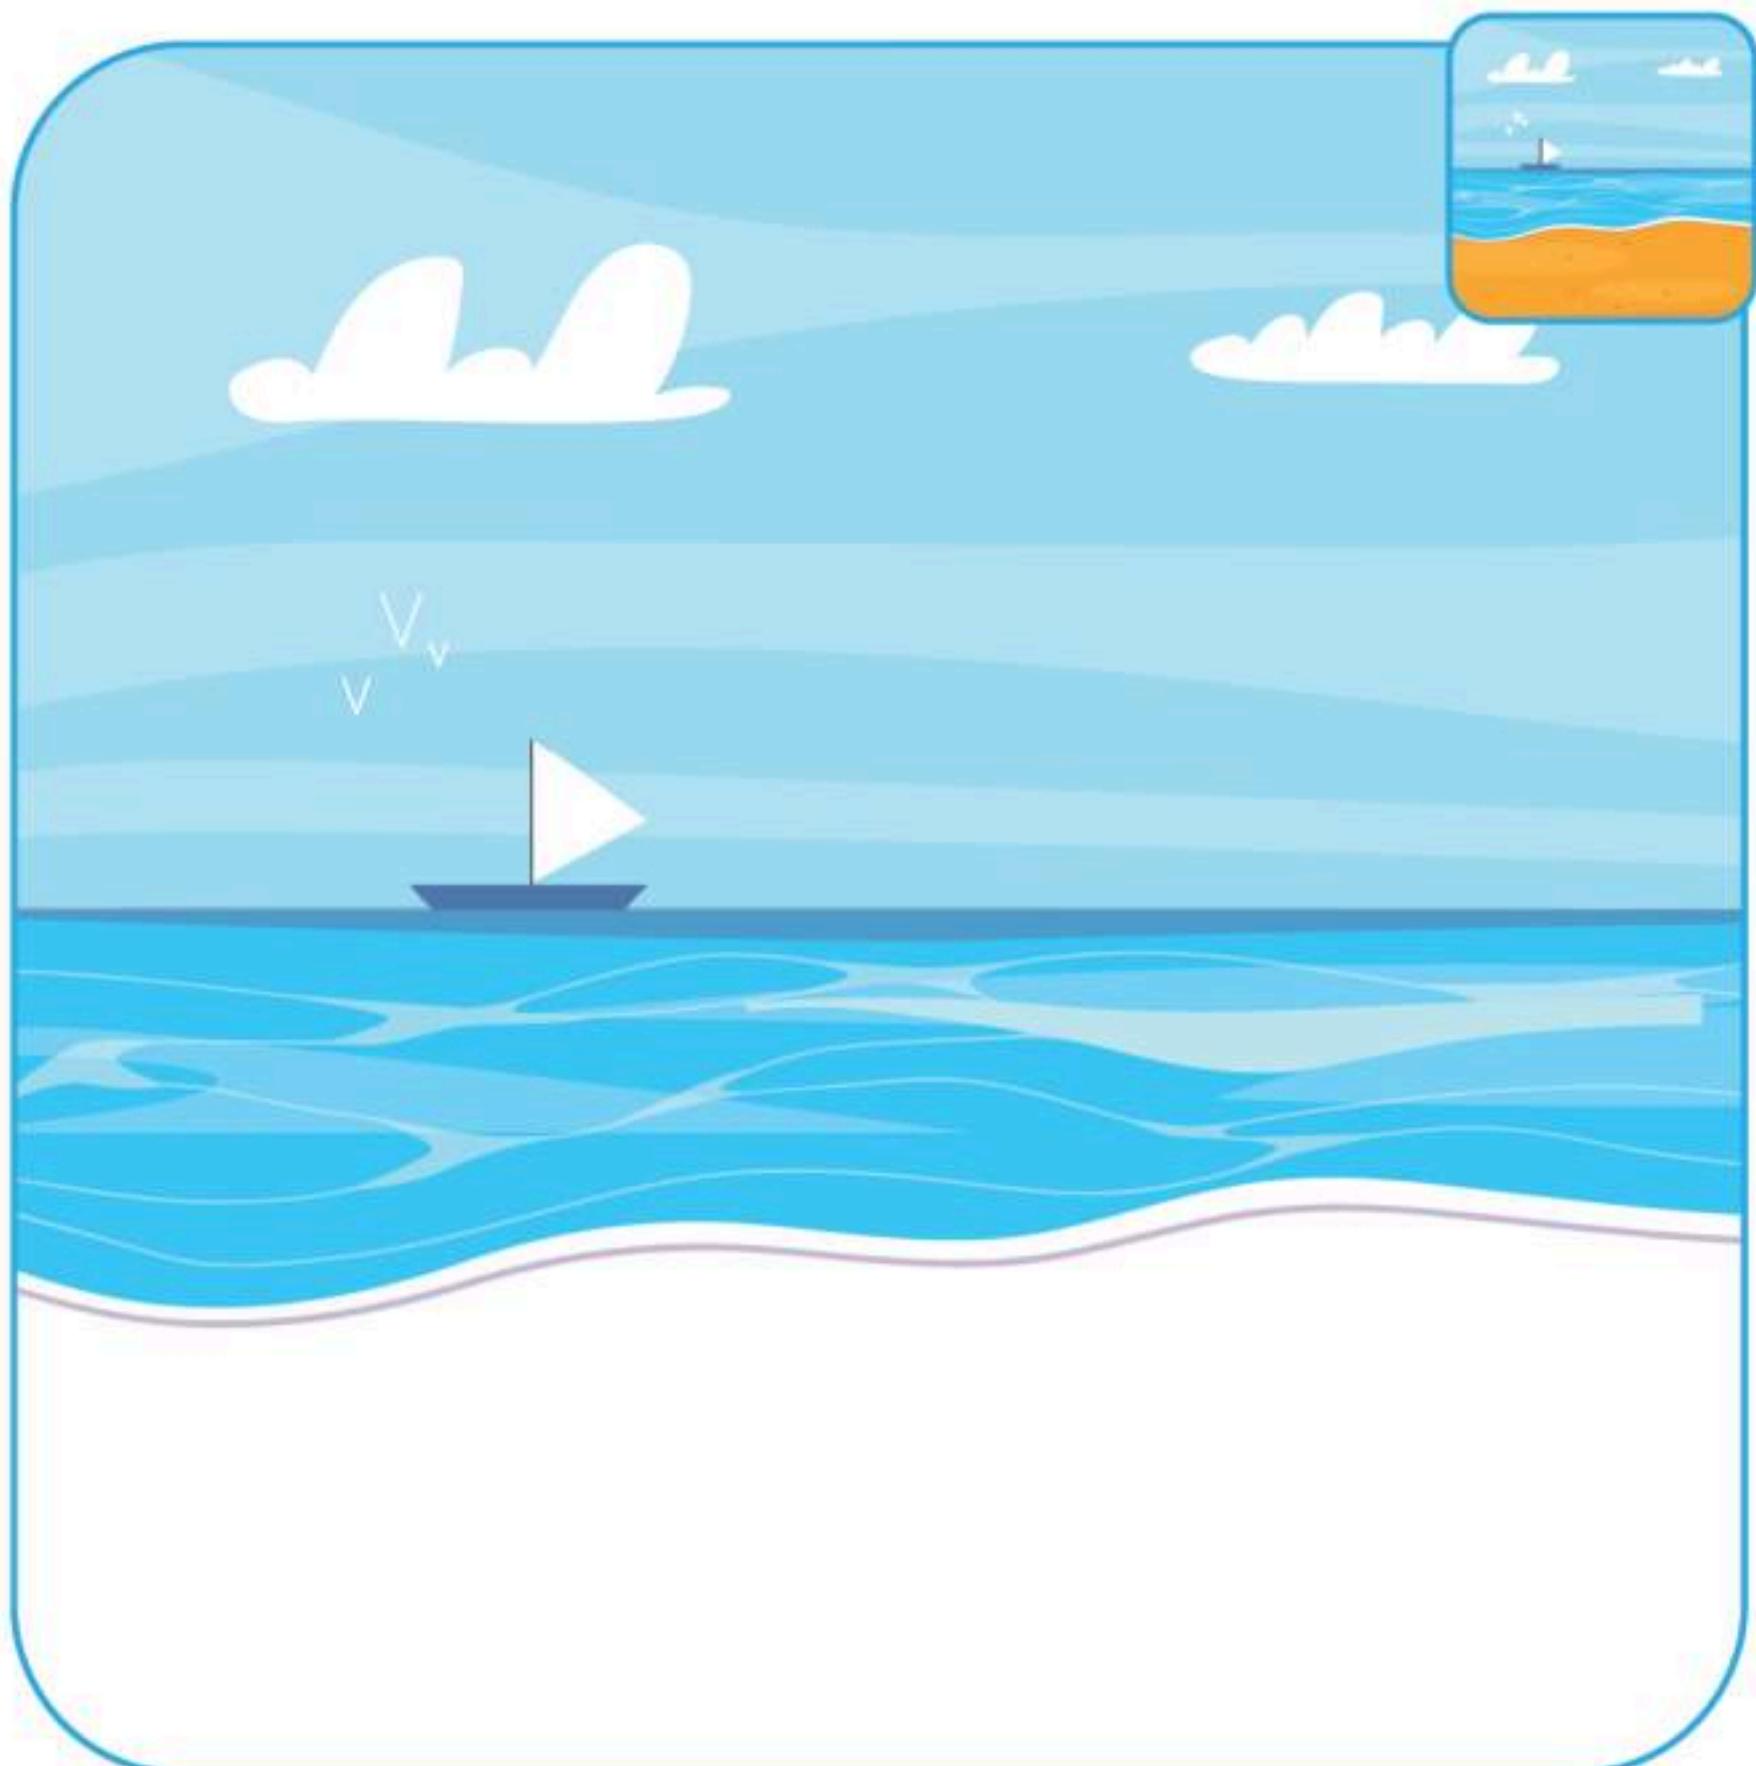

Make a fluffy cotton snowman with this simple and fun craft!

Paste cotton balls on the snowman.

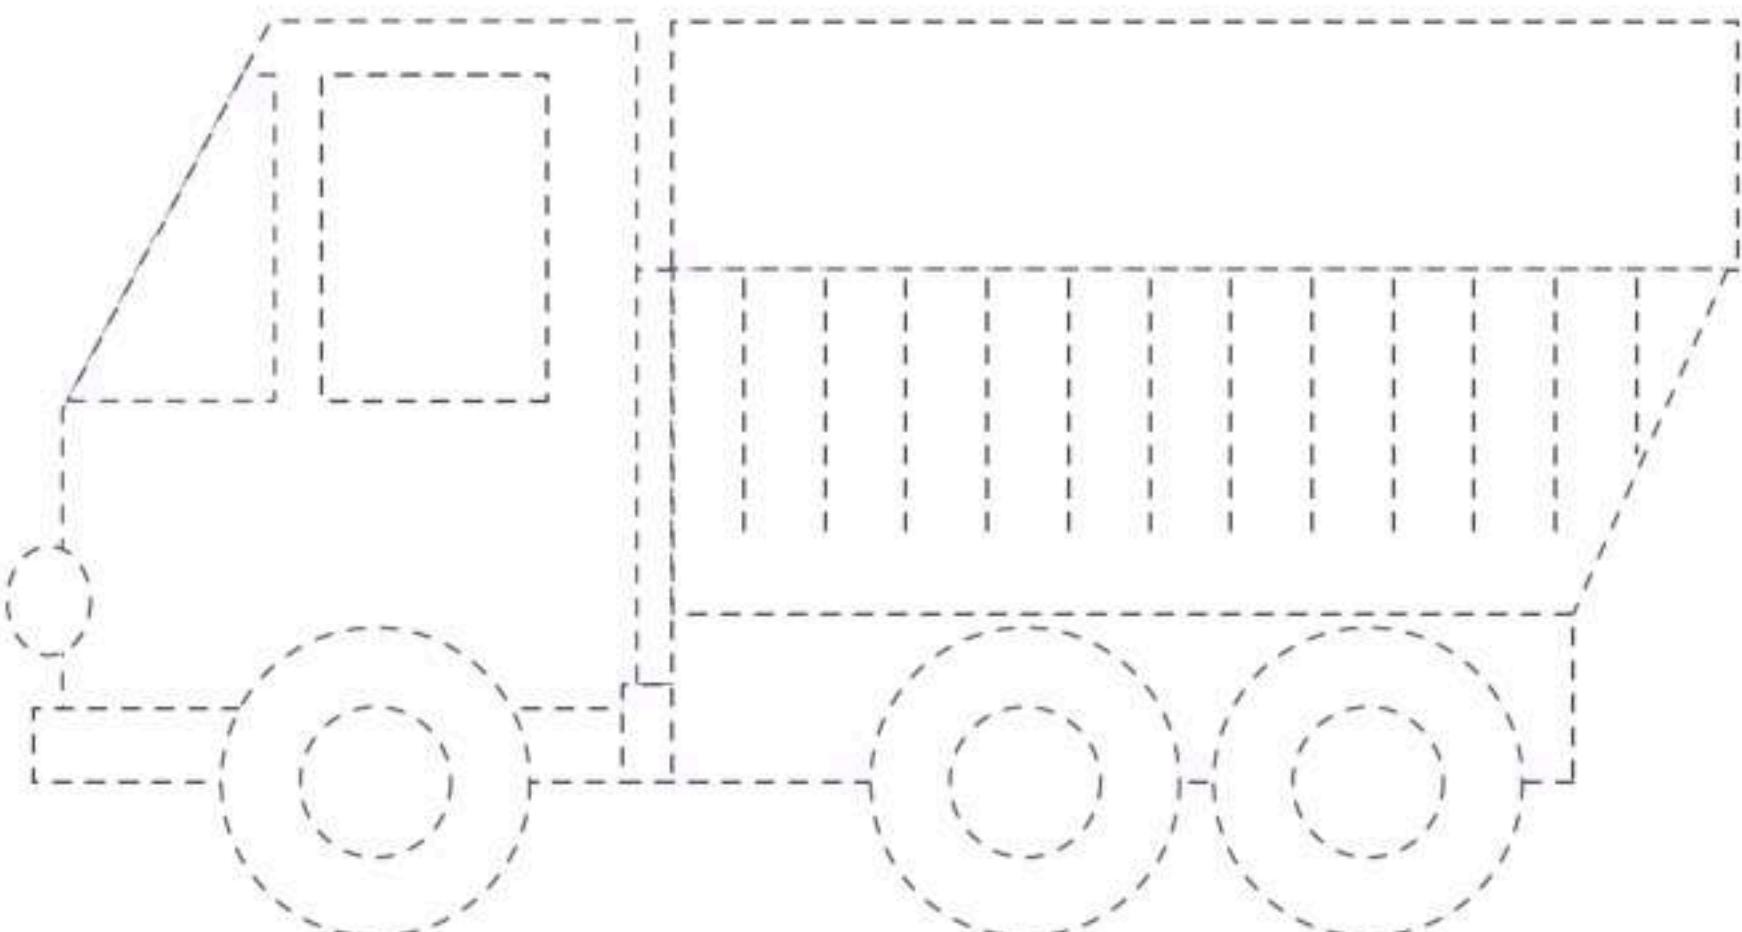

Sand Pasting.

Add some sand to the beach.
Use non-toxic sand for the activity.

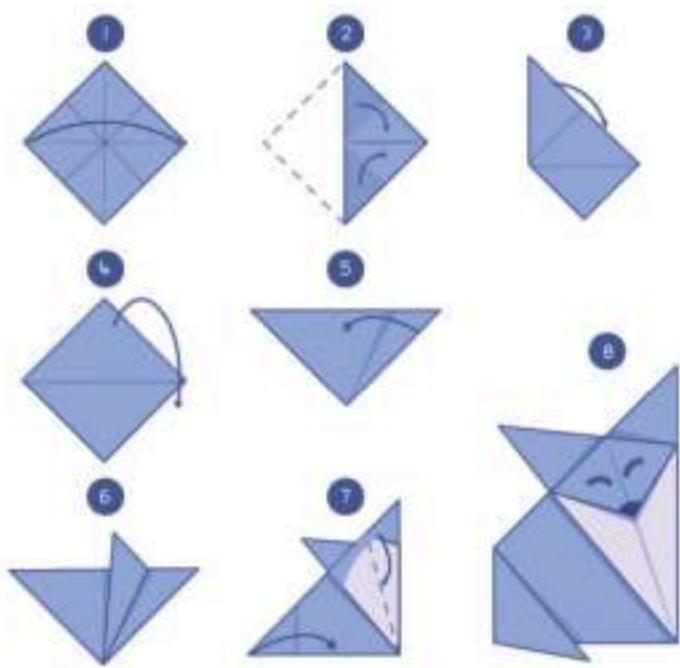

Colouring Time

Trace and colour the truck.

Origami Fox

Make a fox using folding paper and paste it below.

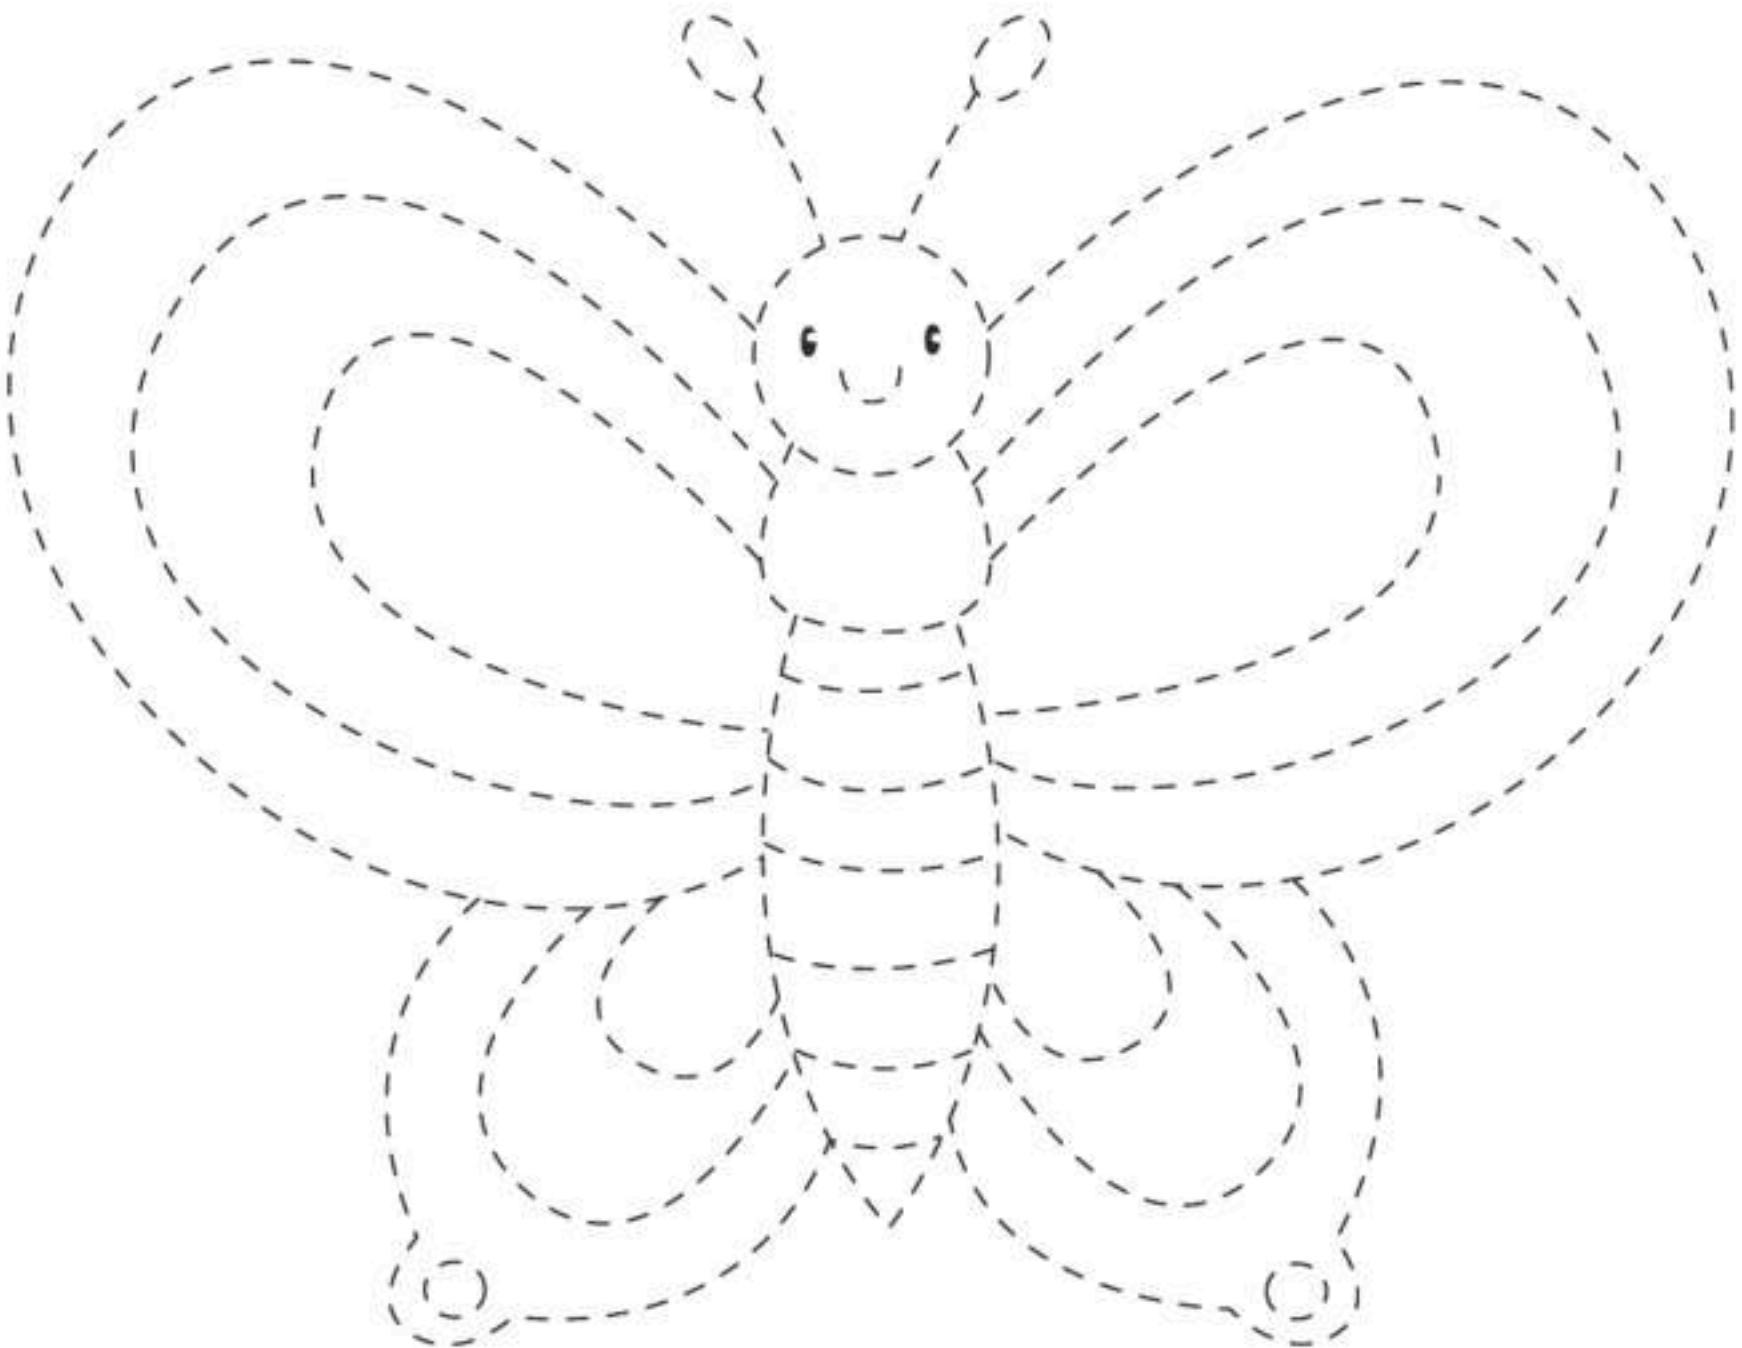

Pista Art

Create a vibrant tree with colourful pistachio shell leaves in this delightful craft as shown below.

Colouring Time

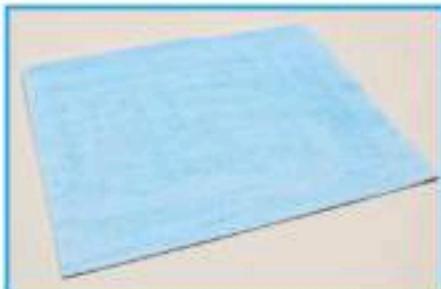

Trace and colour the Butterfly.

Button Rainbow Craft

Materials

- Legal-sized (8.5" x 14") sheet
- Blue chalk pastel or other colouring materials like liquid watercolors
- Glue stick
- Buttons (purple, blue, green, yellow, orange, red)
- Cotton balls

Print Template: Print on Legal-sized white cardstock.

Colour the front blue using chalk pastel, watercolours, or markers.

Trace Rainbow: Trace the bottom rainbow line with glue.

Press Buttons into Glue: Trace each printed line one at a time with glue and press the corresponding coloured buttons into the glue until the line is covered. Start with purple and continue with the remaining colours.

Create Clouds: Glue pulled-apart cotton balls at the ends of button rows.

Let Dry: Allow glue to dry completely.
